Peace Versus Power in the Family Abraham Adolph Low, 1984-06-01 Overcoming Borderline Personality Disorder Valerie Porr, M.A., 2010-07-30 Borderline personality disorder BPD is characterized by unstable moods negative self image dangerous impulsivity and tumultuous relationships Many people with BPD excel in academics and careers while revealing erratic self destructive and sometimes violent behavior only to those with whom they are intimate Others have trouble simply holding down a job or staying in school Overcoming Borderline Personality Disorder is a compassionate and informative guide to understanding this profoundly unsettling and widely misunderstood mental illness believed to affect approximately 6% of the general population Rather than viewing people with BPD as manipulative opponents in a bitter struggle or pitying them as emotional invalids Valerie Porr cites cutting edge science to show that BPD is a true neurobiological disorder and not as many come to believe a character flaw or the result of bad parenting Porr then clearly and accessibly explains what BPD is which therapies have proven effective and how to rise above the weighty stigma associated with the disorder Offering families and loved ones supportive guidance that both acknowledges the difficulties they face and shows how they can be overcome Porr teaches empirically supported and effective coping behaviors and interpersonal skills such as new ways of talking about emotions how to be aware of nonverbal communication and validating difficult experiences These skills are derived from Dialectical Behavior Therapy and Mentalization based Therapy two evidence based treatments that have proven highly successful in reducing family conflict while increasing trust Overcoming Borderline Personality Disorder is an empowering and hopeful resource for those who wish to gain better understanding of the BPD experience and to make use of these insights in day to day family interactions Winner of the ABCT Self Help Book Seal of Merit Award 2011 **Harmony in the Home** Dr Justin Brophy, Sr Kathleen Maguire, Rev. Priceless Father Rev. Dr. Ebele Okonkwo Onuigbo,2024-06-26 The Priceless Father delves into the critical role parents play in a child s upbringing and examines the profound impact of parental absence on their development This book emphasizes the necessity of a stable family environment as the foundation for success in both career and community life In today s society a significant number of children are raised by single mothers highlighting the alarming statistic that at least one in three children comes from a broken home While there are success stories of children raised by single parents these narratives often overlook the immense commitment love and hard work involved The book addresses the misconception that having both parents guarantees a child s success noting that even when both parents are present they may be emotionally or financially absent leaving a void in the child s life The Priceless Father argues for the importance of effective communication and conflict resolution to maintain a nurturing home environment It also explores the concept of finding spiritual fulfillment and guidance from God when earthly parents fall short Through this perspective the book offers insights into coping mechanisms and finding solace in the absence of ideal parental figures Ultimately this book serves as a guide for parents and couples empowering them to navigate turbulent times with sensitivity toward their children s needs Through mutual respect effective communication and a commitment to resolving conflicts families can strive toward harmony and stability
