**Peeps** Scott Westerfeld, 2006-09-07 A year ago Cal Thompson was a college freshman more interested in meeting girls and partying than in attending biology class Now after a fateful encounter with a mysterious woman named Morgan biology has become literally Cal's life Cal was infected by a parasite that has a truly horrifying effect on its host Cal himself is a carrier unchanged by the parasite but he's infected the girlfriends he's had since Morgan All three have turned into the ravening ghouls Cal calls Peeps The rest of us know them as vampires It's Cal's job to hunt them down before they can create more of their kind Bursting with the sharp intelligence and sly humor that are fast becoming his trademark Scott Westerfeld's novel is an utterly original take on an archetype of horror **Washout Express** Jody Day, 2013-06-28 Bailey Brown has just lost her job her birthright and her fiancé Loaded with enough insecurities to fill a suitcase she prays for God to show her the way and then hits the road feeling like the ultimate loser Exit 477 Washout Express The roadside sign taunts Bailey Is God confirming she's expressly washed up Or does He have something better for her waiting at the end of the exit ramp

**Heaven** Thomas Brooks, Secret duties are the most soul enriching duties writes Brooks in this treatise on private prayer Look as secret meals make fat bodies so secret duties make fat souls And as secret trades brings in great earthly riches so secret prayers makes many rich in spiritual blessings and in heavenly riches Private prayer is that secret key of heaven which unlocks all the treasures of glory to the soul The best riches and the sweetest mercies God usually gives to His people when they are in their closets upon their knees All the graces of the saints are enlivened and nourished and strengthened by the sweet secret influences which their souls fall under when they are in their closet communion with God Certainly there are none so rich in gracious experiences as those who are most exercised in closet duties As the tender dew which falls in the silent night makes the grass and herbs and flowers to flourish and grow more abundantly than great showers of rain which fall in the day so secret prayer will more abundantly cause the sweet herbs of grace and holiness to grow and flourish in the soul than all those more open public and visible duties of religion which too too often are mingled and mixed with the sun and wind of pride and hypocrisy      *Recon Trooper* Hugh Warren West, John Scura, 2014-01-10 Hugh Warren West was drafted into the U S Army in 1942 during the height of the Second World War After nearly two years of intensive training he went to Europe with the 14th Armored Division This combat memoir covers fighting in Alsace crossing the Rhine breaching the Siegfried line and battling throughout southern Germany Based on official unit histories and exhaustive interviews with West this soldier s story is rich in personal anecdotes that run the gamut from humor to horror      *Private Prayer* Thomas Brooks, 2025-06-01 Private prayer how can a Christian live without it This may be a question very easy to answer to How about this one What can a Christian obtain by his prayers Or maybe what can a Christian obtain by his private prayers when that Christian believes in a sovereign God in a sovereign application of the providence of God The Puritan Thomas Brooks defines what private or closet prayer is identifies its boundaries and provides biblical answers to a mountain of questions and objections to private prayer and how a Christian can use it as a key to open the heaven to obtain the answer from God Private Prayer is not just another book on prayer it has all the ingredients to rekindle your devotional life sound doctrinal foundations devotional warmth Christ centered content and even evangelistic thrust This book was originally published in 1665 This edition has been proofread typeset for eBook readers and lightly updated for modern readers      **The Victor** **Book of the Opera** Samuel Holland Rous, 1912      *The Victor Book of the Opera* , 1912      **Sylva Sylvarum, Or, A Natural History, in Ten Centuries** Francis Bacon, William Rawley, 1670      **The Plays of David Garrick** David Garrick, 1980 David Garrick s accomplishments as an actor manager and theatrical innovator brought him great fame and fortune and his ideas influenced not only his own age but succeeding ages as well Yet as a playwright a part of the elegant combination of talents that was David Garrick he has never achieved the critical reputation he richly deserves in main because of the unavailability of texts and the lack of proper assessment of the historic importance of his plays in the English theatre This first complete edition makes available to scholars and students all the plays of Garrick in well edited texts with commentary and notes The

two volumes of Garrick's own plays published together here include the twenty two plays of the Garrick canon attributable to him Garrick's claim to serious consideration as a playwright rests upon these plays written between 1740 and 1775 They are not all masterpieces but their inclusion here arranged in chronological order will enable the stage historian to assess Garrick's progress as a dramatist Contents Cymon A Dramatic Romance 1767 Lincoln's Travels An Interlude 1767 A Peep Behind the Curtain or The New Rehearsal 1767 The Jubilee 1769 The Institution of the Garter or Arthur's Roundtable Restored 1771 The Irish Widow 1772 A Christmas Tale A New Dramatic Entertainment 1773 The Meeting of the Company or Bayes's Art of Acting 1774 Bon Ton or High Life above Stairs 1775 May Day or The Little Gipsy 1775 and The Theatrical Candidates 1775

**Behn Five Plays** Aphra Behn, 2014-03-20 Aphra Behn was among the wittiest and most prolific playwrights of her day The Widow Ranter is a tragicomedy The False Count concerns the marriage of a young woman to a much older man whilst The Lucky Chance ran into instant criticism for immorality The Rover is her most famous comedy and Abdelazar is her only tragedy Masterpieces are not single and solitary births they are the outcome of many years of thinking in common All women together ought to let flowers fall upon the tomb of Aphra Behn Virginia Woolf on Aphra Behn
