DAVID. ERICKSON, Amanda Erickson, 2024-09-17 When it comes to Christian parenting we crave confidence wisdom and most of all peace We pray for peace when our little ones are tossed about by waves of emotions for connection and confidence when navigating stressful mornings and exhausting nights and for wisdom in knowing how best to discipline our kids As Christian parents we re desperate to get it right to raise our children to be strong courageous followers of Jesus and yet despite the overload of endless advice at our fingertips we often feel completely and utterly lost You can become the parent Christ has called you to be and change your home and family from the inside out In *The Flourishing Family* Dr David and Amanda Erickson offer a new parenting perspective one that cultivates peace gentleness and confidence Deeply rooted in Scripture and backed by modern neuroscience as well as insight into child development their book will equip you to rethink common assumptions about what the Bible says about parenting and align your parenting approach with the teachings of Jesus and your identity in Him cultivate the inner peace needed to lead and guide your family with Christ and His grace at the center critically assess various gentle parenting principles through a Gospel lens so that you can respond to your child with understanding and patience honoring the divine image and unique personality God created them to have and use compassionate discipline as discipleship to focus on the heart behind your child s actions addressing the developmental or neurological roots of their behavior rather than merely correcting or punishing their actions or choices Your legacy is not defined by your parenting perfection but by your commitment to follow in the way of Jesus and to trust His Spirit to cultivate the seeds you re diligently planting throughout your children s lives Trust that He will meet you in these pages and that He will transform your hearts and home *Death to the Traitor, Or, Claude Duval and the Poachers* ,1856 **Timefulness**

Marcia Bjornerud, 2018-09-11 Why an awareness of Earth s temporal rhythms is critical to our planetary survival Few of us have any conception of the enormous timescales in our planet s long history and this narrow perspective underlies many of the environmental problems we are creating for ourselves The passage of nine days which is how long a drop of water typically stays in Earth s atmosphere is something we can easily grasp But spans of hundreds of years the time a molecule of carbon dioxide resides in the atmosphere approach the limits of our comprehension Our everyday lives are shaped by processes that vastly predate us and our habits will in turn have consequences that will outlast us by generations Timefulness reveals how knowing the rhythms of Earth s deep past and conceiving of time as a geologist does can give us the perspective we need for a more sustainable future Marcia Bjornerud shows how geologists chart the planet s past explaining how we can determine the pace of solid Earth processes such as mountain building and erosion and comparing them with the more unstable rhythms of the oceans and atmosphere These overlapping rates of change in the Earth system some fast some slow demand a poly temporal worldview one that Bjornerud calls timefulness She explains why timefulness is vital in the Anthropocene this human epoch of accelerating planetary change and proposes sensible solutions for building a more time

literate society This compelling book presents a new way of thinking about our place in time enabling us to make decisions on multigenerational timescales The lifespan of Earth may seem unfathomable compared to the brevity of human existence but this view of time denies our deep roots in Earth s history and the magnitude of our effects on the planet **Mi Daily Devotion** Ely Roque Sagansay,2012-10 Mi Daily Devotion by Reverend Ely Roque Sagansay is not just another devotional book but this is the blessing of his devotion to our great God and Savior Jesus Christ As you read the inspiring messages from the Word of God read it thoughtfully and discover the overwhelming goodness grace and plan of God in your life The knowledge and the wisdom that you will learn from Mi Daily Devotion will lead you to a changed life May this book will lead you to a spiritual journey that will allow you to experience the hand of our loving God Pastor Ely you are a great blessing because your faith and passion is contagious God indeed is glorified in your life Reverend Jundy Bautista Married to Joy Tarectecan Bautista Pastor of Christian Church of Jersey City **Humorous Political Stunts** Majken Jul Sørensen,2015 A group of anti conscription activists break into a prison demanding to be jailed together with their friend already locked up because of his beliefs Clowns from the rebel clown army mimic police sent to control political protests Visiting Santas hand out presents taken from shop shelves without the approval of the shopping centre management These are examples of humorous political stunts public actions hoaxes and happenings that confront systems of power This book contains many amusing stories of such stunts showing the boldness and creativity of the activists Interviews and documents are used to show how humour can facilitate outreach mobilisation and a culture of resistance Humorous Political Stunts combines insights from the fields of nonviolence and humour studies and makes theoretical contributions to each area The Soul of C.S. Lewis Jerry Root,Wayne Martindale,Linda Washington,2010 Drawing inspiration from Lewis s fiction and nonfiction The Soul of C S Lewis is a devotional style book that encourages reflection and thought It includes 240 meditations designed for the reader s personal growth C S Lewis opened up more than just wardrobe doors he opened the doors to human experience new worlds of ideas and imaginative discoveries His honest observations about life highlight the interconnectedness of Scripture to real life and encourage a worldview that is integrated and harmonized *The Obama Question* Gary Dorrien,2012-02-16 The election of Barack Obama to the presidency in 2008 was hailed by many as a historic event and by some as the end of the Reagan era in American politics But conservatives have condemned Obama from the beginning of his presidency and many progressives charge that Obama has betrayed the causes that he espoused in 2008 This book offers a brilliant critique of Obama s presidency and a powerful case that progressives should not give up on Obama Gary Dorrien described by Princeton philosopher Cornel West as the preeminent social ethicist in North America today argues that Obama is a figure of protean irony and complexity Obama has been a bitter disappointment in many ways Dorrien contends yet Obama also has historic achievements to his credit that are too often discounted Dorrien emphasizes the importance of Obama s story to his career and devotes chapters to the economic crisis the health care reform debate war and foreign policy

banking regulation and the federal budget and the case for a progressive politics of the common good Ultimately Dorrien says the Obama question is whether or not Obama's presidency will mark the end of the Reagan era when giant corporations and the wealthy got whatever they wanted military budgets soared and American politics was ruled by the fantasy of tax cuts paying for themselves Dorrien argues that there is still time to redeem the hope of the 2008 election bringing an end to the Reagan era The Obama Question will stand as an insightful evaluation of a tumultuous presidency long after the next election has passed *Jerusalem and Babylon* Johannes van Oort, 2015-11-24 Although many studies have been devoted to Augustine's City of God and its most important theme viz the antithesis between the civitas Dei and the terrena civitas until now no consensus has been reached concerning the sources of this doctrine Was Augustine decisively influenced by Manichaeism by Neo Platonism the Stoa or Philo by the Donatist Tyconius Or should we look in another direction and refer to preceding Christian Jewish and especially to archaic Jewish Christian traditions This lucidly written book opens with a survey of the research carried out so far on the aim structure and central theme of the City of God Chapter 2 analyzes the essentials of Augustine's life of his City of God and of his doctrine of the two cities Making use of one of the recently discovered letters of Augustine in Chapter 3 the author describes the City of God as an apology and as a catechetical work Chapter 4 provides an investigation into the possible sources of Augustine's doctrine of the two cities in Manichaeism in Neo Platonism the Stoa and Philo and in the works of Tyconius The idea of two antithetical cities proves to be present most clearly in writings in which closely related to Jewish thinking archaic Christian concepts occupy an important place In a final chapter some pertinent remarks are made on Jewish and Jewish Christian influences on pre Augustinian Christianity in Africa **New York Magazine**, 1997-11-10 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Daily Graphic** Yaw Boadu-Ayebofoh, 2006-10-19 Be Loyal (Matthew) Warren W. Wiersbe, 2010-01-01 Matthew's gospel focuses on the Kingship of Christ that Jesus is Lord of Lords the Messiah the One promised by the prophets of old But a king is not born in a manger to a virgin peasant and a king is definitely not executed on a Roman cross is he Actually that's exactly the type of King God sent to the world While the Jews were looking for a political king to save them from Roman oppression God sent them and the rest of the world a different type of Savior one that would reconcile God's people to himself once for all Pastor author and Bible teacher Warren Wiersbe highlights significant cultural and historical aspects that arise in Matthew's gospel to paint for readers a clearer picture of this glorious unexpected but all satisfying King of Kings Los Angeles Magazine, 2005-10 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture
