Pegasus Cecil Day Lewis, 1958      Pegasus and Other Poems C. Day Lewis, 2011-09-28 A collection of poetry from Cecil Day Lewis Poet Laureate from 1968 until his death in 1972 Originally published in 1957 this collection shows how much his style had changed after having distanced himself from Auden In 1951 he became only the second living writer after TS Eliot to be featured in the popular series of Penguin Poets paperbacks In his introduction he wrote Looking back over my verse of the last 20 years I was struck by its lack of development in the sense of one poetic phase emerging recognizably from the previous one and leading inevitably to the next it would all be much tidier and more in accordance with critical specifications were this not so But my verse seems to me a series of fresh beginnings rather than a continuous line      **Pegasus and Other Poems** Julien Hart, 2000-01-01      **Pegasus and Other Poems** C. demonstrates that much of his best work was written after the thirties and establishes him as one of the most significant and accomplished British poets of the modern period     *The Two Angels; and Other Poems* Anonymous,2025-08-13 Reprint of the original first published in 1875 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage     Twentieth Century Crime & Mystery Writers NA NA,2015-12-25     *The Two Angels and other Poems* Alexander Anderson,2024-01-30 Reprint of the original first published in 1875     Selected Poems Cecil Day Lewis,2004 This broad retrospective allows the reader a proper view of the technical variety and range of Day Lewis work from the pastoral lyrics of his youth inspired by Hardy and Yeats through the political verse of the 1930s to the reflective and more personal poems of his later years     *Mid-Victorian Poetry, 1860-1879* Catherine Reilly,2000-01-01 These two volumes list late and mid Victorian poets with brief biographical information and bibliographical details of published works The major strength of the works is the discovery of very many minor poets and their work unrecorded elsewhere     Poems Henry ATTWELL,1856
