## **Pearl Harbor As History Japanese American Relations 1931 1941:**

**Pearl Harbor as History: Japanese-American Relations, 1931-1941** Dorothy Borg, Shumpei Okamoto, 1973 A history of African American pilots with a focus on World War II **Lake Kawaguchi, 1969. Pearl Harbor as History.**

**Japanese-American Relations, 1931-1941. Edited by Dorothy Borg and Shumpei Okamoto, with the Assistance of Dale K.A. Finlayson** Shumpei Okamoto, 1973 *The History of American Foreign Policy from 1895* Jerald A.

Combs, 2015-02-12 This important text offers a clear concise and affordable narrative and analytical history of American foreign policy since the Spanish American War The book narrates events and policies but goes further to emphasize the international setting and constraints within which American policy makers had to operate the domestic pressures on those policy makers and the ideologies preferences and personal idiosyncrasies of the leaders themselves **George C.**

**Marshall: Soldier-Statesman of the American Century** Mark A. Stoler, 2021-06-25 In a career that paralleled the emergence of the United States as an international power Marshall was a participant in every significant event contributing to the nation's status as a superpower From his first combat duty in the Philippines at the turn of the century through both World Wars into the cold war and the Korean conflict Marshall was a key figure in devising and implementing US military strategies and foreign policies Stoler emphasizes the years 1939 1951 when Marshall served as World War II army chief of staff special presidential representative to China secretary of state at the beginning of the cold war and Korean War secretary of defense The book is unique in its merging of military and diplomatic history with biography It includes a chronology and a bibliographic essay Drawing on more detailed works supplemented by his sound judgments based on his own careful research Stoler has successfully caught the spirit of the man and his work Forrest C Pogue official biographer of Marshall former director of the George C Marshall Foundation Useful fascinating and very informative Stoler illuminates many historical debates and events David Eisenhower author of Eisenhower at War 1943 1945 A very readable book based on the most recent scholarship and presented in a way that students can understand Michael J Hogan Ohio State University In a skillful work of compression and synthesis Mark A Stoler sets himself an ambitious dual task to render comprehensible the life of an individual almost no one knew well and to ground this life firmly in the context of the revolution in American foreign relations during the first half of the twentieth century The enterprise succeeds admirably partly because Marshall's career lends itself to such treatment and partly because Stoler demonstrates a flair for selecting the essential from the immaterial H W Brands *The American Historical Review* This is the best available one volume biography of this distinguished man Stoler demonstrates Marshall's intellectual growth as he came to understand international politics and the limits of power Daniel R Beaver *The Historian* A richly researched and balanced assessment Stoler's insights into Marshall are many and valuable He perfectly captures his sterling integrity and the extent of his exemplary nonpartisanship this is the best single volume about a true hero Barry F Machado *The Journal of Military History* A n excellent book There have been short one volume biographies

of Marshall before but this is the best of the lot Among the strengths of Stoler's treatment are his careful exposition of the factors in Marshall's youth crucial to the formation of his character the importance of his various experiences with the National Guard the Plattsburg volunteers and the Civilian Conservation Corps in conditioning his faith in citizen soldiers and the formative role of his professional education at the Command and General Staff School at Fort Leavenworth and the Infantry School at Fort Benning I B Holley Jr The Journal of American History Stoler is able to present the issues faced by the new chief of staff lucidly and with great insight In sum Professor Stoler with style and verve has produced an excellent summary volume on George C Marshall and his times the book is insightful readable provocative and manageable I highly recommend it Douglas Kinnard Naval War College Review The book breaks through the general's deliberately cultivated stoic persona and demonstrates the humanity that made him so admired in public and private Stoler's work stands as a model of its genre a concise study that incorporates themes from the large body of current scholarship in the field without ever losing sight of its central character Stoler captures the complexity of the man and his times in a book that is a pleasure to read Donald A Ritchie The Oral History Review This is a useful volume for those who lack the time to read all four volumes of Forrest Pogue's biography Gaddis Smith Foreign Affairs

**Japanese Studies from Pre-History to 1990** Richard Perren, 1992

**Origins of the Pacific War and the Importance of 'Magic'** Keiichi Komatsu, 2018-10-24 Magic was the name given to the American decoding of the secret Japanese codes used in diplomatic communications before and during the Pacific War of 1941-45 This important new work presenting a Japanese perspective argues for the first time that in the final phase of the eight months of US Japan talks leading to the attack on Pearl Harbor serious mistranslations in Magic were a significant factor in the cumulative effect of mutual misunderstandings which grew between the two sides over a longer period In spite of the number of historians who take the opposite point of view the author argues that the efforts made by the participants on both sides to achieve a successful outcome and avert military conflict or at least delay the outbreak of the war until the following March 1942 might have been much closer to achieving success than generally believed The mistranslations of Magic which led to the crisis in 1941 were influenced by misunderstanding and misperception and the persistence of stereotypes and images among the parties involved The study of these kinds of phenomena has been an important part of the growth of the discipline of international relations since the Second World War

**Japan's Rush to the Pacific War** Lionel P. Fatton, 2023-02-28 This book investigates the phenomenon of overbalancing through an analysis of Japan's foreign policy during the interbellum In the mid 1930s Japan withdrew from a naval arms control framework that had restrained military buildup on both sides of the Pacific Ocean since the early 1920s By doing so Japan not only triggered a naval arms race with the United States that exhausted its economy it also destroyed the last institutionalized structure regulating the relationship between the two Pacific powers Japan and the United States became caught in a spiral of tensions that culminated with the attack on Pearl Harbor in December 1941 Puzzling is the fact that the international environment in

the Asia Pacific was relatively stable in the mid 1930s while Washington was pursuing a policy of accommodation toward Tokyo By rejecting arms control and engaging in unfettered naval expansion Japan overbalanced against the United States and began its rush to the Pacific War The book explains Japan s overbalancing with a neoclassical realist model that combines the literatures on threat perception and civil military relations Amid the Manchurian crisis of 1931 1933 as the Japanese government collaborated with the military institution to address the situation in China military influence on the formulation of foreign policy surged The perceptual and policy biases of the military which include the tendency to distrust other countries intentions to adopt worst case analyses of international dynamics and to strive to maximize military power gradually penetrated the decision making process Dysfunctions in the preexisting structure of Japanese civil military relations engendered by an over depoliticization of the military institution allowed the navy to convince policymakers that the United States was inherently hostile to Japan hence the necessity to prepare for war The government was brainstormed adopting the biased military perspective on international affairs Japan overbalanced in a myopic but conscious way

**The Origins of World War Two** Robert Boyce, Joseph A. Maiolo, 2017-03-14 No issue in modern history has been more intensively studied or subject to wider interpretation than the origins of the Second World War A conflict involving three arguably four major aggressor Powers operating simultaneously but largely separately on two continents inevitably raises complex theories and debates Each participating power has its own history and each one must take account of various influences upon the behaviour of its soldiers and statesmen His wide ranging collection of original essays each by an international expert in their field covers all aspects of the subject and highlights the controversy that continues to characterise current thinking on the origins of the war Going beyond the usual Eurocentric approach Part I examines the roles of all seven of the Great Powers including Japan and the USA as well as the parts played by several of the lesser Powers such as Czechoslovakia Poland and China Part II contains chapters which explore key themes that cannot be fully understood within the context of any single country These themes include the role of ideology propaganda intelligence armaments economics diplomacy the neutral states peace movements and the social science approach to war Written in clear jargon free prose together these essays provide a comprehensive single volume text for students and teachers and are essential reading for all with an interest in the debates surrounding the causes of World War Two

[In Search of Sugihara: The Elusive Japanese Diplomat Who Risked His Life to Rescue 10,000 Jews from the Holocaust](#) Hillel Levine, 2019-08-09 Chiune Sugihara the Japanese consul in Kovno Lithuania honored in 1984 by Yad Vashem as a Righteous Among the Nations issued transit visas to thousands of Jews in 1940 saving them from almost certain death in Nazi occupied Europe From extensive archival research and interviews of survivors fellow students in Harbin China diplomats who knew Sugihara and family members Hillel Levine reconstructs the fascinating story of this diplomat spy and Russia expert who singlehandedly built a conspiracy of goodness Mr Levine dug deep into wartime archives and traveled all over the world in search of Sugihara s friends and

relatives and surviving eyewitnesses of his extraordinary acts researched Japanese culture folklore diplomacy imperialism and attitudes toward Jews and the West In Search of Sugihara finally inspires you to believe that in a time of great evil a good man threw caution to the winds and acted out of simple humanity Christopher Lehmann Haupt The New York Times This remarkable biography is in the author's words a study of the banality of good Honored in Israel and Japan yet still largely unknown in the West Japanese diplomat and spy Chiune Sugihara with this book joins the ranks of Raoul Wallenberg Oskar Schindler and other rescuers of Jews escaping Nazi persecution In Levine's compelling analysis Sugihara's rescue effort was motivated by love of life and a strong sense of justice not by any special relationship to Jews or driving obsession an ordinary man turned extraordinary hero Publishers Weekly On the basis of considerable research including interviews with survivors friends and relatives official records and Sugihara's scant memoirs Levine presents the available facts Sugihara's story is ultimately a fascinating addition to Holocaust literature and a valuable historical footnote Kirkus Reviews One of a handful of landmark books in our desperately needed process of just beginning to explore the strange mystery of human goodness M Scott Peck author of The Road Less Traveled Sugihara is unique because he demonstrated that every individual is empowered to resist tyranny and that one can act in accordance to the dictates of a higher moral authority that advocates justice humanity and compassion to all mankind Hillel Levine is to be commended for bringing attention to this unsung hero of the Holocaust and for telling us with historical depth and literary eloquence of the unknown dimensions of this incredible story Tom Lantos US Congress This is history as it was and history as it might have been Hillel Levine has relentlessly uncovered one of the most thrilling and unknown stories of World War II and the Holocaust He has shown what one courageous diplomat in one small country did to make a real difference in those darkest of times He has also given us the account of an improbable but genuine hero whose name should be inscribed with the other great figures of the resistance Harvey Cox Thomas Professor of Divinity Harvard University

**What Future for Japan?** Rudolf Janssens, 2023-07-10

Within a few months after the attack on Pearl Harbor the United States government began to plan a policy for a defeated Japan In order to avoid any future attacks on the United States Japanese society had to be changed Politicians Japan specialists historians political scientists and anthropologists debated the future of Japan Topics ranged from the future role of the Emperor and politics to Japanese economy to re education of the Japanese people Eventually an overall policy for postwar Japan was formulated which was to a high degree executed by General Douglas MacArthur during the Occupation of Japan This study is based on research in the records of the government policy planners both private papers and official records It is the first book length study of the American planning for the occupation of Japan including the drafting of policy not only in the State Department but also in the War Department Office of Strategic Services and the Office of War Information The analysis focuses on the development of strategies for remodeling postwar Japan as well as on the meaning of Japan constructed by various planners and decision makers and the impact of their constructions on American Occupation policy

## **Historical Dictionary of U.S. Diplomacy from World War I through World War II** Martin Folly,Niall

Palmer,2010-04-01 The period from the outset of World War I to the end of World War II was among the most significant in the history of the United States Twice it was drawn into foreign entanglements wars it initially thought were no concern of its own and of which it tried to steer clear only to realize that it could not stand aside With each one it geared up in record time entered the fray massively and was crucial to the outcome Each war tested the American people and their leaders and in each case the country came out of the conflagration stronger than before and even more important yet stronger relative to other countries than it had ever been This was the period when the United States became a world leader The Historical Dictionary of U S Diplomacy from World War I through World War II relates the events of this crucial period in U S history through a chronology an introductory essay and over 600 cross referenced dictionary entries on key persons places events institutions and organizations

### The A to Z of U.S. Diplomacy from World War I through World War II Martin Folly,Niall

Palmer,2010-04-20 The period from the outset of World War I to the end of World War II was among the most significant in the history of the United States Twice it was drawn into foreign entanglements wars it initially thought were no concern of its own and of which it tried to steer clear only to realize that it could not stand aside With each one it geared up in record time entered the fray massively and was crucial to the outcome Each war tested the American people and their leaders and in each case the country came out of the conflagration stronger than before and even more important yet stronger relative to other countries than it had ever been This was the period when the United States became a world leader The A to Z of U S Diplomacy from World War I through World War II relates the events of this crucial period in U S history through a chronology an introductory essay and over 600 cross referenced dictionary entries on key persons places events institutions and organizations

**The War Beat, Pacific** Steven Casey,2021 The Paradox of Pearl Harbor Fiasco in the Philippines Censorship at Sea The New Guinea Gang The Shroud Slips Guadalcanal Atrocities Dress Rehearsal in New Guinea Bloody Battles in the Central Pacific The CBI The Return Death in the Pacific Toward Tokyo Bay

**World War II in Asia and the Pacific and the War's Aftermath, with General Themes** Loyd Lee,1998-10-23 A companion to World War II in Europe Africa and the Americas this volume reevaluates the most enduring literature on basic aspects of the war in Asia and the Pacific It also covers themes pertaining to societies at war culture the arts and science and technology as well as international relations and the postwar world Included are not only grand strategy military and naval campaigns and matters of diplomacy but also resistance collaboration prisoners of war and broad topics of the home front including chapters on gender issues film literature popular culture and propaganda This volume and its companion provide the first comprehensive historiographic reference work on the war Each chapter describes the state of knowledge on the topic relating each bibliographic reference to the chapter s themes and issues and concludes with a bibliography Recent original scholarship is included when it aids new understanding and older works of enduring value also find a place The essays in this volume will

interest scholars and college teachers as well as advanced students and serious amateurs seeking insight into the history of the war and its literature

**Reader's Guide to American History** Peter J. Parish, 2013-06-17 There are so many books on so many aspects of the history of the United States offering such a wide variety of interpretations that students teachers scholars and librarians often need help and advice on how to find what they want The Reader's Guide to American History is designed to meet that need by adopting a new and constructive approach to the appreciation of this rich historiography Each of the 600 entries on topics in political social and economic history describes and evaluates some 6 to 12 books on the topic providing guidance to the reader on everything from broad surveys and interpretive works to specialized monographs The entries are devoted to events and individuals as well as broader themes and are written by a team of well over 200 contributors all scholars of American history

**Ben-Ami Shillony - Collected Writings** Ben-Ami Shillony, 2013-06-17 This volume of the Collected Writings of Modern Western Scholars on Japan brings together the work of Ben Ami Shillony on modern history crisis and culture Japan and the Jews

*Special Bibliography Series* United States Air Force Academy. Library, 1980

Prologue, 1975

**A Companion to Franklin D. Roosevelt** William D. Pederson, 2011-03-21 A Companion to Franklin D Roosevelt presents a collection of historiographical essays by leading scholars that provides a comprehensive review of the scholarship on the president who led the United States through the tumultuous period from the Great Depression to the waning days of World War II Represents a state of the art assessment of current scholarship on FDR the only president elected to four terms of office and the central figure in key events of the first half of the 20th century Covers all aspects of FDR's life and times from his health relationships and Supreme Court packing to New Deal policies institutional issues and international relations Features 35 essays by leading FDR scholars

**Japanese Envoys in Britain, 1862-1964** Ian Nish, 2007-05-10 Commissioned by the Japan Society as the companion volume to British Envoys in Japan 1959 1972 2004 this collection of essays on a century of official Japanese representation in the United Kingdom completes the history of bilateral diplomatic relations up to the mid 1960s concluding with Ambassador Ohno Katsumi's highly successful six year assignment in 1964 In all twelve authors half of whom are Japanese contribute to the work In addition to the nineteen biographies there are essays on the history of the Japanese Embassy buildings in London an overview of Japanese envoys in Britain between 1862 and 1872 by Sir Hugh Cortazzi as well as aspects of embassy life which illuminate some of the factors impacting on the life style of residents in London in former times including an entertaining personal memoir by Ayako Ishizaka of A Diplomat's Daughter in the 1930s By way of appendix the volume concludes with a short history of the Japanese Ministry of Foreign Affairs Gaimusho up to the present day
