101 WAYS TO BE LUCKY Richard de Meath, 2012-07-23 The challenge of this book is one that proved attractive to the writers eliciting quite a wide variety of interesting thoughts that I urged them to keep to themselves and surprise me I feel confident the resulting views are not only appealing but quite possibly will also encourage you to think along more positive lines Many of the writers believe that luck is more of a state of mind rather than mere chance Others who claim that it is better to be born lucky than rich and I must say that I too think along these lines There are writers who write of the
