Evangeline Mendez Stefan, 2024-08-13 MY DAUGHTER TAKE THE CHILD WHERE SHE S MADE Three days after a young mother gave birth to her firstborn daughter she and her husband were informed by one of America s top Cardiothoracic surgeons that the baby s heart did not form properly As of December 8 2002 there was no known fix for her baby s condition Shine Love Joy and Peace is a true and startling modern account of divine intervention from heaven as a mother and a father search across America to save their daughter s life instead it became a journey of hope compassion mercy forgiveness and acceptance of the inevitable encounter of lifesaving grace of death and resurrection

John Carpenter, 2020-11-20 Mankind has pondered the existence of life beyond death for centuries Religions propose a variety of interesting but differing beliefs So what does actually happen Initially science assumed it was some kind of neurological process sparking memory fragments at the moment of death Having studied thousands of firsthand experiences science now finds undeniable credibility and fascinating patterns of details that cannot be easily dismissed These witnesses are from various cultures and countries around the world yet they report the same types of visual auditory and sensory details People blind since birth are seeing and testifying to the same sights that sighted people are also reporting Preschool children are claiming the same experiences as mature educated worldly individuals Atheists are stunned into becoming devoted to God What is going on Author John Carpenter returns with his third book providing the reader with a breath taking and inspirational journey through three realms of the afterlife Instead of recounting hundreds of individual tales as in other books he constructs a unique experience by orchestrating one composite journey illustrated by hundreds of firsthand witnesses Crafting the fascinating pieces of their testimonies into a masterful flowing collection creates an unforgettable

journey for the reader Masterminding this jigsaw puzzle of credible experiences takes the reader where no other book has gone before But it can be intense in its joy love and beauty or its nightmarish and dark terrors Be not afraid Learn the truth of what people are reporting so that you can navigate your own spiritual journey wisely toward your future place in eternity
