## **Peasants Politics And Revolution Pressures Toward Political And Social Change In The Third World:**

*Peasants, Politics, and Revolution* Joel S. Migdal, 1974 During the last quarter century peasant participation in politics has increased markedly in parts of Latin America and Asia Why the poor and vulnerable peasant population has chosen to leave the confines of the village for political activity and at times for sustained revolution is the question this book explores The author draws on informal interviews and observation of peasants in Mexico and India and on fifty one community studies of peasants in Asia and Latin America compiled by ethnographers in the last forty years He suggests that severe economic crises have driven peasants to roles in the larger economy outside the village where they are initially attracted to politics by material incentives Originally published in 1977 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These paperback editions preserve the original texts of these important books while presenting them in durable paperback editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

**Partition of India** Amit Ranjan, 2018-11-20 The Partition of British India in 1947 set in motion events that have had far reaching consequences in South Asia wars military tensions secessionist movements and militancy terrorism This book looks at key events in 1947 and explores the aftermath of the Partition and its continued impact in the present day understanding of nationhood and identity It also examines the diverse and fractured narratives that framed popular memory and understanding of history in the region The volume includes discussions on the manner in which regions such as the Punjab Sindh Kashmir Bengal Uttar Pradesh Lucknow and North East India were influenced It deals with issues such as communal politics class conflict religion peasant nationalism decolonization migration displacement riots the state of refugees women and minorities as well as the political relationship between India Pakistan and Bangladesh Drawing on major flashpoints in contemporary South Asian history along with representations from literature art and popular culture this book will interest scholars of modern Indian history Partition studies colonial history postcolonial studies international relations politics sociology literature and South Asian studies

**Negotiated Revolutions** George Lawson, 2017-03-02 Straightforward histories of post revolution States have all too often failed to provide sufficient context to rescue revolution both as concept and practice from the misplaced triumphalism of the contemporary world In *Negotiated Revolutions* George Lawson marks a definitive departure in the study of radical political and socio economic change presenting a unique comparative analysis of three transformations from authoritarian rule to market democracy Through the lens of international sociology the book critically considers the large scale processes of social and political revolution bringing three apparently distinct transformations from seemingly disparate authoritarian

regimes and geographies under a common rubric With unique and novel conceptual analysis the book accurately locates both the potential and actuality of radical change in contemporary world affairs processes usually mistakenly subsumed under the general framework of transitology *This Land Is Ours Now* Wendy Wolford,2010-01-27 This on the ground account of a celebrated Brazilian agrarian movement highlights the contingent nature of social movements and political identities more broadly

**Agrarian Radicalism in South India** Marshall M. Bouton,2014-07-14 The author finds that agrarian radicalism develops most readily in a way analogous to industrial class struggle through the economic clash of homogeneous and polarized groups within the agrarian sector Originally published in 1985 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

**Intractable Conflicts in Contemporary India** Savyasaachi,2018-05-16 This book attempts a representation of society in contemporary India through an ethnography woven around long standing intractable conflicts of displacement and rehabilitation patriarchy insurgency and counter insurgency operations and climate change Each chapter in this volume offers a critical transformative narrative in response to these conflicts It asks how social justice and equality is to be constructed and provides a fresh perspective It is argued that social movements can no longer be concerned only with itemizing a checklist of demands it is now necessary to be free of the hegemony of current frames categories concepts and principles and to rethink the promise The volume maintains that this effort to step out of the endless waiting for delivery of a promised value draws out the labour of transformative action A valuable contribution to understanding social movements in India this work challenges the established discourses around grassroots politics progressive policies and legislations as well as radical mass movements The book will interest students and researchers of social movements conflict and peace studies sociology and social anthropology political science and development studies It will also be useful to those working in the areas of human rights social exclusion and inclusive policies

*Communities of Grain* Victor V. Magagna,1991 As an extended essay on an important theme of comparative history this is an impressive book By highlighting the irreducible particularities of rural communities in the past Magagna has written a book deeply informed by historical consciousness as well as contemporary social theory *Journal of Social History*

*Constructing Culture and Power in Latin America* Daniel H. Levine,1993 A notable collection of complementary essays largely culled from the pages of *Comparative studies in society and history* examine the ways in which power exerted by capital markets peasants women elites and States and culture expressed in official policy institutions and communal life

*The Front Line Runs Through Every Woman* Eleanor O'Gorman,2011 A Zimbabwe specific study focusing on the lives of women in a small locale Chiweshe during the anti colonial insurgency this book is also

a challenge to established and still current modes of thought and research orientations which over simplify the complex realities women face in the full range of violent conflicts both past and present By contextualizing the voices of women of Chiweshe not only is an important and under developed aspect of Zimbabwean and African history revealed but a new approach to comprehending the highly tensioned lives of women in war is presented which is characterized here as Gendered Localised Resistance This is examined through the prism of life in the Protected Villages in Chiweshe experienced in everyday social relations revolutionary roles and food security It traces how women forged strategies of survival and resistance in the middle of guerrilla warfare pitted between the forces of the state and the revolutionary resistance movements The book can be read as a unique and richly detailed account of the lives of women during the Zimbabwe civil war and liberation struggle as a wider argument about how researchers can approach and incorporate lived experience into accounts of larger dynamics war revolution and as a substantial and important contribution to feminist historiography and writings on women and war Publisher s website

Islamic Revivalism in a Changing Peasant Economy Christine Dobbin, 2016-11-10 This title first published in 1983 is a significant study of one of the many revivalist movements which flowered in numerous Islamic societies in the late eighteenth and early nineteenth centuries and attempts to provide one particular assessment of the place of revivalism in the evolution of Islamic societies The subject of this title is the Padri movement and the community involved is that of the Minangkabau of Central Sumatra one of the major communities inhabiting the Indonesian archipelago In the process of considering the reconstruction of a society in the throes of an agricultural transformation the historical development of the Indonesian village became the object of attention encompassing the economic and social histories of individual villages This title will be of interest to students of history and Islamic Studies

**Basic Rights** Henry Shue, 2020-04-28 An expanded and updated edition of a classic work on human rights and global justice Since its original publication Basic Rights has proven increasingly influential to those working in political philosophy human rights global justice and the ethics of international relations and foreign policy particularly in debates regarding foreign policy s role in alleviating global poverty Henry Shue asks Which human rights ought to be the first honored and the last sacrificed Shue argues that subsistence rights along with security rights and liberty rights serve as the ground of all other human rights This classic work now available in a thoroughly updated fortieth anniversary edition includes a substantial new chapter by the author examining how the accelerating transformation of our climate progressively undermines the bases of subsistence like sufficient water affordable food and housing safe from forest fires and sea level rise Climate change threatens basic rights

**From Rebel to Ruler** Tony Saich, 2021-07-06 On the centennial of the founding of the Chinese Communist Party Tony Saich offers the definitive history of the CCP s rise and rule The party has suffered self inflicted wounds yet thrived thanks to its flexibility Looking ahead Saich assesses how the CCP is adapting to global leadership and the expectations of China s growing middle class

Power and Protest in the Countryside Robert Paul

Weller, Scott Evan Guggenheim, 1982 Constitutes an important and timely addition to the literature on peasant rebellion wisely the editors have been eclectic in drawing from some of the leading historians anthropologists political scientists and sociologists active in the field an analysis of the forms that rural violence has taken through the past three centuries Pacific Affairs

*Peasants without the Party* Lucien Bianco, 2015-03-04 Exploring one of the most dynamic and contested regions of the world this series includes works on political economic cultural and social changes in modern and contemporary Asia and the Pacific The leading specialist on China's twentieth century peasant resistance reexamines in bold and original ways the question Was the Chinese peasantry a revolutionary force Where most scholarly attention has focused on Communist led peasant movements Bianco's story is one of peasant thought and action largely unmediated by modern political parties This volume pays particular attention to the first half of the twentieth century when peasant based conflict ranging from tax and food protests to secret society conflicts opium struggles inter communal conflicts and tenant protests over rent was central to nationwide revolutionary processes

China in Revolution Joseph W. Esherick, 2022-08-04 This book includes eleven seminal essays by one of America's leading authorities on modern Chinese history with an illuminating preface by Prof Elizabeth Perry of Harvard University it covers a range of topics from the impact of imperialism to the 1989 protests that led to the Tiananmen massacre Chapters include an explanation of how China expanded its borders far beyond the Han Chinese heartland and maintained those borders in the transition from empire to nation how Sun Yat sen unexpectedly emerged as the Father of the Country and how a series of unexpected and contingent events brought the empire down in 1911 Despite conventional representations of a static and unified China this book proves Chinese society to be diverse and constantly changing especially after the Communist revolution which was a transformative event in modern Chinese history Esherick denounces traditional imagery of cultural uniformity which derives from excessive attention to the unitary state through chapters that explore the impact of the 1937-45 War of Resistance against Japan the dramatic wartime transformation of Chinese society in both Communist and Nationalist Guomindang areas and the nature of the new Communist regime in Northwest China In his book Esherick examines both the Marxist Leninist theory behind Mao's notion of the restoration of capitalism against which he waged the Cultural Revolution of the 1960s and the political theater of the 1989 protest movement Throughout the book the contingency of history the need for careful empirical research and the important yet limited role of history is highlighted as the key to understanding the present or predicting the future of China

**Crafty Oligarchs, Savvy Voters** Shandana Khan Mohmand, 2019-05-23 How does democracy empower marginalized voters under conditions of inequality The author probes into this question grounding her research in the context of Pakistan an emerging democracy whose voters have actively been involved in defining its political history but about whom we know very little They turn up in sizeable numbers to vote during elections even under military rule prompting all kinds of contradictory stereotypes about how Pakistani rural voters behave as electoral cannon fodder But no one has looked very closely at why they vote as

they do or why they vote at all when their political agency is severely limited by high socio economic inequality By using original data collected across different villages and households in rural Pakistan this book finds that electoral politics enables even the most marginalized voters to strategically further their interests vis vis elite groups but that persistent inequality limits their ability to organize or compete

**Heritage, Culture and Society** Salleh Mohd Radzi, Mohd Hafiz Mohd Hanafiah, Norzuwana Sumarjan, Zurinawati Mohi, Didi Sukyadi, Karim Suryadi, Pupung Purnawarman, 2016-10-26 Heritage Culture and Society contains the papers presented at the 3rd International Hospitality and Tourism Conference IHTC2016 2nd International Seminar on Tourism ISOT 2016 Bandung Indonesia 10 12 October 2016 The book covers 7 themes i Hospitality and tourism management ii Hospitality and tourism marketing iii Current trends in hospitality and tourism management iv Technology and innovation in hospitality and tourism v Sustainable tourism vi Gastronomy foodservice and food safety and vii Relevant areas in hospitality and tourism Heritage Culture and Society is a significant contribution to the literature on Hospitality and Tourism and will be of interest to professionals and academia in both areas

*Bandits and Bureaucrats* Karen Barkey, 2018-10-18 Why did the main challenge to the Ottoman state come not in peasant or elite rebellions but in endemic banditry Karen Barkey shows how Turkish strategies of incorporating peasants and rotating elites kept both groups dependent on the state unable and unwilling to rebel Bandits formerly mercenary soldiers were not interested in rebellion but concentrated on trying to gain state resources more as rogue clients than as primitive rebels The state's ability to control and manipulate bandits through deals bargains and patronage suggests imperial strength rather than weakness she maintains Bandits and Bureaucrats details in a rich archivally based analysis state society relations in the Ottoman empire during the sixteenth and seventeenth centuries Exploring current eurocentric theories of state building the author illuminates a period often mischaracterized as one in which the state declined in power Outlining the processes of imperial rule Barkey relates the state political and military institutions to their social foundations She compares the Ottoman route with state centralization in the Chinese and Russian empires and contrasts experiences of rebellion in France during the same period Bandits and Bureaucrats thus develops a theoretical interpretation of imperial state centralization through incorporation and bargaining with social groups and at the same time enriches our understanding of the dynamics of Ottoman history
