Peacemaking Circles From Crime To Community Paperback:

Peacemaking Circles Kay Pranis, Barry Stuart, Mark Wedge, 2013 **Peacemaking Circles** Kay Pranis, Barry Stuart, Mark Wedge, 2003 Peacemaking Circles often referred to as the bible of Circles lays out the inner and outer dynamics of the peacemaking Circle process Circles are now being used in schools families workplaces organizations as well as in the justice system The use of Circles shifts the focus from blame and punishment to finding out what happened and exploring as a group or community how to put things right Little Book of Circle Processes Kay Pranis, 2015-01-27 Our ancestors gathered around a fire in a circle families gather around their kitchen tables in circles and now we are gathering in circles as communities to solve problems The practice draws on the ancient Native American tradition of a talking piece Peacemaking Circles are used in neighborhoods to provide support for those harmed by crime and to decide sentences for those who commit crime in schools to create positive classroom climates and resolve behavior problems in the workplace to deal with conflict and in social services to develop more organic support systems for people struggling to get their lives together A title in The Little Books of Justice and Peacebuilding Series Circle in the Square: Building Community and Repairing Harm in School Nancy Riestenberg, 2013-11 *The Energy of Forgiveness* Mark S. Umbreit, Jennifer Blevins, Ted Lewis, 2015-07-15 Forgiveness is a profound life changing experience for many people who have been hurt by others But forgiveness is paradoxical in that if one relies on forgiveness language or if others prescribe it as an expectation the depth of that experience can be significantly compromised By the same token many people experience deep forgiveness without ever using the language of forgiveness Most of the stories in this book testify to how forgiveness is experienced primarily as an inner unburdening of negative emotions a process that is aided by safe facilitated dialogue with the offending party New research on the benefits of forgiveness is on the rise these days yet there is often little narrative to show the power of forgiveness The authors present more than twelve case studies that led up to restorative dialogue processes where parties chose to meet together Whether the case involves the murder of a loved one a burglary or the buildup of workplace tensions a common pattern emerges as both parties encounter the true humanity of the other person the negative energy stemming from the offense is transformed into a positive energy that gives both parties a deep inner peace and new freedom **The Business of War** James McCarty, Matthew Tapie, Justin Bronson Barringer, 2020-10-01 The Business of War incisively interrogates the development and contemporary implications of the military industrial complex It exposes the moral dangers of life in neoliberal economies dependent upon war making for their growth and brings the Christian tradition s abundance of resources into conversation with this phenomenon In doing so the authors invite us to rethink the moral possibilities of Christian life in the present day with an eye toward faithful resistance to the business of war and its influence in every aspect of our lives In combining biblical historical theological and ethical analyses of the business of war the authors invite us to better understand it as a new moral problem that demands a new faithful response With contributions from Pamela Brubaker

Justice That Transforms, Volume One Wayne Northey,2020-01-09 Restorative Justice was a term and concept largely unused before the mid 1970s Wayne Northey happened to be in on the ground floor of facilitating its worldwide adoption as a challenge to Western retributive justice systems ultimately to violent responses to conflict domestically and internationally The most replicated early model of Restorative Justice based on the well known Elmira Case was a Canadian first initially dubbed Victim Offender Reconciliation Project VORP The author became its second director in 1977 The term mediation later displaced the more religious word reconciliation as the model spread outside Christian moorings and program displaced the initially more tentative project At seminary Northey had learned to think through one s vocation theologically He began in that vein writing and publishing on this profound call for a systemic paradigm shift and has been at it ever since This publication is volume 1 of a series of his collected writings of which two additional volumes may be found online Two or three further volumes are projected

Trauma-Informed Juvenile Justice in the United States Judah Oudshoorn,2016-08-23 Most youth who come in conflict with the law have experienced some form of trauma yet many justice professionals are ill equipped to deal with the effects trauma has on youth and instead reinforce a system that further traumatizes young offenders while ignoring the needs of victims By taking a trauma informed perspective this text provides a much needed alternative one that allows for interventions based on principles of healing and restorative justice rather than on punishment and risk assessment In addition to providing a comprehensive historical overview of youth justice in Canada Judah Oudshoorn addresses the context of youth offending by examining both individual trauma including its emotional cognitive and behavioural effects and collective trauma The author tackles some of the most difficult problems facing youth justice today especially the ongoing cycles of intergenerational trauma caused by the colonization of Indigenous peoples and patriarchal violence and demonstrates how a trauma informed approach to youth justice can work toward preventing crime and healing offenders victims and communities Featuring a foreword written by Howard Zehr case stories from the author s own work with victims and offenders questions for reflection and annotated lists of recommended readings this engaging text is the perfect resource for college and university students in the field of youth justice

Working in Circles in Primary and Secondary Classrooms Marg Armstrong,David Vinegrad,2023-02-01 First published in 2014 this book is a comprehensive manual for anyone wishing to use the circle in their classroom for community building social skills democratic

decision making or just having fun together as a class It is a complete guide saving valuable time in searching for a collection of fun games or resources suitable for primary or secondary classrooms The manual covers the reasons benefits and methodology of using circles in classrooms the ways they can be used and many examples of circle sessions for both primary and secondary classrooms Circles in schools can build and create a sense of belonging trust loyalty and community mindedness Using circles in classrooms as described in this manual can create democratic classrooms where real learning occurs in safe supportive spaces

The Big Book of Restorative Justice Howard Zehr, Allan MacRae, Kay Pranis, Lorraine Stutzman Amstutz, 2022-02-15 The four most popular restorative justice books in the Justice Peacebuilding series The Little Book of Restorative Justice Revised and Updated The Little Book of Victim Offender Conferencing The Little Book of Family Group Conferences and The Little Book of Circle Processes in one affordable volume And now with a new foreword from Howard Zehr one of the founders of restorative justice Restorative justice with its emphasis on identifying the justice needs of everyone involved in a crime is a worldwide movement of growing influence that is helping victims and communities heal while holding criminals accountable for their actions This is not a soft on crime feel good philosophy but rather a concrete effort to bring justice and healing to everyone involved in a crime Circle processes draw from the Native American tradition of gathering in a circle to solve problems as a community Peacemaking circles are used in neighborhoods in schools in the workplace and in social services to support victims of all kinds resolve behavior problems and create positive climates Each book is written by a scholar at the forefront of these movements making this important reading for classrooms community leaders and anyone involved with conflict resolution

Peacebuilding, Memory and Reconciliation Bruno Charbonneau, Genevieve Parent, 2013-06-17 This book aims to bridge the gap between what are generally referred to as top down and bottom up approaches to peacebuilding After the experience of a physical and psychological trauma the period of individual healing and recovery is intertwined with political and social reconciliation The prospects for social and political reconciliation are undermined when a top down approach is favoured over the bottom up strategy the prioritization of structural stability over societal well being Peacebuilding Memory and Reconciliation explores the inextricable link between psychological recovery and socio political reconciliation and the political issues that dominate this relationship Through an examination of the construction of social narratives about or for peace the text offers a new perspective on peacebuilding which challenges and questions the very nature of the dichotomy between top down and bottom up approaches This book will be of much interest to students of peacebuilding peace and conflict studies social psychology political science and IR in general
