Peace On Earth Roots And Practices From Lukes Gospel:

Peace on Earth Joseph A. Grassi, 2004 In *Peace on Earth* Joseph Grassi emphasizes the practical means Jesus suggests to make peace a reality. He focuses on the roots of peace and justice found in the non-violent and compassionate life and teachings of Jesus. Grassi teaches that Luke's summary of Jesus' teaching in the Sermon on the Plain has a central place as a practical guide for believers to develop a life of peace and non-violence in imitation of Jesus as a non-violent Messiah. Luke's Jesus goes to the roots of true peace through the practice of non-violence, love, compassionate justice, true repentance, and forgiveness. External power and domination are renounced and replaced by inner power, humble service, and a priority for the needs of the poor and marginalized. Chapters are: Peace on Earth, Luke's Subversive Christmas Story, Jesus Messiah of Peace and Non-Violence in the Passion Story, John the Baptist, The Mission to Guide Our Feet in the Way of Peace, Justice and Peace Shall Kiss One Another, Luke's Gospel of Justice, The Inner Sources of Peace, Forgiveness and Metanoia, The Sermon on the Plain, Part I: Roots, The Sermon on the Plain, Part II: Praxis, Love Your Enemies, Responses to Violence from a Gospel of Peace, The Sign of Jonah, the Comic Prophet of Metanoia, Women of Peace and Courage, An Upside Down World, Peace and the Priority of Little Ones, Bread and Circuses versus Jesus, New World Food Language, Jesus' Last Passover Supper and Testament for Continuity, Jesus' Compassion for Animals, A First Step Toward a Non-Violent World and Spiritual Combat for Peace, The Power of the Holy Spirit and Prayer.

Heaven and Earth in Luke-Acts Ming Gao, 2017-10-31 Dr. Ming Gao delves into the much overlooked heaven motif in Luke-Acts in this critical study of a central element in Christian belief. Focusing on several key passages from the biblical canon, Gao analyzes them in their Jewish, Greco-Roman, and broader literary contexts to enhance our comprehension of the meaning of heaven and its significance for our worldview. Heaven is not simply a static place where God dwells or a symbol of his power, but is a dynamic arena that impacts the earthly realm. Dr. Gao also elucidates how heaven, as well as being part of reality, acts as a concept that points to the arrival of God's eschatological kingdom on earth. This book will enhance efforts to understand heaven, which is often viewed as an unfathomable mystery by so many Christians.

Eating Your Way Through Luke's Gospel Robert J. Karris, 2006 Robert Karris spreads before us a delightful feast of information about food themes in the Gospel of Luke. In a lively style of writing, Karris describes the food and drink popular in Jesus' day, eucharistic implications, and the social roles Jesus assumes in relation to food.

Luke David E. Garland, 2012-01-03 Concentrate on the biblical author's message as it unfolds. Designed to assist the pastor and Bible teacher in conveying the significance of God's Word, the Zondervan Exegetical Commentary on the New Testament series treats the literary context and structure of every passage of the New Testament book in the original Greek. With a unique layout designed to help you comprehend the form and flow of each passage, the ZECNT unpacks the key message. The author's original translation, an exegetical outline, verse-by-verse commentary, theology in application. While primarily designed for those with a basic knowledge of biblical Greek, all who strive to understand and teach the New

Testament will benefit from the depth format and scholarship of these volumes In this volume David E Garland offers pastors students and teachers a focused resource for reading Luke Luke sought to assure believers about the truth of the gospel and to advance their understanding of God's ways in the world as revealed in Christ's ministry death and resurrection Luke wrote as a historian theologian and pastor and Garland's commentary strives to follow suit in assisting those who will preach and teach the text and those who seek to understand it better

Reading with Earth Anne Elvey, 2022-08-25 Winner of the 2023 ANZATS Award for the Best Monograph by an Established Scholar Applying a re-envisioned ecological feminist hermeneutics this book builds on two important responses to twentieth and twenty-first century situations of ecological trauma especially the complex contexts of climate change and cross-species relations first ecological feminism second ecological hermeneutics in the Earth Bible tradition By way of readings of selected biblical texts this book suggests that an ecological feminist aesthetic bringing present situation and biblical text into conversation through engagement with activism and literature principally poetry is helpful in decolonizing ethics Such an approach is both informed by and speaks back to the new materialism in ecological criticism

Good News Darrin W. Snyder Belousek, 2014 In *Good News* Darrin Snyder Belousek explores the meaning of salvation in the Gospel of Luke Through biblical reflections on the stories and songs of Luke's telling of the coming of Jesus the Messiah this book explains the manifold message of good news Fully accessible to lay persons yet substantially informed by biblical scholarship keenly aware of spiritual concerns and passionately engaged with social issues this book offers a vision of salvation that is grounded in grace and nurtured by prayer relevant to both the spiritual and the social and inseparable from doing justice and seeking peace

From Just War to Modern Peace Ethics Heinz-Gerhard Justenhoven, William A. Barbieri, Jr., 2012-10-01 This book rewrites the history of Christian peace ethics Christian reflection on reducing violence or overcoming war has roots in ancient Roman philosophy and eventually grew to influence modern international law This historical overview begins with Cicero the source of Christian authors like Augustine and Thomas Aquinas It is highly debatable whether Augustine had a systematic interest in just war or whether his writings were used to develop a systematic just war teaching only by the later tradition May Christians justifiably use force to overcome disorder and achieve peace The book traces the classical debate from Thomas Aquinas to early modern age thinkers like Vitoria Suarez Martin Luther Hugo Grotius and Immanuel Kant It highlights the diversity of the approaches of theologians philosophers and lawyers Modern cosmopolitanism and international law thinking it shows are rooted in the Spanish Scholastics where Grotius and Kant each found the inspiration to inaugurate a modern peace ethic In the 20th century the tradition has taken aim not only at reducing violence and overcoming war but at developing a constructive ethic of peace building as is reflected in Pope John Paul II's teaching

Jesus Unleashed Ron Clark, 2014-01-03 Luke's narrative of Jesus was presented to Christians who had already heard and read stories of Jesus and the birth of this new movement Christianity Luke seemed to rewrite the story of Jesus similar to ancient epics of the history of a nation a movement and the tale of a hero

Jesus and the church emerged in occupied Judea a nation that was not only oppressed but was in exile Occupied Judea however struggled for power and honor and in turn for marginalized people who needed God Jesus the epic hero journeyed to earth and Jerusalem to free those on the margins of society This epic story lives on today in a church that also has heard the story of Jesus but has forgotten that the friend of sinners calls Christians to also reach those who are marginalized by our occupied culture Luke invites Christians to emerge as a movement that seeks and saves those ostracized by our communities

Atonement, Justice, and Peace Darrin W. Snyder Belousek, 2012 In this substantial study Darrin W Snyder Belousek offers a comprehensive and critical examination of penal substitution the most widely accepted evangelical Protestant theory of atonement and presents a biblically grounded theologically orthodox alternative Attending to all of the relevant biblical texts and engaging with the full spectrum of scholarship Belousek systematically develops a biblical theory of atonement that centers on restorative rather than retributive justice He also shows how Christian thinking on atonement correlates with major global concerns such as economic justice capital punishment the war on terror and ethnic and religious conflicts Thorough and clearly structured this book demonstrates how a return to biblical cruciformity can radically transform Christian mission social justice and peacemaking

Luke the Theologian François Bovon, 2006 In this completely revised and updated edition François Bovon provides a critical assessment of the last fifty five years of scholarship on Luke Acts The study divides thematically with individual chapters covering the subjects of history and eschatology the role of the Old Testament Christology the Holy Spirit conversion and the church Each chapter begins with a consideration of the exegetical and theological problems unique to each theme in Luke Acts before providing a detailed survey and critique of contemporary English German French Spanish and Italian New Testament scholarship

Things that Make for Peace Anthony Rees, 2020-09-30 In a world that increasingly sees religion as a source of violence this book explores resources from within religious traditions that might help build peace Drawing from the rich textual histories of Christianity and Islam the contributors mine their faith traditions for ways of thinking and ways of being that help shift perceptions about religion and actively contribute to the growth of peace in our troubled times Not content with retreat into religious exclusivism these essays are an act of sharing something held dear In sharing the thing offered no longer remains the possession of the one who offers and so these essays are an act of vulnerability and trust building In sharing precious things together in giving and receiving peace becomes not only a matter of dialogue but also shared commitments to ways of being

War and Christian Conscience Fahey, Joseph J., 2014-04-10 This primer on war and the Christian conscience begins in an imaginary college classroom as students react to news that the draft has been reinstated Why cant I finish college asks one student Why do I have to go These urgent and personal questions offer the entry to a clear and comprehensive outline of the basic Christian responses to the problem of war As Fahey shows the Christian tradition has supplied a variety of answers including pacifism just war teaching the ethic of total war and the vision of a world community In the face of these different

approaches how are we to decide which one is right And more basically how does one go about forming ones personal conscience For all who ponder these moral challenges whether as young people facing the question of military service or as counselors chaplains or teachers this book offers an essential and practical guide **Covenant of Peace** Willard M. Swartley,2006 One would think that peace a term that occurs as many as one hundred times in the New Testament would enjoy a prominent place in theology and ethics textbooks Yet it is surprisingly absent Willard Swartley s *Covenant of Peace* remedies this deficiency restoring to New Testament theology and ethics the peace that many works have missed In this comprehensive yet accessible book Swartley explicates virtually all of the New Testament relating peace and the associated emphases of love for enemies and reconciliation to core theological themes such as salvation christology and the reign of God No other work in English makes such a contribution Swartley concludes by considering specific practices that lead to peacemaking and their place in our contemporary world Retrieving a historically neglected element in the Christian message *Covenant of Peace* confronts readers anew with the compelling New Testament witness to peace **A Shaking Reality** Peter B. Price,2020-04-28 Inspired by Father Alfred Delp who wrote a meditation titled *The Shaking Reality of Advent* while imprisoned by the Nazis during WWII Bishop Peter B Price has written a series of reflections and prayers to be read on each day of Advent Each reflection is written that we may be shaken and brought to a realization of our selves in order to gain a new understanding of God s promise of redemption and release *Jesus is Shalom* Joseph A. Grassi,2006 Studies the meaning of peace found in the New Testament documents The New Testament reveals that there was a struggle between true and deceptive meanings of peace around the time of Jesus and just after his death and resurrection and subsequent ascension *Elenchus of Biblica* ,2005 **Luc le théologien** François Bovon,2006 **American Book Publishing Record** ,2005 *Diccionario de Jesús y los evangelios* Joel B. Green,Jeannine K. Brown,Nicholas Perrin,2016-06-30 Obra de referencia independiente de la informaci n y la perspectiva esencial para explorar sobre Jes s y los Evangelios En este volumen se unen dos reas y perspectivas la de los acad micos y la de los pastores maestros estudiantes y lectores interesados _que desean tratamientos profundos de los temas claves en un formato accesible y resumido Los art culos cubren cada Evangelio los episodios principales de la vida de Jes s los temas transcendentales as como los problemas y m todos de interpretaci n *The Catholic Periodical and Literature Index* ,2005
