Bond,Edward Adams,2020-02-06 This volume examines and discusses selected Bible documentaries and academically informed dramatizations of the Bible With a major focus on recent productions in UK mainline television within the past 15 years the contributors also engage with productions from the USA After a critical introduction by Helen K Bond charting and reflecting on the use of the Bible on television in recent years the book falls into three sections First a number of influential filmmakers and producers including Ray Bruce and Jean Claude

Bragard discuss their work in relation to the context and constraints of television especially religious television programming The volume then moves to reflections of various academics who have acted as talking heads historical consultants and presenters allowing discussion of different aspects of the process including the extent to which they had influence and how their contributions were used Finally a number of scholars assess the finished products discussing what they tell us about the modern reception of the Bible with additional consideration of how these productions influence biblical scholars and contribute to the scholarly agenda

At a Moment's Notice Barry Blackstone, 2023-02-10 *At a Moment's Notice* is the very first writing project the author ever attempted in 1988 After thirty five years the author took a second look at the series of devotionals and decided they needed to be made into a book *At a Moment's Notice* contains fifty chapters based upon the truth of the title Gleaning from the word of God the Bible the preacher in the author recognized that more often than not the main characters underlined in the Scriptures reacted immediately to certain situations and circumstances they were confronted with Take a trip through Holy Writ as we encounter the judge Shamgar as he comes face to face with a marauding band of Philistines in his field as Lydia the purple saleswoman meets Paul by a river in Philippi as Hur helps Moses at a moment's notice with the Rod of God that eventually wins an important battle as Simeon comes into Herod's Temple just at the right moment to meet the Christ child and as Naboth has to make the most difficult decision of his life that will also cost him his life Though the actions and reactions of each famous or infamous hero or heroine highlighted in the book have the same quality the lessons being taught are as varied as the stories being told Take a few moments to read the account and ponder what is being taught and then hopefully an application can be made in the reader's heart at a moment's notice
