The Final Crisis Lennox F. Hamilton,2022-04-27

The Final Crisis makes a strong claim that the Bible is the word of God by declaring the things that are to come It explains the utterances of God that have been fulfilled that are being fulfilled and will be fulfilled The Final Crisis therefore outlines the future of the USA the future of Israel and the rise of the king of the south and the king of the north that will reign terror on this world This book also outlines the future of the two Muslim mosques on the Jewish temple site and what will befall them It explains how Russia will betray the West and embrace a terrorist power The Final Crisis explains nine eleven from the Biblical standpoint The European Union is shown to be the Revised Roman Empire and the explanation is given as to how it will be reduced in size from its current number to ten nations Ultimately this book outlines how Christ will come and put down all rule and all authority and rule this world for the glory of God

Woe! Woe! Woe! and Then Armageddon John A. Pinkston,2011-04-14

One third of the Bible concerns prophecy and yet our religious leaders often do not understand these prophecies and do not teach them Most scriptural prophecies reside in the Old Testament and in Revelation in the New Testament and most direct our attention to the final years of human government on this earth These final years are here at last In Woe Woe Woe And then Armageddon A Prophecy of the End Time minister and author John A Pinkston guides us deep into understanding of biblical prophecy and how it links to history and to the present where catastrophicand foretold events are driving inexorably toward the return of Jesus Christ and the battle of Armageddon Pinkston does not claim to be a prophet but his forty years of experience in ministry and extensive research into biblical prophecies help him understand how current worldwide events are leading to the fulfillment of the words of the Old and New Testaments With full scriptural support each chapter explores in depth a prophecy of the Bible and the issues it raises The Bible the Word of God holds the answers to all questions about prophecy and the end time and there is no greater question than What should we do now To that the Bible offers the only advice If my people which are called by my name shall humble themselves and pray and seek my face and turn from their wicked ways then will I hear from heaven and will forgive their sin and will heal their land II
