Peaceful Guns:

Peaceful Neighbor Michael Long, 2015-03-13 Fred Rogers was one of the most radical pacifists of contemporary history. We do not usually think of him as radical partly because he wore colorful soft sweaters made by his mother. Nor do we usually imagine him as a pacifist that adjective seems way too political to describe the host of a children's program known for its focus on feelings. We have restricted Fred Rogers to the realm of entertainment children and feelings and we've ripped him out of his political and religious context. Rogers was an ordained Presbyterian minister and although he rarely shared his religious convictions on his program, he fervently believed in a God who accepts us as we are and who desires a world marked by peace and wholeness. With this progressive spirituality as his inspiration, Rogers used his children's program as a platform for sharing countercultural beliefs about caring nonviolently for one another, animals, and the earth. To critics who dared call him namby pamby, Rogers said, "Only people who take the time to see our work can begin to understand the depth of it. This is the invitation of *Peaceful Neighbor* to see and understand Rogers's convictions and their expression through his program. *Mister Rogers' Neighborhood* it turns out is far from sappy, sentimental, and shallow; it's a sharp political response to a civil and political society poised to kill."

[Our Peaceful Planet](#) Yasmin Davar, 2017-04-18 Transform yourself and transform the world. The steps you can take to positively shape your reality and then pay it forward. *Our Peaceful Planet* contains extraordinary ideas that have the power to transform lives and the planet. It is unique because it provides a practical healing framework for the whole world, starting at how people can change the beliefs that cause them to be destructive in their own lives and in their own world to the actions that they can take to create global peace and environmental and economic sustainability. *Our Peaceful Planet* shows how when each part of one person's world—beliefs, governance, environment, industries, economy—dynamically interacts, it affects the entire planet. It contains big ideas for world leaders and little ideas for everyday people because everyone has the power to make a difference to themselves and others and to the world. *Our Peaceful Planet* is a blueprint for the future in which everyone can play a role.

Silencing the Guns: Pathways to Sustainable Peace in Postcolonial Africa Seife Tadelle Kidane, 2025-09-08 This book interrogates the major challenges of postcolonial Africa that have hindered development, peace, and security. It advocates for different paths to secure peace and tranquillity, more specifically by employing indigenous knowledge systems and examines the sources of African military coups and their recurrence in political and other contexts and how to prevent their recurrence. The author conducts a multidisciplinary examination of postcolonial Africa's peace and security dynamics, providing readers with a nuanced understanding of the continent's challenges and opportunities in these critical areas. By synthesizing insights from political science, history, sociology, and international relations, they offer a holistic perspective that transcends conventional disciplinary boundaries. In the wake of decolonization, Africa emerged as a continent grappling with myriad challenges, particularly in the realms of peace and security. From colonial legacies to contemporary geopolitical dynamics, the journey towards stability has been fraught with

complexities and contradictions This book delves into these complexities offering a comprehensive exploration of the factors shaping Africa's peace and security landscape **Clear Creek** Don Ballew, 2010-11-15 This is a portrayal of two plebian families that lived far into the Appalachian Mountains The fiery Jasper Burnine family Caucasian and The Moon Clan Cherokee were across from the other on Clear Creek Surprisingly they became close The hot tempered Burnines became bitter over the ill treatment of the Moon clan The Moon the ex Cherokee warrior became an enraged madman Privately he declared war on those that came to molest his family The intruders that couldn't escape his wrath were left as food for the buzzards and foxes This book has a powerful story It is fast paced violent romantic bawdy hard bitten comical and haunting Life was hard in the mountains Half the children died young In the new nation there was little law enforcement so each family stayed on guard The time 1790 to 1840 was a time of crisis for the new nation called the United States of America Would it remain a nation The British were lurking waiting for an opening The Cherokees beaten in war saw their land taken as white people came to settle the new continent The Indians worried over this for years Would they have to move across the big river to the new country *Peace in Pieces* Peter O. Ireland's 1916 Rising Mark McCarthy,2016-05-06 In light of its upcoming centenary in 2016 the time seems ripe to ask why how and in what ways has memory of Ireland s 1916 Rising persisted over the decades In pursuing answers to these questions which are not only of historical concern but of contemporary political and cultural importance this book breaks new ground by offering a wide ranging exploration of the making and remembrance of the story of 1916 in modern times It draws together the interlocking dimensions of history making commemoration and heritage to reveal the Rising s undeniable influence upon modern Ireland s evolution both instantaneous and long term In addition to furnishing a history of the tumultuous events of Easter 1916 which rattled the British Empire s foundations and enthused independence movements elsewhere Ireland s 1916 Rising mainly concentrates on illuminating the evolving relationship between the Irish past and present In doing so it unearths the far reaching political impacts and deep seated cultural legacies of the actions taken by the rebels as evidenced by the most pivotal episodes in the Rising s commemoration and the myriad varieties of heritage associated with its memory This volume also presents a wider perspective on the ways in which conceptualisations of heritage culture and identity in Westernised societies are shaped by continuities and changes in politics society and economy In a topical conclusion the book examines the legacy of Queen Elizabeth II s visit to the Garden of Remembrance in 2011 and looks to the Rising s 100th anniversary by identifying the common ground that can be found in pluralist and reconciliatory approaches to remembrance

The Insurrection in Dublin James Stephens, 1917 The Easter Rising of April 1916 was an attempt by Irish nationalists to provoke a nationwide rebellion and thereby secure Ireland's independence from British rule In fighting that was largely confined to Dublin 60 insurgents and 130 troops and police were killed along with 300 civilians caught in the crossfire In the aftermath of the uprising the British executed another 15 conspirators including Sir Roger Casement a Protestant who had become an ardent Irish nationalist and who had sought to acquire weapons for the insurgents from Germany Britain's enemy in World War I underway at that time *The Insurrection in Dublin* is an account of the Easter Rising by the poet and novelist James Stephens 1882-1950 a leading figure in the Irish literary revival of the early 20th century and a supporter of Irish independence Stephens witnessed firsthand the events described in the book and many of those killed were his friends and colleagues The book begins with a strictly chronological account with seven successive chapters devoted to the events of Monday April 24 through Sunday April 30 The remaining five chapters deal with the ending of the insurrection the volunteers who took part in it its leaders the role of labor during the insurrection and *The Irish Questions* In this final chapter Stephens argues that there are two Irish questions an international question concerning the independence of the country and a national question relating to relations between Catholics and Protestants on the island The Easter Rising became a rallying point for Irish nationalists and eventually led to the Anglo Irish Treaty of December 1921 followed shortly after by establishment of the Irish Free State and the partition of Ireland The edition of *The Insurrection in Dublin* presented here was published in New York in 1916

"We Love Mr King" Anusorn Unno, 2018-10-04 This book is an ethnography of the Malay Muslims of Guba a pseudonymous village in Thailand's Deep South in the wake of the unrest that was primarily reinvigorated in 2004 It argues that the unrest is the effect of the way in which different forms of sovereignty converge around the residents of this region and the residents at the same time have cultivated themselves and obtained and enacted agency through the sovereigns Rather than asking why the violence is increasing and who is behind it like most scholarly works on the topic it examines how different forms of sovereignty ranging from the Thai state and the monarchy to Islamic religious movements the insurgents and local strongmen impose subjectivities on the residents how they have converged in so doing and what tensions have followed and how the residents have dealt with these tensions and cultivated themselves and obtained and enacted agency through the sovereigns The phrase *We Love Mr King* or *rao rak nay luang* inscribed on the decorated footed tray is one example of how the residents crafted themselves as royal subjects and enacted agency through

the sovereign monarch This book represents one of the very few locally focussed anthropological studies to be undertaken in Thailand's Muslim Malay border region since the upsurge in insurgent driven violence since 2004 Just as noteworthy the researcher is a Thai Buddhist who succeeded in establishing rapport with his Malay Muslim informants Unlike most journalistic and academic research in this field based on hit and run interviews Dr Anusorn's work is founded on sustained in situ observation and participation with the local residents of the hamlet of Guba in Yala Province Exploring a range of themes including local historical memory and place identification Islamic practices cultural rituals complex local rivalries and violence and interactions between villagers and military state officials and projects Anusorn skilfully highlights the co existence and tensions between different subjectivities in the context of the competing sovereignties that inform the world of the villagers of Guba Marc Askew author of *Performing Political Identity in Southern Thailand and Conspiracy Politics and a Disorderly Border* Minutes of Proceedings of the Institution of Civil Engineers ,1881
