Peacemaking in a Divided Society Sasson Sofer, 2014-06-03 This is an interdisciplinary study of Israeli society in one of the defining moments in the history of Israel The contributors discuss the critical aspects of the political order economics the military the role of the media and legal reform that are shaping a new Israel *Peacemaking in a Divided Society* Sasson Sofer, 2014-06-03 This is an interdisciplinary study of Israeli society in one of the defining moments in the history of Israel The contributors discuss the critical aspects of the political order economics the military the role of the media and legal reform that are shaping a new Israel **Israeli Peacemaking Since 1967** Galia Golan, 2014-09-15 Examining the Israeli Arab conflict as an intractable conflict Israeli Peacemaking since 1967 seeks to determine just which factors or combination of factors impacted on Israel's position in past peace making efforts possibly accounting for breakthroughs or failures to reach agreement From King Hussein's little known overtures immediately after the Six Day War through President Sadat's futile efforts to avoid war in the early 1970s to repeated third party mediated talks with Syria factors including deep seated mistrust leadership style and domestic political spoilers contributed to failures even as public opinion and international circumstances may have been favourable How these and other factors intervened changed or were handled allowing for the few breakthroughs with Egypt and Jordan or the near breakthrough of the Annapolis process with the Palestinians provides not only an understanding of the past but possible keys for future Israeli Arab peace efforts Employing extensive use of archival material as well as interviews and thorough research of available sources this book provides insight on just which factors or combination of factors account for breakthroughs or failures to reach agreement a framework useful for examining both the Israeli Arab conflict and intractable conflicts in general **H.V. Evatt and the Establishment of Israel** Daniel Mandel, 2004 This book provides a valuable study of Evatt the Zionist as well as illuminating a fascinating political figure

*Developments in Israeli Public Administration* Moshe Maor, 2014-02-25 The Israeli History Politics and Society series comprises multidisciplinary studies that range from elections and the Yom Kippur war to the search for a true Israeli identity and the various initiatives to foment or prevent the peace process This volume brings together a set of articles that try to estimate the direction of developments in Israeli public administration whether ministries will remain under the ambit of the Weberian model follow the New Public Management model or move towards a mix of the two Each essay focuses on a specific factor which may inhibit reforms such as the weakness of mechanisms for policy control monitoring and evaluation lack of coordination between the different ministries lack of effective accountability mechanisms an administrative culture that is characterized by frequent infringements of moral integrity a high level of politicization and a Supreme Court which plays a paramount role by routinely intervening in the practices of public administration as well as in the business of other governmental and non governmental institutions Each article probes how these distinctive features of Israeli public administration reflect underlying traits of the nation's history culture and geography and gauges the extent to which formal

structures provide an indication of how policy making and programme implementation really operate **Global Politics**

Abraham Ben-Zvi, Aharon Klieman, 2016-01-20 The essays in this volume discuss and assess the philosophies and writings of Professor David Vital They aim to develop his work within modern diplomacy issues relating to modern Jewish history and within the State of Israel and its conduct of foreign relations **Israeli Identity** Lilly Weissbrod, 2014-05-22 This thoroughly researched book reveals the true identity of the modern Israeli Israelis are unique in having changed their identity three times in only one hundred years Written in a user friendly style the book will appeal to scholars and students of the Middle East *Trapped Fools* Shlomo Gazit, 2004-11-23 Based upon the author's own experiences this study explores the Israeli government's attitude to the West Bank and Gaza over a period of 30 years The fools in the book's title refers not only to the Arabs who rejected Israeli peace offers but to the Israelis themselves **Green Crescent Over Nazareth** Raphael Israeli, 2014-04-08 This is the story of the cultural and political struggle between Christians and Muslims and of the rapid Islamicization of Nazareth the birthplace of Christianity ironically under the rule of the Jewish State of Israel *Ben-Gurion Against the Knesset* Giora Goldberg, 2004-02-19 The power struggle between Ben Gurion and the Knesset was not primarily concerned with who should hold the reins of power but with the ideals that should lie behind government Ben Gurion did not think that the Knesset had the moral backbone required at a historic turning point in Israeli history when the character of the nation was being developed although he conceded that it was capable of dealing with the more mundane administrative tasks He therefore denied the Knesset the right to take part in the policy making process caused a decline in the support of the elite and the general public encouraged partisanship and endeavored to reduce competitiveness Ben Gurion was so dismissive of the Knesset and its members that he would not even attend parties at which Knesset members were being given awards **Zionist Israel and Apartheid South Africa** Amneh Badran, 2009-09-10 This book is a comparison of two ethnic national apartheid states South Africa and Israel which have been in conflict and how internal dissent has developed In particular it examines the evolution of effective white protest in South Africa and explores the reasons why comparably powerful movements have not emerged in Israel The book reveals patterns of behaviour shared by groups in both cases It argues that although the role played by protest groups in peace building may be limited a tipping point or magic point can become as significant as other major factors It highlights the role played by intermediate variables that affect the pathways of protest groups such as changes in the international system the visions and strategies of resistance movements and their degree of success the economic relationship between the dominant and dominated side and the legitimacy of the ideology in power apartheid or Zionism Although the politics and roles of protest groups in both cases share some similarities differences remain Whilst white protest groups moved towards an inclusive peace agenda that adopts the ANC vision of a united non racial democratic South Africa the Jewish Israeli protest groups are still by majority entrenched in their support for an exclusive Jewish state And as such they support separation between the two peoples and a limited division of

mandatory Palestine Eretz Israel This timely book sheds light on a controversial and explosive political issue Israel being compared to apartheid South Africa Israel at the Polls 1999 Daniel J. Elazar, M. Ben Molloy, 2020-04-03 The 1999 Israeli elections focused on the character of the main political contenders for prime minister Binyamin Netanyahu and Ehud Barak Along with Barak's victory the Israeli public made important statements concerning the shape and direction of Israeli political culture with a hope of a centrist vision Leading Israeli political scientists discuss the revival of the Israeli left and the increased strength of ethnic Sephardi Russian and Arab electorates They also examine the place of foreign policy media and other socio economic factors on the outcome of the election **Israeli-Egyptian Relations, 1980-2000** Ephraim Dowek, 2016-09-17 A memoir by former diplomat Ephraim Dowek which provides a comprehensive study of the relations between Egypt and Israel from peace until the present day This is an informative account of the author's time in Egypt as a high level Israeli diplomat he was eventually appointed Ambassador and as a senior participant in a vital and important aspect of Arab Israeli relations in the modern era providing a personal insight into the period when Egypt and Israel entered into an era of peace **Public Policy in Israel** David Nachmias, Gila Menahem, 2016-02-17 An examination of the current Israeli government covering public policies such as health housing and transport The volume covers the institutional as well as the political and the bureaucratic framework within which public policies have been made and implemented **Israel, the Hashemites, and the Palestinians** Efraim Karsh, P. R. Kumaraswamy, 2003 The essays that make up this study provide a wide ranging survey of the special relationship that exists between the Israelis and the Hashemite family This relationship is shown to have far reaching implications for Middle Eastern affairs Historical Dictionary of the Arab-Israeli Conflict P R Kumaraswamy, 2015-10-08 Competing Jewish and Arab national claims over the Holy Land form the core of the Arab Israeli conflict thereby transforming it into the most intensely fought struggles in the history of humanity The conflict evokes unparalleled passion and hostility not only among its immediate participants and neighbors but also in the wider international community The involvement of three principal monotheistic religions makes the conflict a truly universal contestation As a result it often contributes to bouts of violence turmoil and terrorism in the Middle East and beyond This second edition of Historical Dictionary of the Arab Israeli Conflict covers the history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 600 cross referenced entries important events key personalities official positions of principal states and the UN and other efforts to find a peaceful settlement This book is an excellent access point for students researchers and anyone wanting to know more about this conflict **The A to Z of the Arab-Israeli Conflict** P R Kumaraswamy, 2009-07-24 For over a century the conflict between the Arabs and Jews has remained the most intractable problem confronting the world Hardly a day passes that the Arab Israeli Conflict is not headlined in the media It has turned the Arabs and Israelis against one another and embittered relations within the two communities while drawing the rest of the world into the circle of disruption The A to Z of the Arab Israeli Conflict provides

factual background through an introductory essay a chronology a bibliography and hundreds of cross referenced dictionary entries on the more significant persons places and events including the various wars and negotiations The history religion culture and archeology that this rivalry has sparked between the Arabs and Israelis over the same piece of territory is traced in this book which offers the essential details using neutral terms and thereby allowing readers to draw conclusions for themselves     The Israeli Palestinians Alexander Bligh,2004-08-02 This edited collection offers a comprehensive analysis of the most significant factors to have contributed to the current relations between Israel s Jewish and Arab citizens     **The Conscience of Lebanon** Mordechai Nisan,2004-08-02 This work is a combination of an account of Lebanese personality Etienne Sakr with a penetrating analysis of the historical and religious contours of Lebanon     Israel's National Security Efraim Inbar,2007-12-21 This volume presents a comprehensive analysis of Israel s security challenges since the 1973 October War Efraim Inbar takes the reader on a historical journey through Israel s relations in the Middle East that begins with an analysis of Israel s strategic thinking after 1973 and ends with an important look at the recent Second Lebanese War and the Iranian nuclear challenge Israel s National Security delves not only into Israel s responses but also its relationships in the international community providing a complete picture of how Israel s strategic environment has evolved over time Relevant to today s current political atmosphere the volume dissects the influences of the growing appeal of Islamic extremism on the peace process Israel strategic partnerships with India and Turkey and Israel s relations with the Palestinians
