## **Pearl S Bucks Of Christmas:**

Pearl S. Buck's Book of Christmas Pearl S. Buck, 1986 The many moods and faces of Christmas are portrayed in this collection of short fiction by nineteenth and early twentieth century authors Pearl S. Buck Peter Conn, 1998-01-28 One of the most popular novelists of the twentieth century winner of a Pulitzer and Nobel Prize for Literature and an active social and political campaigner particularly in the field of women's issues and Asian American relations Pearl Buck has until now remained hidden in public view Best known perhaps as the prolific author of *The Good Earth* Buck led a career which extended well beyond her eighty works of fiction and non fiction and deep into the public sphere In this critically acclaimed biography Peter Conn retrieves Pearl Buck from the footnotes of literary and cultural history and reinstates her as a figure of compelling and uncommon significance in twentieth century literary cultural and political history **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1956 Includes Part 1 Number 2 Books and Pamphlets Including Serials and Contributions to Periodicals July December **Pearl S. Buck's Novels of China and America** Rob Hardy, 2021-08-30 This book the first single authored book length study of Buck's fiction for over twenty years shows how Buck's thought developed through the medium of her fiction from her early turbulent years in China to her last lonely days in the United States with chapters examining her loss of faith in Christianity her reflections on Chinese life during and after the breakdown of Old China her voluminous reading her confrontation with the horrors of American racism and sexism after her return to the United States and her final metaphorical search for home as she approached death The book argues that Buck the first American woman to win both the Pulitzer and Nobel prizes for literature was a heroic forerunner of those who while occupying a place in the world never feel fully at home there in Buck's case because her Chinese identity throughout her life struggled with her American For this reason Pearl S Buck's fiction deserves to be considered alongside that of writers such as Anthea Min Maxine Hong Kingston and Amy Tan The book's central claim is that Buck is a major novelist capable of speaking to the distress of our times richly deserving the honor she has received in China and deserving greater recognition in the United States Christmas Day in the Morning Pearl S. Buck, 2002-10-01 Rob wants to get his father something special for Christmas this year something that shows how much he really loves him But it's Christmas Eve and he doesn't have much money to spend What could he possibly get Suddenly Rob thinks of the best gift of all Author of nearly a hundred books for children and adults and winner of both the Pulitzer and Nobel prizes Pearl S Buck has captured the spirit of Christmas in this elegant heartwarming story about a boy's gift of love Originally published in 1955 this classic story is now being issued for the first time ever as a picture book with glorious full color art by acclaimed artist Mark Buehner A welcome addition to everyone's holiday collection this timeless treasure will bring the true meaning of Christmas to the entire family for generations to come **Pearl S.
