achievement a pioneering and inventive novel that confronts family history creativity Magical Realism and the impact of violence from Mexico's drug war by a magnificent new talent in Diego Gerardo Morrison It's 2017 and the crisis of forced disappearances has reached a tipping point after 43 decent students disappeared and are feared dead Aureliano M's the Second is a fledgling writer at a lucrative fellowship in Mexico City chaired by his aunt Rose When Aureliano was very young his mother left without reason or trace Aureliano is attempting to write a novel that mirrors his mother's unexplained disappearance while shattering Magical Realism as a genre in the process It doesn't help though that he's named after the protagonist of a touchstone of the Magical Realist canon and raised in the mythical town of Comala Aureliano searches for insight and closure from his father and from Rose who grappled with his mother's disappearance through a failed novel of her own Their stories lead back to the 1980s and the burgeoning drug trade as Rose and Aureliano's mother journey as young runaways throughout the Mexican countryside Meanwhile Aureliano's addictions and the overwhelming burden of the past threaten his tenuous position at the fellowship just as a deadly earthquake strikes Mexico City on the exact same date as a legendary earthquake struck in 1985 *Pages of Mourning* is a daring captivating darkly funny novel that grapples with uncertainty and loss in a land of violence and superstition while questioning whether Magical Realism as a genre is capable of confronting the brutal dissonance of a country that awaits the return of the missing while not wholly acknowledging their death Monumental lyrical and engrossing *Pages of Mourning* is a towering accomplishment by one of the most exciting new writers at work today *The Guide to Latin American Paperback Literature* Charles Joseph Fleener, Ron Seckinger, 1966

Tulum David Seth Michaels, 2011-11-28 Narrated by a quirky garrulous eccentric gringo with a shady past who has been hiding out in Tulum Quintana Roo Mexico for decades David Seth Michaels's magical second novella *Tulum* describes the beginning of the narrator's friendship with an unusual Mayan Curandero and his becoming an apprentice to him The narrator initially seeks out the curandero in desperation for relief from an annoying medical problem But he later wonders whether the curandero is playing frightening mischievous tricks on him Is the curandero making events occur or is he only predicting them accurately Is he toying with the narrator Regardless will the curandero intervene to help him get what he wants The doubts are eventually overcome by the narrator's attraction to the curandero's obvious mastery of the unseen and his gratitude for the curandero's repeated assistance in protecting him and helping him fulfill his wishes Set in Mexico's beautiful Riviera Maya and Cuba this story of friendship is a humorous delightful spiritual journey in which the hidden is far more important than the obvious surprises abound and wishes come true It is also a love letter to a beloved Mayan town poised on the cusp of enormous global change *The Publishers Weekly*, 1994 **Encyclopedia of Modern Mexico** David W. Austral Carlos Fonseca, 2023-05-23 From Carlos Fonseca comes a dazzling novel about legacy memory and the desire to know and be known Julio is a disillusioned professor of literature a perpetual wanderer who has spent years away from his home teaching in the United States He receives a posthumous summons from an old friend the writer Aliza Abrevanel to uncover the mysteries within her final novel Aliza had raced to finish her work as her mind deteriorated In her manuscript is a series of interconnected accounts of loss tales that set Julio hurtling on a journey to uncover their true meaning Austral tracks Julio's trip from Aliza's home in an Argentine artists colony to a forgotten city in Guatemala to the Peruvian Amazon and through Nueva Germania the antisemitic commune in Paraguay founded by Elisabeth Frier Nietzsche A story of

mourning and return to one's native country to one's darkest memories to oneself Carlos Fonseca's *Austral* interrogates the obsessions and upheavals faced by survivors of a rapidly globalizing world A treasure map of intertwined experiences each cleaving its own path through time the novel is a fascinating investigation into the disappearance of culture and memory and a charting of the furthest limits of what language can do With this remarkable exploration of the traces we leave behind those we erase and how we seek to rebuild Carlos Fonseca confirms his status as one of the most powerful voices in contemporary Latin American literature
