Peak Sexual Experience:

Women Who Love Sex Gina Ogden, 2007-09-11 Wonderful sex does more than melt both body and soul it brings power energy and deep satisfaction to all aspects of our lives In this unique book women who consider themselves highly sexually responsive talk in intimate detail about what gives them the greatest pleasure They redefine sex based on how women really experience sexual pleasure confirming what every woman knows instinctively while creating a new language that every woman will understand Based on extensive one on one interviews conducted by Dr Ogden with hundreds of women this thought provoking wise and unprecedented book transforms how we view sex by giving us new ways to think about sexual pleasure To learn more about the author Gina Ogden go to www.ginaogden.com *Women's Sexual Experience* Martha Kirkpatrick, 2012-12-06 This book like its companion volume *Women's Sexual Development* is a potpourri of ideas not campaign literature to promote a particular point of view The editor agrees with some of her authors and strongly disagrees with others The facts are few the questions many The intent of both books is to evoke questions delay convictions invite controversy and plead for opening minds The examination and explanation of women's sexual experience has long been the province of men The is and the oughts have been hopelessly confused by the investigators or exhorters biases and limited experience as well as by the use of the male sexual experience as the model for all human sexual experience Women at long last are talking not only to each other in personal journals and letters but also in the more formal worlds of academic and scientific publications The papers in this book come from many sources Some are academic some are experiential journalistic or personal Several emphasize the lack of adequate research and data but address an issue that is just appearing on the surface of contemporary controversy and concern Many topics and sources of information are missing

Sex-Positive Social Work SJ Dodd, 2020-06-30 Social workers engage with sex and sexuality in all kinds of practice settings and with a variety of client populations However conversations about healthy sexuality and sexual well being are all but absent from social work literature education and practice Many social work professionals have internalized sociocultural taboos about talking about sexuality and tend to avoid the topic in their practice This book provides an overview of key sexuality related topics for social workers from a sex positive perspective which encourages agency in sexual decision making and embraces consensual sexual activity as healthy and to be enjoyed without stigma or shame It discusses a wide range of topics including physiology sexual and gender identity sex in older adulthood BDSM and kink nonmonogamous and polyamorous relationships and ethical considerations including erotic transference The book is designed to embolden social workers to engage discussions of sexuality with clients and to provide an opportunity for self reflection and professional growth Accessible to students as well as social workers and mental health professionals at all levels *Sex Positive Social Work* emphasizes the relationship between sexual well being and overall well being giving social workers the tools to approach sex and sexuality actively and positively with clients **Handbook of Sexuality-Related Measures** Clive M. Davis, 1998

Fundamental to understanding human sexual expression is reliable and valid measurement and assessment. Many instruments have been developed to measure a myriad of sexuality related states, traits, behaviours and outcomes. Few are easily accessible and the information is often limited concerning appropriate use and psychometric properties. To counter these problems, the Handbook of Sexuality Related Measures reproduces more than 200 instruments accompanied by essential information for their use in research, educational and clinical settings. Each chapter describes the development and appropriate use of each instrument. Reliability and validity data are summarized and referenced.

Magnificent Sex Peggy Kleinplatz, A. Ménard, 2020-03-10 Winner of the 2021 SSTAR Consumer Book Award. What makes sex magnificent? What are the qualities of extraordinary erotic intimacy and what are the elements that help to bring it about? Is great sex the stuff that people remember nostalgically from the honeymoon phase of their relationships or can sex improve over time? *Magnificent Sex* is based on the largest in depth interview study ever conducted with people who are having extraordinary sex. It gathers the nuggets for remarkable sex from the experts, distilling them into an attainable blueprint for ordinary lovers who want to make erotic intimacy grow over the course of a lifetime. Looking at factors including individual and relational qualities, empathic communication and the myths and realities of magnificent sex, this book offers accessible and evidence based guidance for lovers and therapists alike. It is replete with frank and often humorous interviews with straight and LGBTQ individuals and couples, those who are vanilla and kinky, monogamous and consensually non monogamous, and healthy and chronically ill. This illuminating book explores the implications of the findings to develop a model that effectively tackles the common problems of low desire and frequency. The cure for low desire is to create desirable sex.

Women and Sex Therapy Ellen Cole, Esther D Rothblum, 2014-03-18 Outstanding feminist scholars present seldom discussed women's views of sexuality. In the past, there has been little feminist discussion among sexuality professionals and between feminist therapists and sex therapists. The valuable ideas expressed by the contributors to this book are aimed at increasing the possibilities for all therapists and counselors to discuss with their clients the nature of sexuality and in particular what women feel about sex. Professionals provide remarkable perspectives on issues that concern all women: orgasm, the double standard, new reproductive options, intimacy, bisexuality and more.

The Essential Handbook of Women's Sexuality Donna Marie Castañeda, 2013-01-24 This cutting edge two volume set with contributions by distinguished and internationally recognized scholars provides a comprehensive picture of contemporary issues in the field of women's sexuality, emphasizing women's diversity and international perspectives. The multifaceted field of women's sexuality has expanded as a field of inquiry over the last 25 years to encompass a wide range of new perspectives, theories, topics, findings and controversies. The chapters in this work review and question the utility of standard sexuality frameworks, addressing purely biological models, heteronormative definitions of sexuality and others, and provide new insights and approaches to understanding women's sexuality. The intersectional and contextual nature of women's sexuality and how it is inextricably connected to women's

relational social economic and cultural contexts is highlighted The Essential Handbook of Women s Sexuality includes in depth coverage of a wide range of women s sexuality topics including sexual desire and satisfaction sexuality in relationships development across the lifespan sexuality concerns in diverse countries pornography lesbian bisexual and transgender women women from diverse backgrounds health and sexuality reconceptualizations of women s sexual problems trauma rape and intimate partner violence and mental health and therapy These volumes can serve as a resource for students researchers and anyone seeking a greater understanding of women s sexuality

The Essential Works of U. G. Krishnamurti U. G. Krishnamurti,2023-11-13 In The Essential Works of U G Krishnamurti the author presents a profound exploration of self inquiry and existential inquiry that delves deeply into the nature of thought perception and human existence Written in a conversational and aphoristic style this collection distills key concepts from Krishnamurti s teachings encouraging readers to question established norms and the conditioning of mind By eschewing traditional philosophical frameworks Krishnamurti invites one to navigate the intricacies of liberation from societal and psychological constraints resonating deeply within the context of modern existential thought and Eastern spiritual traditions U G Krishnamurti often referred to simply as U G was an enigmatic figure whose personal journey from orthodox Brahmin to a radical spiritual teacher shaped his unique perspective on life His rejection of conventional spirituality and dogma stemmed from a transformative experience he termed calamity which radically altered his understanding of selfhood and enlightenment This backdrop coupled with a rich intellectual engagement with contemporaries positioned him to challenge and provoke readers to reconsider their beliefs For readers seeking clarity on the intricate relationship between perception and reality The Essential Works of U G Krishnamurti is an indispensable guide It offers not only insights into the nature of suffering and the illusion of individuality but also ignites a transformative dialogue within the self Krishnamurti s work is a must read for anyone interested in philosophical inquiry and the pursuit of genuine freedom

U. G. Krishnamurti: Collected Works U. G. Krishnamurti,2023-12-28 U G Krishnamurti Collected Works presents an enlightening compilation of the radical and often controversial thoughts of U G Krishnamurti a philosopher known for his unconventional views on enlightenment and the nature of reality This compilation showcases a diverse range of writings dialogues and spontaneous discourses that embody his unique literary style marked by striking clarity and existential immediacy Set against the backdrop of 20th century philosophical discourse this work challenges traditional paradigms of spirituality and self realization encouraging readers to question established beliefs and explore the depths of their own consciousness U G Krishnamurti often referred to as the non guru emerged from a background steeped in both traditional Indian philosophy and Western thought His encounters with various thinkers as well as his personal struggle for authenticity profoundly influenced his perspective on the human condition Rejecting the notion of spiritual hierarchy and the pursuit of enlightenment U G proposed a radical approach to existence that places emphasis on the raw experience of life unencumbered by societal constructs This collection is essential for those seeking a deep

transformative exploration of consciousness as well as for readers interested in philosophical inquiry U G Krishnamurti's work serves as both a provocative challenge to conventional spiritual wisdom and an invitation to engage with the untamed essence of being

The Teachings of U. G. Krishnamurti U. G. Krishnamurti, 2023-12-14 In *The Teachings of U G Krishnamurti* the author invites readers into the provocative discourse surrounding self inquiry and the nature of enlightenment The book eschews traditional philosophical frameworks presenting instead a raw and unfiltered exploration of Krishnamurti's experiences and insights Written in a clear conversational style it challenges deeply held assumptions about consciousness belief systems and the pursuit of spiritual awakening Its relevance resonates within contemporary dialogues on spirituality distilling complex ideas into accessible narratives that illuminate the often baffling quest for self understanding U G Krishnamurti was an influential thinker known for his radical rejection of established spiritual practices and norms Born into a traditional Indian family his early life was steeped in cultural and philosophical inquiry Following a profound personal transformation he devoted his life to sharing his unique perspective on enlightenment one that prioritizes direct experience over theoretical knowledge His teachings while controversial draw from a rich tapestry of Eastern philosophy and modern existential thought making them pertinent to anyone grappling with the labyrinth of self identity This book is recommended for readers seeking a profound yet unorthodox perspective on spirituality that challenges the status quo Krishnamurti's work is for those ready to embark on a transformative journey providing invaluable insights into the nature of thought and existence Immerse yourself in a text that confronts convention and inspires authentic self exploration

The Collected Works U. G. Krishnamurti, 2023-11-22 In *The Collected Works* U G Krishnamurti presents a profound exploration of consciousness and self identity weaving together reflections that challenge conventional spiritual paradigms His unconventional literary style marked by a conversational yet incisive tone compels readers to confront their preconceived notions of enlightenment and personal awakening The collection encapsulates a wide array of thought provoking essays dialogues and teachings all of which reflect Krishnamurti's unique stance against traditional philosophical systems and his emphasis on direct experience over dogmatic belief Krishnamurti often seen as a maverick in spiritual circles was deeply influenced by his own transformative experiences and a divergence from societal norms His disavowal of the guru disciple framework illustrates his belief that true liberation comes from within Having traveled extensively and engaged with diverse thinkers his insights emerge from a life lived authentically marked by an insistence on the importance of inquiry and observation For readers seeking to deepen their understanding of consciousness and to question the very foundations of their beliefs *The Collected Works* stands as an essential text It serves not only as a provocative journey into the nature of existence but also as an invitation to engage with the profound questions that lie at the heart of human experience

The Iconic Works of U. G. Krishnamurti U. G. Krishnamurti, 2023-12-22 In *The Iconic Works of U G Krishnamurti* readers are invited into a profound exploration of consciousness and self liberation encapsulating the radical ideas of one of the 20th century's

most intriguing thinkers Krishnamurti's literary style is marked by a conversational yet piercing prose that seeks to dismantle conventional spirituality and philosophical constructs urging readers to experience truth beyond dogma. The book delves into his core teachings characterized by an emphasis on direct experience rather than inherited beliefs which situates his work within the broader context of existential thought and non-duality. U. G. Krishnamurti, an Indian philosopher often regarded as the anti-guru, lived a life steeped in the tension between tradition and individual insight. His past as a seeker coupled with profound personal revelations shaped his disdain for rituals and authority in spirituality. His journey moving through various cultural landscapes and intellectual terrains led him to articulate a philosophy that challenges the status quo and encourages radical personal introspection. For those seeking liberation from societal constraints and an authentic awakening, *The Iconic Works of U. G. Krishnamurti* serves not just as a philosophical text but as an experiential guide. This book is highly recommended for spiritual seekers, philosophers, and anyone interested in breaking free from preconceived notions of existence.

No Way Out J. S. L. R. Narayana Moorthy, Antony Paul Frank Noronha, 2005-06 Aims to show that political institutions and ideologies are the warty outgrowth of the religious thinking of the man in a way responsible for the tragedy of mankind. This book also attempts to show that we are slaves to our ideas and beliefs and torture ourselves in the hope of achieving something.

Couple Therapy Len Sperry, Paul Peluso, 2018-10-09 This new edition of *Couples Therapy* tackles four challenges currently facing the field: 1. accountability and the increasing demands for demonstrating effectiveness as a condition for reimbursement; 2. the need for practitioners to reconfigure their practice patterns in an ever-involving health care system; 3. training mental health practitioners who have not completed marital and family therapy MFT programs; and 4. integrating new couples approaches and interventions into everyday clinical practice. The book offers a focused vision and successful strategies for working effectively with couples both today and tomorrow. It incorporates the best insights from the neurosciences as well as new couples theories, research, and evidence-based interventions, introducing approaches including psychoanalytic, systemic, cognitive-behavioral, Adlerian, constructivist, third-wave, integrative, and mindfulness-based. Chapters also present practical applications and professional considerations with a comprehensive look at how to work with diverse issues in couples therapy such as substance abuse, domestic violence, sexual dysfunction, infidelity, aging, and much more. This third edition of *Couples Therapy* is an essential resource for students as well as mental health practitioners, social workers, and family counselors who are keen to better meet the needs of couples and the demands of the changing healthcare landscape.

No Way Out U. G. Krishnamurti, 2022-01-04 Whatever you experience has already been experienced by someone else. Your telling yourself, "Ah, I am in a blissful state," means that someone else before you has experienced that and has passed it on to you. Whatever may be the nature of the medium through which you experience it is a second-hand, third-hand, and last-hand experience. It is not yours. There is no such thing as your own experience. Such experiences, however extraordinary, aren't worth a thing.
