**René Wallek**

## **Pearl An Interpretation:**

**The Pearl** P.M. KEAN,2020-12-31 Originally published in 1967 The Pearl looks at the anonymous fourteenth century poet of Pearl The book argues that the poem ranks in importance and interest with that of Chaucer and Langland but suggests that it has always proved more difficult to approach to the modern reader The aim of this book is to clear away some of the difficulty through a close examination of the material the poet had to draw on and the poet s use of this in the organisation of the poem The main themes are established through detailed analysis of the poem which is seen as much more than either a lament for an individual or the mere figurative presentation of an idea      **The Pearl; an Interpretation**

M. Kean,2019-07-09 Originally published in 1967 The Pearl looks at the anonymous fourteenth century poet of Pearl The book argues that the poem ranks in importance and interest with that of Chaucer and Langland but suggests that it has always proved more difficult to approach to the modern reader The aim of this book is to clear away some of the difficulty through a close examination of the material the poet had to draw on and the poet s use of this in the organisation of the poem The main themes are established through detailed analysis of the poem which is seen as much more than either a lament for

an individual or the mere figurative presentation of an idea

**The Signifying Power of Pearl** Jane Beal, 2016-12-08 This book enhances our understanding of the exquisitely beautiful fourteenth century Middle English dream vision poem Pearl. Situating the study in the contexts of medieval literary criticism and contemporary genre theory, Beal argues that the poet intended Pearl to be read at four levels of meaning and in four corresponding genres: literally an elegy, spiritually an allegory, morally a consolation, and anagogically a revelation. The book addresses cruxes and scholarly debates about the poem's genre and meaning, including key questions that have been unresolved in Pearl studies for over a century: What is the nature of the relationship between the Dreamer and the Maiden? What is the significance of allusions to Ovidian love stories and the use of liturgical time in the poem? How does avian symbolism, like that of the central symbol of the pearl, develop, transform, and add meaning throughout the dream vision? What is the nature of God portrayed in the poem, and how does the portrayal of the Maiden's intimate relationship to God, her spiritual marriage to the Lamb, connect to the poet's purpose in writing? Noting that the poem is open to many interpretations, Beal also considers folktale genre patterns in Pearl, including those drawn from parable, fable, and fairy tale. The conclusion considers Pearl in the light of modern psychological theories of grieving and trauma. This book makes a compelling case for re-reading Pearl and recognizing the poem's signifying power. Given the ongoing possibility of new interpretations, it will appeal to those who specialize in Pearl as well as scholars of Middle English, Medieval Literature, Genre Theory, and Literature and Religion.

Picture Interpretation: A Symbolic Approach Zhi-qiang Liu, Sandy Dance, 1995-09-30 Traditional methods for image scene interpretation and understanding are based mainly on such single threaded procedural paradigms as hypothesize and test or syntactic parsing. As a result, these systems are unable to carry out tasks that require concurrent hypothesis testing. This book explores a method for symbolically interpreting images based upon a parallel implementation of a network of frames suggested for example by Minsky (1975) to describe intelligent processing. The system has been implemented in an object oriented environment in the logic programming language Prolog and includes the propagation of uncertainty through each frame using Baldwin's (1986) formulation. The system is tested with several scenarios of increasing complexity, culminating with legal interpretation of traffic intersection images.

**The New Cambridge Bibliography of English Literature** George Watson, Ian Roy Willison, 1974

A Companion to Old and Middle English Literature Laura Lambdin, Robert Thomas Lambdin, 2002-06-30 Old and Middle English literature can be obscure and challenging. So too can the vast body of criticism it has elicited. Yet the masters of medieval literature often drew on similar texts, since imitation was admired. For this reason, recent scholarship has often focused on the importance of genre. The genre in which a work was written can illuminate the author's intentions and the text's meaning. Read in light of a genre's parameters, a given work can be considered in relation to other works within the same category. This reference is a comprehensive overview of Old and Middle English literature. Chapters focus on particular genres such as Allegorical Verse, Balladry, Beast Fable, Chronicle,

Debate Poetry Epic and Heroic Lyric Middle English Parody Burlesque Religious and Allegorical Verse and Romance Expert contributors define the primary characteristics of each genre and discuss relevant literary works Chapters provide extensive reviews of scholarship and close with detailed bibliographies A more thorough bibliography of major scholarly studies closes the book     **The Poetry of the Alliterative Revival ,     Pearl, a Poem of Consolation, Rendered Into Modern**

**English Verse from the Alliterative Poem of 1360-1370 ,1918     A Literary History of England** Albert C.

Baugh,Kemp Malone,2003-09-02 The paperback edition in four volumes of this standard work will make it readily available to students The scope of the work makes it valuable as a work of reference connecting one period with another and placing each author clearly in the setting of his time Reviewing the first edition The Times Literary Supplement commented in inclusiveness and in judgment it has few rivals of its kind This first volume covers The Middle Ages to 1500 in two sections The Old English Period to 1100 by Kemp Malone John Hopkins University and The Middle English Period 1100 1500 by

Albert C Baugh University of Pennsylvania     **The Journal of English and Germanic Philology ,1907     But Without a Parable Jesus Did Not Speak Interpretation of All the Parables of Jesus Christ** Stephen Buttafuoco,2019-03-24 In this volume

But Without a Parable Jesus Did Not Speak Interpretation of All the Parables of Jesus Christ tenders a brand new outlook on the ministry of Jesus as a human being and as eternal God and serves a biblical interpretation of the spiritual language of parables This gospel commentary was taken from the Book of Matthew that harmonizes teachings of the other New Testament books and from that point on offers a cultural and political background of the times when Jesus was living in Israel with dates and historical fact and analysis of everything written in his three and a half year ministry on earth Since this is a resource that interprets all the gospel parables spoken by Jesus from Matthew Mark and Luke and in addition makes clear his plan of salvation created from the foundation of the world But Without a Parable Jesus Did Not Speak Interpretation of All the Parables puts forward a detailed description at the time of the cross while Jesus was alive and knew that all things at that moment had been accomplished and the scriptures had been fulfilled He cries out it is finished and that moment in time ensures the payment for sin was fully paid for while Jesus was still alive on the cross And another aspect of the book explains the controversy of divorcement and the NT Sabbath day which are all included as part of the new covenant that comprises the doctrines of the Christian churches     Study on Matthew Watchman Nee,1992-06-01 Watchman Nee s writings have

become well known for their deep spiritual insight among Christians in many nations for many years Through these volumes a full understanding of his balanced and proper view concerning the Bible and the spiritual life can be accurately appreciated This new compilation and retranslation of Watchman Nee s writings present the reader a fresh and unedited version of his ministry and promises to shed new light on the reader s understanding of Watchman Nee s ministry
