Pearls Secret A Black Mans Search For His White Family

Neil Henry

Pearls Secret A Black Mans Search For His White Family:

Pearl's Secret Neil Henry, 2001-05 A black professor of journalism and award winning correspondent takes an investigative look into his family s past in this autobiography and family story as he pieces together the murky details of his family s past in search of the white branch of his family tree Photos illustrations Pearl's Secret Neil Henry, 2002-09 Pearl s Secret is a remarkable autobiography and family story that combines elements of history investigative reporting and personal narrative in a riveting true to life mystery In it Neil Henry a black professor of journalism and former award winning correspondent for the Washington Post sets out to piece together the murky details of his family s past His search for the white branch of his family becomes a deeply personal odyssey one in which Henry deploys all of his journalistic skills to uncover the paper trail that leads to blood relations who have lived for more than a century on the opposite side of the color line At the same time Henry gives a powerful and vivid account of his black family s rise to success over the twentieth century Throughout the course of this gripping story the author reflects on the part that racism and racial ignorance have played in his daily life from his boyhood in largely white Seattle to his current role as a parent and educator in California The contemporary debate over the significance of Thomas Jefferson's longtime romantic relationship with his slave Sally Hemings and recent DNA evidence that points to his role as the father of black descendants have revealed the importance and volatility of the issue of dual race legacies in American society As Henry uncovers the dramatic history of his great great grandfather a white English immigrant who fought as a Confederate officer in the Civil War found success during Reconstruction as a Louisiana plantation owner and enjoyed a long love affair with Henry's great great grandmother a freed black slave he grapples with an unsettling ambivalence about what he is trying to do His straightforward honest voice conveys both the pain and the exhilaration that his revelations bring him about himself his family and our society In the book s stunning climax the author finally meets his white kin hears their own remarkable story of survival in America and discovers a great deal about both the sting of racial prejudice as it is woven into the fabric of the nation and his own proud identity as a teacher father and black American A History of African American Autobiography Joycelyn Moody, 2021-07-22 This History explores innovations in African American autobiography since its inception examining the literary and cultural history of Black self representation amid life writing studies By analyzing the different forms of autobiography including pictorial and personal essays editorials oral histories testimonials diaries personal and open letters and even poetry performance media of autobiographies this book extends the definition of African American autobiography revealing how people of African descent have created and defined the Black self in diverse print cultures and literary genres since their arrival in the Americas It illustrates ways African Americans use life writing and autobiography to address personal and collective Black experiences of identity family memory fulfillment racism and white supremacy Individual chapters examine scrapbooks as a source of self documentation African American autobiography for children readings of

African American persona poems mixed race life writing after the Civil Rights Movement and autobiographies by African American LGBTO writers Identity in Education S. Sánchez-Casal, 2009-05-25 This volume explores the impact of social identity on teaching and learning The contributors argue from the perspective of diverse disciplinary and educational contexts that mobilizing identities in the classroom is a necessary part of progressive educators efforts to transform knowledge making and to create a more just and democratic society The Oxford Handbook of the Literature of the U.S. South Fred Hobson, Barbara Ladd, 2016-01-05 The Oxford Handbook of the Literature of the U.S. South brings together contemporary views of the literature of the region in a series of chapters employing critical tools not traditionally used in approaching Southern literature It assumes ideas of the South global multicultural plural more Souths than South that would not have been embraced two or three decades ago and it similarly expands the idea of literature itself Representative of the current range of activity in the field of Southern literary studies it challenges earlier views of antebellum Southern literature as well as in its discussions of twentieth century writing questions the assumption that the Southern Renaissance of the 1920s 1930s and 1940s was the supreme epoch of Southern expression that writing to which all that had come before had led and by which all that came afterward was judged As well as canonical Southern writers it examines Native American literature Latina o literature Asian American as well as African American literatures Caribbean studies sexuality studies the relationship of literature to film and a number of other topics which are relatively new to the field in the American South Julia Sattler, 2021-05-04 This interdisciplinary investigation argues that since the 1990s discourses about mixed race heritage in the United States have taken the shape of a veritable literary genre here termed memoir of the search The study uses four different texts to explore this non fictional genre including Edward Ball s Slaves in the Family and Shirlee Taylor Haizlip's The Sweeter the Juice All feature a protagonist using methods from archival investigation to DNA testing to explore an intergenerational family secret photographs and family trees and the trip to the American South which is identified as the site of the secret's origin and of the family s past As a genre these texts negotiate the memory of slavery and segregation in the present In taking up central narratives of Americanness such as the American Dream and the Immigrant story as well as discourses generating the American family the texts help inscribe themselves and the mixed race heritage they address into the American mainstream In its outlook this book highlights the importance of the memoirs negotiations of the past when finding ways to remember after the last witnesses have passed away and contributes to the discussion over political justice and reparations for slavery **Princeton Alumni Weekly** Author, 2001 Black. White. and Indian Claudio Saunt, 2005-04-21 Deceit compromise and betrayal were the painful costs of becoming American for many families For people of Indian African and European descent living in the newly formed United States the most personal and emotional choices to honor a friendship or pursue an intimate relationship were often necessarily guided by the harsh economic realities imposed by the country's racial hierarchy Few families in American history embody this struggle to

survive the pervasive onslaught of racism more than the Graysons Like many other residents of the eighteenth century Native American South where Black Indian relations bore little social stigma Katy Grayson and her brother William both Creek Indians had children with partners of African descent As the plantation economy began to spread across their native land soon after the birth of the American republic however Katy abandoned her black partner and children to marry a Scottish Creek man She herself became a slaveholder embracing slavery as a public display of her elevated place in America s racial hierarchy William by contrast refused to leave his black wife and their several children and even legally emancipated them Traveling separate paths the Graysons survived the invasion of the Creek Nation by U S troops in 1813 and again in 1836 and endured the Trail of Tears only to confront each other on the battlefield during the Civil War Afterwards they refused to recognize each other's existence In 1907 when Creek Indians became U S citizens Oklahoma gave force of law to the family schism by defining some Graysons as white others as black Tracking a full five generations of the Grayson family and basing his account in part on unprecedented access to the forty four volume diary of G W Grayson the one time principal chief of the Creek Nation Claudio Saunt tells not only of America's past but of its present shedding light on one of the most contentious issues in Indian politics the role of blood in the construction of identity Overwhelmed by the racial hierarchy in the United States and compelled to adopt the very ideology that oppressed them the Graysons denied their kin enslaved their relatives married their masters and went to war against each other Claudio Saunt gives us not only a remarkable saga in its own right but one that illustrates the centrality of race in the American experience Race, Sex, and the Freedom to Marry Peter Wallenstein, 2014-11-18 In 1958 Mildred Jeter and Richard Loving two young lovers from Caroline County Virginia got married Soon they were hauled out of their bedroom in the middle of the night and taken to jail Their crime Loving was white Jeter was not and in Virginia as in twenty three other states then interracial marriage was illegal Their experience reflected that of countless couples across America since colonial times And in challenging the laws against their marriage the Lovings closed the book on that very long chapter in the nation's history Race Sex and the Freedom to Marry tells the story of this couple and the case that forever changed the law of race and marriage in America The story of the Lovings and the case they took to the Supreme Court involved a community an extended family and in particular five main characters the couple two young attorneys and a crusty local judge who twice presided over their case as well as such key dimensions of political and cultural life as race gender religion law identity and family In Race Sex and the Freedom to Marry Peter Wallenstein brings these characters and their legal travails to life and situates them within the wider context even at the center of American history Along the way he untangles the arbitrary distinctions that long sorted out Americans by racial identity distinctions that changed over time varied across space and could extend the reach of criminal law into the most remote community In light of the related legal arguments and historical development moreover Wallenstein compares interracial and same sex marriage A fair amount is known about the saga of the Lovings and the historic court decision that permitted them to be

married and remain free And some of what is known Wallenstein tells us is actually true A detailed in depth account of the case as compelling for its legal and historical insights as for its human drama this book at long last clarifies the events and the personalities that reconfigured race marriage and law in America **Race Mixing** Suzanne W. Jones, 2006-02-15 In the southern United States there remains a deep need among both black and white writers to examine the topic of race relations whether they grew up during segregation or belong to the younger generation that graduated from integrated schools In Race Mixing Suzanne Jones offers insightful and provocative readings of contemporary novels the work of a wide range of writers black and white established and emerging Their stories explore the possibilities of cross racial friendships examine the repressed history of interracial love reimagine the Civil Rights era through children's eyes herald the reemergence of the racially mixed character investigate acts of racial violence and interrogate both rural and urban racial dynamics Employing a dynamic model of the relationship between text and context Jones shows how more than thirty relevant writers including Madison Smartt Bell Larry Brown Bebe Moore Campbell Thulani Davis Ellen Douglas Ernest Gaines Josephine Humphreys Randall Kenan Reynolds Price Alice Walker and Tom Wolfe illuminate the complexities of the color line and the problems in defining racial identity today While an earlier generation of black and white southern writers challenged the mythic unity of southern communities in order to lay bare racial divisions Jones finds in the novels of contemporary writers a challenge to the mythic sameness within racial communities and a broader definition of community and identity Closely reading these stories about race in America Race Mixing ultimately points to new ways of thinking about race relations We need these fictions Jones writes to help us imagine our way out of the social structures and mind sets that mythologize the past fragment individuals prejudge people and divide communities The Souls of Mixed Folk Michele Elam, 2011-02-21 The Souls of Mixed Folk examines representations of mixed race in literature and the arts that redefine new millennial aesthetics and politics Focusing on black white mixes Elam analyzes expressive works novels drama graphic narrative late night television art installations as artistic rejoinders to the perception that post Civil Rights politics are bereft and post Black art is apolitical Reorienting attention to the cultural invention of mixed race from the social sciences to the humanities Elam considers the creative work of Lezley Saar Aaron McGruder Nate Creekmore Danzy Senna Colson Whitehead Emily Raboteau Carl Hancock Rux and Dave Chappelle All these writers and artists address mixed race as both an aesthetic challenge and a social concern and together they gesture toward a poetics of social justice for the mulatto millennium The Souls of Mixed Folk seeks a middle way between competing hagiographic and apocalyptic impulses in mixed race scholarship between those who proselytize mixed race as the great hallelujah to the race problem and those who can only hear the alarmist bells of civil rights destruction Both approaches can obscure some of the more critically astute engagements with new millennial iterations of mixed race by the multi generic cohort of contemporary writers artists and performers discussed in this book The Souls of Mixed Folk offers case studies of their creative work in an effort to expand the contemporary idiom about mixed

race in the so called post race moment asking how might new millennial expressive forms suggest an aesthetics of mixed race And how might such an aesthetics productively reimagine the relations between race art and social equity in the twenty first century Tell the Court I Love My Wife Peter Wallenstein,2015-03-24 The first in depth history of miscegenation law in the United States this book illustrates in vivid detail how states communities and the courts have defined and regulated mixed race marriage from the colonial period to the present Combining a storyteller's detail with a historian's analysis Peter Wallenstein brings the sagas of Richard and Mildred Loving and countless other interracial couples before them to light in this harrowing history of how individual states had the power to regulate one of the most private aspects of life marriage

Race in Mind Paul Spickard, 2015-11-19 These essays analyze how race affects people s lives and relationships in all settings from the United States to Great Britain and from Hawai i to Chinese Central Asia They contemplate the racial positions in various societies of people called Black and people called White of Asians and Pacific Islanders and especially of those people whose racial ancestries and identifications are multiple Here for the first time are Spickard's trenchant analyses of the creation of race in the South Pacific of DNA testing for racial ancestry and of the meaning of multiplicity in the age of Barack Obama Shades of Gray Molly Littlewood McKibbin, 2018-01-01 In Shades of Gray Molly Littlewood McKibbin offers a social and literary history of multiracialism in the twentieth century United States She examines the African American and white racial binary in contemporary multiracial literature to reveal the tensions and struggles of multiracialism in American life through individual consciousness social perceptions societal expectations and subjective struggles with multiracial identity McKibbin weaves a rich sociohistorical tapestry around the critically acclaimed works of Danzy Senna Caucasia 1998 Rebecca Walker Black White and Jewish Autobiography of a Shifting Self 2001 Emily Raboteau The Professor s Daughter 2005 Rachel M Harper Brass Ankle Blues 2006 and Heidi Durrow The Girl Who Fell from the Sky 2010 Taking into account the social history of racial classification and the literary history of depicting mixed race she argues that these writers are producing new representations of multiracial identity Shades of Gray examines the current opportunity to define racial identity after the civil rights black power and multiracial movements of the late twentieth century changed the sociopolitical climate of the United Statesand helped revolutionize the racial consciousness of the nation McKibbin makes the case that twenty first century literature is able to represent multiracial identities for the first time in ways that do not adhere to the dichotomous conceptions of race that have until now determined how racial identities could be expressed in the United States **Another Way Home** Ronne Hartfield,2004-10-15 Hartfield begins with the early life of her mother Day Shepherd Born to a wealthy British plantation owner and the mixed race daughter of a former slave Day negotiates the complicated circumstances of plantation life in the border country of Louisiana and Mississippi and as she enters womanhood the quadroon and octoroon societies of New Orleans Equally a tale of the Great Migration Another Way Home traces Day s journey to Bronzeville the epicenter of black Chicago during the first half of the twentieth century We relive crucial moments

in African American history as they are experienced by the author's family and others in Chicago's South Side black community from the race riots of 1919 and the Great Depression to the murder of Emmett Till and the dawn of the civil rights Passing Interest Julie Cary Nerad, 2014-06-16 The first volume to focus on the trope of racial movement BOOK JACKET passing in novels memoirs television and films published or produced between 1990 and 2010 Passing Interest takes the scholarly conversation on passing into the twenty first century With contributors working in the fields of African American studies American studies cultural studies film studies literature and media studies this book offers a rich interdisciplinary survey of critical approaches to a broad range of contemporary passing texts Contributors frame recent passing texts with a wide array of cultural discourses including immigration law the Post Soul Aesthetic contemporary political satire affirmative action the paradoxes of colorblindness and the rhetoric of post racialism Many explore whether one drop of blood still governs our sense of racial identity or to what extent contemporary American culture allows for the racially indeterminate individual Some essays open the scholarly conversation to focus on ethnic passers individuals who complicate the traditional black white binary while others explore the slippage between traditional racial passing and related forms of racial performance including blackface minstrelsy and racial masquerade **African American Slang** Maciej Widawski, 2015-03-05 In this pioneering exploration of African American slang a highly informal vocabulary and a significant aspect of African American English Maciej Widawski explores patterns of form meaning theme and function showing it to be a rule governed innovative and culturally revealing vernacular Widawski's comprehensive description is based on a large database of contextual citations from thousands of contemporary sources including literature and the press music film and television It also includes an alphabetical glossary of 1 500 representative slang expressions defined and illustrated by 4 500 usage examples Due to its vast size the glossary can stand alone as a dictionary providing readers with a reliable reference of terms Combining scholarship with user friendliness this book is an insightful and practical resource for students and researchers in linguistics as well as general readers interested in exploring lexical variation in contemporary English

New Faces in a Changing America Loretta I. Winters, Herman L. DeBose, 2003 New Faces in a Changing America is a comprehensive penetrating authoritative and provocative examination of what it means to be multiracial in this country With contributions by the leading thinkers activists and researchers on the subject it admirably links theory and the powerful lived experiences of mixed race people This book will be the most important reference source on the subject for many years James P Allen California State University Northridge Not since the work of Root has there been as important of an anthology as New Faces in a Changing America This book explores the reality of multiracial people from a variety of theoretical and conceptual perspectives It is a must read for anybody who want to understand the multiracial movement and the multiracial people who lead that movement Any teacher who wants to introduce the concept of multiraciality to his her class must also have this book Winters and Debose are to be commended for putting together this first rate academic examination of an

important social phenomenon George Yancey University of North Texas How multiracial people identify themselves can have major consequences on their positions in their families communities and society Even the U S Census has recognized the rapidly increasing numbers of those who consider themselves multiracial adding a new racial category to the 2000 Census form two or more races New Faces in a Changing America Multiracial Identity in the 21st Century examines the multiracial experience its history and the political issues and consequences surrounding biracial and multiracial identity bringing together top names in the field to give readers cutting edge views and insights gained from contemporary research This important new text follows the trail blazed by Maria Root who contributes its opening chapter An introduction places the issues of multiracial identity into context via a discussion of U S Census data and debates providing an overview of the varied readings to come covering such topics as Race as a social rather than biological construction The Multiracial Movement Racial Ethnic Groups in America and Beyond Race Gender human service professionals including psychologists counselors social workers and school personnel and importantly multiracial individuals themselves **Transatlantic Memories of** Slavery: Remembering the Past, Changing the Future Elisa Bordin ,Anna Scacchi,2015-08-10 While the memorialization of slavery has generated an impressive number of publications relatively few studies deal with this subject from a transnational transdisciplinary and transracial standpoint As a historical phenomenon that crossed borders and traversed national communities and ethnic groups producing alliances that did not overlap with received identities slavery as well as its memory call for comparative investigations that may bring to light aspects obscured by the predominant visibility of US American and British narratives of the past This study addresses the memory of slavery from a transnational perspective It brings into dialogue texts and practices from the transatlantic world offering comparative analyses which interlace the variety of memories emerging in diverse national contexts and fields of study and shed light on the ways local countermemories have interacted with and responded to hegemonic narratives of slavery. The inclusion of Brazil and the French English and Spanish Caribbean alongside the United States and Europe and the variety of investigative approaches ranging from cinema popular culture and visual culture studies to anthropology and literary studies expand the current understanding of the slave past and how it is reimagined today This fascinating book brings freshness to the topic by considering objects of investigation which have so far remained marginal in the academic debate such as heroic memorials civic landscape white family sagas Young Adult literature of slavery Latin American telenovelas and filmic narrations within and beyond Hollywood What emerges is a multifarious set of memories which keep changing according to generation race gender nation and political urgency and indicate the advancing of a dynamic mobilized memorialization of slavery willing to move beyond mourning towards a more militant stand for justice This is an important book for those interested in African American American and Latin American studies and working across literature cinema visual arts and public culture It will also be useful to public official and civil servants interested in the question of slavery and its present memory

Transatlantic Memories of Slavery, 2015-08-10 While the memorialization of slavery has generated an impressive number of publications relatively few studies deal with this subject from a transnational transdisciplinary and transracial standpoint As a historical phenomenon that crossed borders and traversed national communities and ethnic groups producing alliances that did not overlap with received identities slavery as well as its memory call for comparative investigations that may bring to light aspects obscured by the predominant visibility of US American and British narratives of the past This study addresses the memory of slavery from a transnational perspective It brings into dialogue texts and practices from the transatlantic world offering comparative analyses which interlace the variety of memories emerging in diverse national contexts and fields of study and shed light on the ways local countermemories have interacted with and responded to hegemonic narratives of slavery The inclusion of Brazil and the French English and Spanish Caribbean alongside the United States and Europe and the variety of investigative approaches ranging from cinema popular culture and visual culture studies to anthropology and literary studies expand the current understanding of the slave past and how it is reimagined today This fascinating book brings freshness to the topic by considering objects of investigation which have so far remained marginal in the academic debate such as heroic memorials civic landscape white family sagas Young Adult literature of slavery Latin American telenovelas and filmic narrations within and beyond Hollywood What emerges is a multifarious set of memories which keep changing according to generation race gender nation and political urgency and indicate the advancing of a dynamic mobilized memorialization of slavery willing to move beyond mourning towards a more militant stand for justice This is an important book for those interested in African American American and Latin American studies and working across literature cinema visual arts and public culture It will also be useful to public official and civil servants interested in the question of slavery and its present memory

When somebody should go to the book stores, search opening by shop, shelf by shelf, it is in point of fact problematic. This is why we offer the book compilations in this website. It will unquestionably ease you to see guide **Pearls Secret A Black**Mans Search For His White Family as you such as.

By searching the title, publisher, or authors of guide you in fact want, you can discover them rapidly.
