Peace Treaty With God:

A Peace Treaty with God John Hendee, 1984-07 Five lessons explain reconciliation with God in terms of a peace treaty

The R.C. Sproul Collection Volume 1: The Holiness of God / Chosen by God R.C. Sproul, 2017-02-15 This Collection bundles two of popular and accessible theologian R C Sproul's works into one e book for a great value

The Holiness of God Central to God's character is the quality of holiness Yet even so most people are hard pressed to define what God's holiness precisely is Many preachers today avoid the topic altogether because people today don't quite know what to do with words like awe or fear R C Sproul in this classic work puts the holiness of God in its proper and central place in the Christian life He paints an awe inspiring vision of God that encourages Christian to become holy just as God is holy Once you encounter the holiness of God your life will never be the same

Chosen by God With nearly 200 000 copies sold in its 25 years Chosen by God by Dr R C Sproul is a contemporary classic on predestination a doctrine that isn't just for Calvinists says Sproul It is a doctrine for all biblical Christians In this updated and expanded edition of Chosen by God Sproul shows that the doctrine of predestination doesn't create a whimsical or spiteful picture of God but paints a portrait of a loving God who provides redemption for radically corrupt humans We choose God because he has opened our eyes to see his beauty we love him because he first loved us There is mystery in God's ways but not contradiction

The Holiness of God R.C. Lucas, 2010-05-19 Meet the God Who Is Greater Than Your Biggest Questions The Bible never shies away from seeming contradictions We are told both to resist our enemies and to love them and that our all knowing God can sometimes forget Unable to reconcile such biblical paradoxes some people abandon Christianity while others pretend that the seeming contradictions don't exist preferring to believe in an uncomplicated easy to comprehend God Yet countless others are hungry for new insight into the God behind the Bible's mysterious paradoxes Responding to this spiritual hunger James Lucas delves into the mysteries of Scripture demonstrating that biblical contradictions are actually exquisite paradoxes that enlarge our understanding of God With this book as your guide you can embrace the paradoxes of Scripture and pursue honest answers to your hardest questions The study of biblical paradox leads to greater devotion to the majestic God who makes himself known even while he surpasses human understanding Today you can begin

Keown,2021-12-23 Romans is a missional document Yet strangely while many recognize the missional aspects of Romans few monographs are totally devoted to unpacking Romans from a missional perspective Romans and the Mission of God does this very thing Part one explores the background of the letter with an eye to positioning Romans in the story of the mission of God the apostle the Roman world and the early church Part two considers how Romans is a contextually shaped presentation of the gospel A range of other aspects of the way in which Paul shapes his message for the

Romans are explored including salvation history metaphors and rhetorical techniques and aspects of the letter including elements opposed to God salvation ideas human response ethics and Christian living and the eschaton Part three delves into issues that arise in Romans that are important for contemporary mission These include such things as the cosmic scope of the mission the gospel as the power of salvation who does evangelism the miraculous social justice ecology social transformation generosity and hospitality God s sovereignty and human volition prayer the State culture Israel apologetics and theological thinking This is a must read for those serious about Paul Romans and God s mission **God's Timeline for Mankind** Dwain Huntington,2019-01-25

You may have heard that one third of the bible is made up of prophecy But after reading this book you will have no doubt the bible is one hundred percent prophecy What if you could learn how all the events described in the Bible from the Old Testament to the New Testament were actually telling us about God s plan for the future God s Timeline for Mankind will forever change the way you view the events in the Bible Author Dwain Huntington first looks into the lives of the Hebrews in the Old Testament to show you how their stories are repeating themselves today in modern Israel Then you will be taken on a journey through the ages exploring the way events in the heavens repeated themselves on the earth Ultimately you will learn about how the fall of mankind has been met with God s grace and his restoring powers of redemption What has happened before will happen again and God shows us this pattern in his prophetic word God s Timeline for Mankind gives us great insights into just how these events will affect the lives of those living during what will be the most difficult time this earth will ever see *The Silence Is Broken! God Hooks Ezekiel's Gog & Magog*

Douglas Berner,2006 What is the Silence of God How and when will God s silence be broken What will that mean to the people living in the world at the time Discover how the Silence of God will finally be broken and how the End Times will begin Learn how the prophecy of Ezekiel 38 how the War of Gog and Magog will be misunderstood as the War of Armageddon and what that will mean for the nations of the world *The Temples of God* Toni C. Clark,2022-05-19

The temples of God are of profound historical and future significance to Jews Christians and all of humanity The original temple was in the Garden of Eden created not by man s hands but by God After sin came to the Garden Adam and Eve began the lineage of mankind and from their roots came Jacob s twelve sons and the Hebrew tribes King David was a descendant of the tribe of Judah and his son Solomon built an amazing temple in Jerusalem It was where God s presence and glory would reside God told Solomon he would reject the temple if he or his descendants did not live with righteousness Solomon s temple was ultimately destroyed Following a tumultuous period of wars the second temple was built in Jerusalem by the Jewish exiles returning from Babylon It was not as ornate as the first but its magnificence was prophesied and then came the temple rebuild by Herod the Great His role in mankind s history including his violent kingship and the Massacre of the Innocents fulfilled prophecy The birth of Jesus Christ and his death and resurrection also fulfilled prophecy His activities in the second temple were profound including his prediction of the destruction of Herod s temple and all of Jerusalem The obliteration

occurred in AD 70 Mankind's history then passes through eras of wars and conquest leading to the hope for a third temple. It will be built in Jerusalem just prior to the Tribulation. Like all the temples of the past, it is prophesied to be defiled and destroyed. At the end of mankind's earthly history, the final temple will be built by God after Jesus Christ's second coming; it will be glorious beyond imagination. Jesus will reside there with his chosen people. Who is among the chosen? 2 *Paul's Designations of God in Romans* Wing Yi Au, 2023-08-03 Wing Yi Au investigates Paul's ways of characterizing God in Romans and finds that Paul's divine designations in the letter trace God's essential salvific activities. Meanwhile, special emphasis is put on the inclusion of Gentiles in God's plan of salvation. Dating God S. R. Anderson, 2021-08-12 *Dating God: The Dates of the Most High* By S. R. Anderson. *Dating God: The Dates of the Most High* discusses the final seven years prior to the return of Yeshua the Messiah. It takes its premise from the dates found in the Old Testament that are argued points to the days that lie ahead: the days of tribulation and the reign of antichrist. Obviously, this is extremely relevant to the days all of us live in, from the onslaught of Covid 19 to the upcoming vaccine that will be forced upon all mankind, to the raging devastation of natural disasters, to the threat and waging continuous and constant war, all under the backdrop of the coming third temple in Jerusalem. The take on all these events that is unique to this book is the referencing to scripture that gives us exact dates of past events that paint a picture of future happenings. This is not another date-setting book with erroneous prophecies; this is a careful examination of the dates that Yahweh gives to us in his holy scriptures that quite possibly show us the timing of events that are even now coming upon this world. S. R.'s hope is that this work will open the eyes of a sleeping church too long festered in the delusion that the events prophesied are of a time still too far distant to care about, or worse yet, that somehow believers will be whisked away by some fancied rapture that they will escape the tribulation that is even now at the door.

Islam within Judaism and Christianity, A Voice From The Past Ahmed Shendy Yousef, 2014 *Islam within Judaism and Christianity* is a truth that is clear and bright in the midst of a dark world that has lost its way through misunderstandings that are guided by Satan. This book will remove the veil off of God's concealed messages, and it will impact the twisted long life of preaching that was used for indecent political power and financial gains, causing billions of innocent lives lost throughout history. Through *Islam within Judaism and Christianity*, I would like to introduce you to the messages of God from the holy Bible and The Quran, so that you can discover that we are all followers of Moses, Jesus, and Mohammed. We are one nation that belongs to the same one God, so we may consider changing our attention from striking one another to striking our one enemy, Satan. This is a book that assists you in better understanding one another in pursuit of making our world a better place and doing it together. Ahmed S. Yousef, PT, PhD. **1 & 2 Thessalonians** Woodrow Kroll, 2008. An interactive exploration of two of Paul's earliest letters to the new believers in Thessalonica. Includes a devotional, three sections for personal application, and the corresponding ESV text.
