Peggy Noonan On Ronald Reagan Character Above All Vol 6:

Hollywood's White House Peter C. Rollins, John E. O'Connor, 2010-09-12 Winner of the 2003 Ray and Pat Browne Book Award given by the Popular Culture Association The contributors to Hollywood's White House examine the historical accuracy of these presidential depictions illuminate their influence and uncover how they reflect the concerns of their times and the social and political visions of the filmmakers The volume which includes a comprehensive filmography and a bibliography is ideal for historians and film enthusiasts Words on Cassette, 2002 R R Bowker Publishing, 2002

Meeting the Moment William Haldeman, 2024-11-01 The histories presented here are of a select group of US presidents their inspired leadership characteristics and how they may inspire us today The traits these presidents possessed were cultivated over a lifetime of lived experience and immortalized through the power of the presidential word speeches letters and addresses which collectively represent the most transcendent documents in American history Viewed through the lens of nuance complication human emotion pathos and drama William Haldeman sets forth the lives of these presidents in ways to help inform our own lives from leveraging our experience and instincts to making the right calls when they matter the most Grounded in an interdisciplinary approach Haldeman appeals to both scholars and general audience readers alike offering a refreshing view of presidential leadership that not only elevates leadership as a central part of the scholarly field but also broadly engages American presidency enthusiasts and readers of history biography politics and leadership development

Books Out Loud, 2004 **Words on Cassette, 1999** Bowker Editorial Staff, Staff Bowker R R, Bowker, 1999-02 The Big Con Jonathan Chait, 2008-09-03 The scam of supply side economics is clearly and convincingly explained in a classic of political journalism Michael Lewis Jonathan Chait has written for a range of publications from the Wall Street Journal to the Washington Post and considers himself a moderate But he's convinced that American politics has been hijacked Over the past three decades a fringe group of economic hucksters has corrupted and perverted our nation's policies Chait argues revealing in *The Big Con* how these canny zealots first took over the Republican Party and then gamed the political system and the media so that once unthinkable policies without a shred of academic expert or even popular support now drive the political agenda regardless of which party is in power The principle is supposedly small government but as he demonstrates the government is no smaller than it was in the days of Ronald Reagan it's simply more debt ridden and beholden to wealthy elites Why have these ideas succeeded in Washington even as the majority of the country recognizes them for the nonsense they are How did a clique of extremists gain control of American economic policy and sell short the country's future And why do their outlandish ideas still determine policy despite repeated electoral setbacks Explaining just how things work in Washington DC and distinguishing between short term volatility in the political weather and the long term radical shift in the political climate Chait presents a riveting drama of greed and deceit that should be read by every concerned citizen Chait is both very serious and seriously funny as he traces the rise of conservatism over the past thirty years Michael Kinsley

Publishers Weekly ,1995 **The New York Times Book Review** ,1991-04 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback **The Book Review Digest** ,2005 **The American Enterprise** ,2000 **Subject Guide to Books in Print** ,2001 **Life** ,1988 Canadian Periodical Index 1998 ,1999 **Cornell Hotel School** ,2007
