McMaster, 2015-01-20 Science without religion is lame Religion without science is blind Albert Einstein Science offers wonderful tools to investigate the world but the world of the Spirit defies rigorous study Christianity offers hope for the future and salvation after our death How does a scientist accept something that cannot be studied with the techniques of his training How do we unite these apparently incompatible views of the world around us into a single system of living Science and Religion are both based on belief in something Science believes in cause and effect that there is logic to the things that happen in the world Christianity believes that God created the world and he has a plan for what happens in it Atheism and agnosticism leaves us bankrupt as we approach the end of life Blaise Pascal said that belief in God offers such great benefits that religious non belief is not a viable way of life Einstein refused to believe that that the world operates on chance he said that God does not shoot craps Ministers work with scientists that seek logical answers for the teachings of the church The purpose of this book is to explain how scientific method works and why it lacks the tools to investigate spiritual events and concepts It explains the path that one scientist followed to find a belief in God and his plan for our life and hope for the future

The 10 Best Messages Dr. Robert Schuller, **The Well-fed Writer** Peter Bowerman, 2005 *Lucado 3-in-1* Max Lucado, 2008-09-30 Three books in one from Max Lucado *Traveling Light* *A Love Worth Giving* *It s Not About Me* [The Nursery of Heaven](#) George Zachariah, 2020-07-30 At a time when divorce and broken families are common Christian families are seeking God s blessing and wisdom to preserve and make fruitful their marriages and journey together The author has been married for sixty one years and through his experiences conversations and counseling with many couples he has garnered important insights on how Christians may have good and productive marriages This book provides guidance that Christians can prayerfully use to enrich their journey in married life with their partners if they choose to listen The author s six decades with his partner Susan have encouraged him to share his and her insights with fellow Christians **The Church Must Grow or Perish** Mark T. Mulder, Gerardo Marti, 2025-04-01 To fully understand American Christianity it s essential to understand Robert Schuller *The Church Must Grow or Perish* Robert H Schuller and the Business of American Christianity examines Schuller s indelible imprint on the American church and how he developed a model of ministry both lauded and

critiqued that transformed Christian life and community across this country Schuller's story is the starting point for powerful trends that continue to shape much of American religion today televangelism seeker sensitive outreach megachurches the suburbanization of white Christianity pastoral entrepreneurship and market oriented Christianity in pursuit of growth Authors Mark T Mulder and Gerardo Mart explore Schuller's drive to develop a theology a persona and a set of practices that he believed were necessary to keep Christianity vibrant long into the future They trace Schuller's career arc from his beginnings as an Iowa farm boy to his years as a charismatic Southern California preacher one who believed that in order for the church to thrive pastoral leaders needed to borrow from the best practices of big business including the entertainment industry This fascinating biography is essential reading for those who want to fully understand a transformative force in American Christianity

Contemporary Apocalyptic Rhetoric Barry Brummett, 1991-11-30 Intellectuals today cringe when a politician speaks of the Second Coming the millennium or the Antichrist Certain questions naturally arise about those who literally expect the end of the world in our day Why do they think this Why do some people believe them How do their exhortations work to persuade an audience and to move that audience to actions and commitments These are the motivating questions of Contemporary Apocalyptic Rhetoric which describes apocalyptic as a rhetorical genre of discourse Barry Brummett first recasts insights drawn from past scholarly and theological studies to demonstrate their relevance to contemporary apocalyptic then examines a variety of real apocalyptic to illustrate the ways in which these rhetorical discourses actually work The discussion focuses on those strategies arguments and stylistic features that are peculiar to apocalyptic and that support its social and political claims Following an introductory first chapter Chapter Two describes how apocalyptic rhetoric links a psychological context to an esoteric grand order underlying all of time and the cosmos Chapter Three compares premillennial and postmillennial apocalyptic on three dimensions to show the different approaches they take to reach their audiences Chapter Four describes specific rhetorical techniques designed to maintain a mystic persona and urge social and political commitments on audiences The final two chapters apply the author's theories to secular and religious apocalyptic both premillennial Hal Lindsey and Ravi Batra and postmillennial Francis Fukuyama Contemporary Apocalyptic Rhetoric will appeal to readers across many disciplines including communications religion sociology and psychology
