

Peaceful Settlement of International Disputes

Peaceful Settlement Of International Disputes In Europe

Peter Hilpold

Peaceful Settlement Of International Disputes In Europe:

China-eu Trade Disputes And Their Management Qingjiang Kong, 2012-03-16 The European Union EU has now become the largest trade partner of China While Sino US trade relations and particularly the high profile trade disputes between the US and China get considerable academic attention for geopolitical reasons less research has been done on the Sino EU trade disputes that gradually loom large on the horizon This book delves into the trade disputes between China and the EU and identifies the causes for trade disputes It examines how the disputes will shape China EU trade relations and offers a macro overview on how the issues can be resolved or at least how they should be managed This timely book sheds light on Sino EU trade disputes putting these in global perspective and enriching the literature in this regard *International Law and the European Union* Jed Odermatt, 2021-10-21 The European Union plays a significant role in international affairs International Law and the European Union examines the impact this has had on public international law by integrating perspectives from both EU law and international law Its analysis focuses on fields of public international law where the EU has had an influence including customary international law the law of treaties international organizations international dispute settlement and international responsibility International Law and the European Union shows how the EU has had a subtle but significant impact on the development of international law and how the international legal order has developed and adjusted to accommodate the EU as a distinct legal actor In doing so it contributes to our understanding of how international law addresses legal subjects other than States **Akehurst's Modern Introduction to International Law** Peter Malanczuk, 2002-04-12 First published in 2002 Routledge is an imprint of Taylor Francis an informa company

International Law Jan Wouters, Cedric Ryngaert, Tom Ruys, Geert De Baere, 2018-12-13 This textbook offers for the first time a comprehensive analysis of the classic doctrines and main areas of international law from a European perspective meeting the needs of the many European law schools teaching public international law in English Special attention is devoted to the practice of the European Union the Council of Europe and European States both civil law and common law countries with regard to international law In particular the book analyses the interplay between international law EU law and national law in the case law of the Court of Justice of the EU the European Court of Human Rights and national jurisdictions in Europe It provides the reader with insights into how the international legal practice of the EU and its Member States impacts the development of international law both in terms of doctrines such as treaty making and customary law the exercise of extraterritorial jurisdiction state responsibility and the settlement of disputes as well as particular sub fields of international law such as human rights law and international economic law In addition the book covers other important areas such as the use of force and collective security the law of armed conflict and global and regional international organisations It provides European perspectives on all these issues and will be of great value to students scholars and practitioners The Oxford Handbook of Peaceful Change in International Relations T. V. Paul, Deborah Welch Larson, Harold A. Trinkunas, Anders

Wivel, Ralf Emmers, 2021-08-05 The discipline of international relations offers much insight into why violent power transitions occur yet there have been few substantive examinations of why and how peaceful changes happen in world politics This work is the first comprehensive treatment of that subject The Oxford Handbook of Peaceful Change in International Relations provides a thorough examination of research on the problem of change in the international arena and the reasons why change happens peacefully at times and at others violently It contains over forty chapters which examine the historical theoretical global regional and national foreign policy dimensions of peaceful change As the world enters a new round of power transition conflict involving a rapidly rising China and a relatively declining United States this Handbook provides a necessary resource for decisionmakers and scholars engaged in this vital area of research **Research Handbook on International Law and Peace**

Cecilia M. Bailliet, 2019 Peace is an elusive concept especially within the field of international law varying according to historical era and between contextual applications within different cultures institutions societies and academic traditions This Research Handbook responds to the gap created by the neglect of peace in international law scholarship Explaining the normative evolution of peace from the principles of peaceful co existence to the UN declaration on the right to peace this Research Handbook calls for the fortification of international institutions to facilitate the pursuit of sustainable peace as a public good Interactions Between EU Law and International Law

Tamás Molnár, Ramses A Wessel, 2024-10-03 Juxtaposing perspectives this insightful book brings together the various dimensions of the relationship between EU law and international law As the multifaceted interplay between these two legal orders has become increasingly complex with expanding EU policy areas and the development of the EU as a global normative actor this book offers a timely contribution to this important field of study **International Law and the Resolution of Central and East European P.**

Williams, 2000-07-18 This book takes an interdisciplinary approach to the question of what role international law plays in promoting a resolution of Central and East European transboundary environmental disputes The author examines a wide variety of environmental disputes in Central and Eastern Europe with particular emphasis on the Gabčíkovo Nagymaros Project dispute between Slovakia and Hungary and melds international legal theory and international relations theory to develop an analytic framework for understanding the role of law and assessing its future application **The European Union and Global Emergencies**

Antonis Antoniadis, Robert Schütze, Eleanor Spaventa, 2011-06-01 This collection of essays analyses the European Union's involvement in global emergencies from a law and policy perspective Bringing together leading academics and officials from the European Union institutions the book offers an expert account of the theoretical and practical issues the EU faces when dealing with global emergencies The subjects covered are highly topical and include the financial and debt crises regional security and the fight against terrorism public health and food scares human trafficking and energy security **Current International Law Issues**

Ove Bring, Said Mahmoudi, 2023-11-27 To pay homage to Professor Jerzy Sztucki upon his retirement from the chair in public international law in Uppsala University and to honour his

outstanding contributions to international law this book brings together an impressive collection of essays by eminent scholars from the Nordic countries and Poland The volume covers some of the most topical issues of international law from a mainly Nordic perspective The sheer quality of the contributions and the topicality of the subjects dealt with make this book an indispensable work in any international library

EU Law and International Investment Arbitration Michael De Boeck, 2022-07-04 The EU's participation in international dispute resolution mechanisms presents particular problems owing to its multilevel governance and its autonomy from international and national law The inclusion of foreign direct investment in the Common Commercial policy in the Treaty of Lisbon expanded those to investment arbitrations under Member States' BITs as the Court of Justice ruled in *Achmea* EU Law and International Investment Arbitration examines the impact of that inclusion beyond *Achmea* from the perspectives of international and EU law to the remaining extra EU BITs of the Member States and the Energy Charter Treaty

The Statute of the International Court of Justice Andreas Zimmermann, Christian Tomuschat, Karin Oellers-Frahm, Christian J. Tams, 2012-10-11 The International Court of Justice is the principal judicial organ of the United Nations and plays a central role in the settlement of disputes and the development of international law This commentary analyses the Statute of the Court and the related provisions of the UN charter and the Court's Rules of Procedure

Oppenheim's International Law: United Nations Rosalyn Higgins, Philippa Webb, Dapo Akande, Sandesh Sivakumaran, James Sloan, 2018-12-13 The United Nations whose specialized agencies were the subject of an Appendix to the 1958 edition of *Oppenheim's International Law* Peace has expanded beyond all recognition since its founding in 1945 This volume represents a study that is entirely new but prepared in the way that has become so familiar over succeeding editions of *Oppenheim* An authoritative and comprehensive study of the United Nations legal practice this volume covers the formal structures of the UN as it has expanded over the years and all that this complex organization does All substantive issues are addressed in separate sections including among others the responsibilities of the UN financing immunities human rights preventing armed conflicts and peacekeeping and judicial matters In examining the evolving structures and ever expanding work of the United Nations this volume follows the long held tradition of *Oppenheim* by presenting facts uncoloured by personal opinion in a succinct text that also offers in the footnotes a wealth of information and ideas to be explored It is a book that while making all necessary reference to the Charter the Statute of the International Court of Justice and other legal instruments tells of the realities of the legal issues as they arise in the day to day practice of the United Nations Missions to the UN Ministries of Foreign Affairs practitioners of international law academics and students will all find this book to be vital in their understanding of the workings of the legal practice of the UN Research for this publication was made possible by The Balzan Prize which was awarded to Rosalyn Higgins in 2007 by the International Balzan Foundation

The EU's Role in Global Governance Bart Van Vooren, Steven Blockmans, Jan Wouters, 2013-01-17 The rise to power of such countries as China and Brazil as well as the EU sovereign debt crisis have deeply affected the capacity of the EU to influence global

realities This book brings together prominent legal scholars and practitioners to investigate the extent to which the EU can shape this on going re orientation of the international scene [Survey of International Arbitrations 1794-1989 A.M. Stuyt,2024-12-16](#) *European International Law Traditions* Peter Hilpold,2020-11-20 International Law is usually considered at least initially to be a unitary legal order that is not subject to different national approaches Ex definition it should be an order that transcends the national and one that merges national perspectives into a higher understanding of law It gains broad recognition precisely because it gives expression to a common consensus transcending national positions The reality however is quite different Individual countries approaches to International Law and the meanings attached to different concepts often diverge considerably The result is a lack of comprehension that can ultimately lead to outright conflicts In this book several renowned international lawyers engage in an enquiry directed at sorting out how different European nations have contributed to the development of International Law and how various national approaches to International Law differ In doing so their goal is to promote a better understanding of theory and practice in International Law divChapter What Are and to What Avail Do We Study European International Law Traditions is available open access under a Creative Commons Attribution 4 0 International License via link [springer com](#) [China and International Dispute Resolution in the Context of the 'Belt and Road Initiative'](#) Wenhua Shan,Sheng Zhang,Jinyuan Su,2021-02-18 Written by eminent international judges scholars and practitioners this book offers a timely study of China s role in international dispute resolution in the context of the construction of the Belt and Road Initiative BRI It provides in depth analysis of the law and practice in the fields of international trade commerce investment and international law of the sea as they relate to the BRI construction It is the first comprehensive assessment of China s policy and practice in international dispute resolution in general and in individual fields in the context of the BRI construction This book will be an indispensable reading for scholars and practitioners with interest in China and international dispute resolution It also constitutes an invaluable reference for anyone interested in the changing international law and order in which China is playing an increasingly significant role particularly through the BRI construction *European Yearbook / Annuaire Europeen 1965* Council of Europe/Conseil de L'Europe,1967-07-01 The European Yearbook promotes the scientific study of nineteen European supranational organisations and the Organisation for Economic Co operation and Development OECD Each volume contains a detailed survey of the history structure and yearly activities of each organisation and an up to date chart providing a clear overview of the member states of each organisation Each volume contains a comprehensive bibliography covering the year s relevant publications [Litigating International Law Disputes](#) Natalie Klein,2014-04-10 Litigating International Law Disputes provides a fresh understanding of why states resort to international adjudication or arbitration to resolve international law disputes A group of leading scholars and practitioners discern the reasons for the use of international litigation and other modes of dispute settlement by examining various substantive areas of international law such as human rights trade environment maritime

boundaries territorial sovereignty and investment law as well as considering case studies from particular countries and regions The chapters also canvass the roles of international lawyers NGOs and private actors as well as the political dynamics of disputes and identify emergent trends in dispute settlement for different areas of international law *The European Court of Justice and International Courts* Tobias Lock, 2015 The Court of Justice of the European Union holds exclusive jurisdiction that extends to many international treaties which can result in conflict of interpretation This book compares the relationship of the Court of Justice to other courts and treaties and examines how conflict of interpretation is largely avoided
