

The background of the book cover is a stylized, low-poly illustration. It features a large, warm-toned sun or moon in the center, with various shades of orange, yellow, and red. Two military aircraft are depicted in flight: a dark-colored fighter plane in the upper left and a lighter-colored bomber or transport plane in the upper right. At the bottom, the silhouettes of ship masts and gun turrets are visible against the horizon. The overall aesthetic is reminiscent of mid-20th-century propaganda art.
