Peddy 270 Years Glendel W. Peddy (Sr.),2001 Mercurius ,1972 *New York Supreme Court* , **The American Decisions** ,1910 Means of Ascent Robert A. Caro,1991-03-06 In Means of Ascent Book Two of The Years of Lyndon Johnson Robert A Caro brings alive Lyndon Johnson in his wilderness years Here Johnson s almost mythic personality part genius part behemoth at once hotly emotional and icily calculating is seen at its most nakedly ambitious This multifaceted book carries the President to be from the aftermath of his devastating defeat in his 1941 campaign for the Senate the despair it engendered in him and the grueling test of his spirit that followed as political doors slammed shut through his service in World War II and his artful embellishment of his record to the foundation of his fortune and the actual facts behind the myth he created about it The culminating drama the explosive heart of the book is Caro s illumination based on extraordinarily detailed investigation of one of the great political mysteries of the century Having immersed himself in Johnson s life and world Caro is able to reveal the true story of the fiercely contested 1948 senatorial election for years shrouded in rumor which Johnson was not believed capable of winning which he had to win or face certain political death and which he did win by 87 votes the 87 votes that changed history Telling that epic story in riveting and eye opening detail Caro returns to the American consciousness a magnificent lost hero He focuses closely not only on Johnson whom we see harnessing every last particle of his strategic brilliance and energy but on Johnson s unbeatable opponent the beloved former Texas Governor Coke Stevenson who embodied in his own life the myth of the cowboy knight and was himself a legend for his unfaltering integrity And ultimately as the political duel between the two men quickens carrying with it all the confrontational and moral drama of the perfect Western Caro makes us witness to a momentous turning point in American politics the tragic last stand of the old politics versus the new the politics of issue versus the politics of image mass manipulation money and electronic dazzle
