Bowker's Directory of Videocassettes for Children 1999 R R Bowker Publishing, Bowker, 1999-03 **TV in the USA** Vincent LoBrutto, 2018-01-04 This three volume set is a valuable resource for researching the history of American television. An encyclopedic range of information documents how television forever changed the face of media and continues to be a powerful influence on society. What are the reasons behind enduring popularity of television genres such as police crime dramas, soap operas, sitcoms, and reality TV? What impact has television had on the culture and morality of American life? Does television largely emulate and reflect real life and society or vice versa? How does television's influence differ from that of other media such as newspapers and magazines, radio, movies, and the Internet? These are just a few of the questions explored in the three volume encyclopedia *TV in the USA: A History of Icons, Idols, and Ideas*. This expansive set covers television from 1950 to the present day, addressing shows of all genres, well known programs, and short lived series alike broadcast on the traditional and cable networks. All three volumes lead off with a keynote essay regarding the technical and historical features of the decade's covered. Each entry on a specific show investigates the narrative, themes, and history of the program, provides comprehensive information about when the show started and ended, and why, and identifies the star players, directors, producers, and other key members of the crew of each television production. The set also features essays that explore how a particular program or type of show has influenced or reflected American society, and it includes numerous sidebars packed with interesting data, related information, and additional insights into the subject matter. **Bowker's Complete Video Directory 1996** R R Bowker Publishing, 1996 **Variety's Complete Home Video Directory**, 1989 *Billboard*, 1996-09-07 In its 114th year, *Billboard* remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform. *Billboard* publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital, and mobile entertainment issues and trends. **Tla Film and Video Guide** Wax, 1994-07 **Video Source Book** Gale Group, 1999-10-28 A guide to programs currently available on video in the areas of movies, entertainment, general interest, education, sports, recreation, fine arts, health science, business, industry, children, juvenile, how to, instruction. **ISBD(CR): International Standard Bibliographic Description for Serials and Other Continuing Resources** ISBD (S): International Standard Bibliographic Description for Serials, 2019-01-14 No detailed description available for ISBD CR.
