young son tells you that his friend and others at the school have come down with the measles You implement the homeopathic immunization programmed of giving Pulsatilla 200C once a week while the epidemic lasts and your son avoids the measles and acquires immunity to the disease Help your dog or cat or other pet recover rapidly from injuries bites and other traumas You bring a young cat into the family as a companion for an older cat named Toby you have However Toby does not receive the newcomer very well He hisses and strikes out at your new cat called Sweetie Not a very pleasant situation but you know how to deal with it You add the homeopathic remedy Hyoscyamus 1M to Toby s drinking bowl one day and two days later on arriving home to your surprise you see the two cats cuddled up together on the bed the best of friends In extreme survival situations you will be able to treat yourself and your loved ones by making your own homeopathic remedies Suppose you and your family find yourselves isolated civilization around you has collapsed perhaps you are out in the wild to escape deteriorated and hostile city conditions Your son has cut himself on a rusty metal part while looking for food and he is running a fever You have learned how to make the correct homeopathic antibiotic remedy for this using a proven method taught in this book Rather than passing on to another plane your son recovers completely in some days Your wife is extremely grateful Bird flu or any other lethal flu strikes and there are thousands of sick and dying people in your town while waiting for the medical authorities to produce a sufficient quantity of a possibly effective vaccine in six months time With the information contained in this book you prepare a homeopathic remedy in your kitchen to treat your sick daughter and neighbors some of which are in very bad shape They all recover after a very difficult bout with the bird or whatever flu but they are alive There you are Considering the times we are living in purchasing this book will be a prudent investment that can save your life as well as the lives of your family members friends and pets It will certainly improve their health and life quality This is cutting edge technology way ahead of the current level at which medicine is practiced This book contains information never presented in this concise and practical manner including advances in the creation and transmission of homeopathic remedies not mentioned in standard literature on homeopathy A new and simpler approach to treating illness awaits your discovery Homeopathy has been around for more than 200 years and has a proven track record as practiced by medical doctors and laymen alike with an enviable record of cures in epidemics You can join the ranks of vanguard practitioners of the medicine of the future Purchase Family Homeopathy and Survival Guide pdf US or UK English by clicking [HERE](#) You your family and pets will benefit from it
