Yücel Güçlü,2022-04-08 The history of the Holocaust is far from complete Even with more than seven decades of Holocaust research and writing behind us there are many specialist topics within Holocaust historiography that have not been dealt with in detail including the role of Turkey This has caused the researchers of the Holocaust in other countries to often include limited outdated and sometimes incorrect data about Turkey in their studies Within the flood of publications on Holocaust history that has been rising since the 1990s and which has maintained its momentum ever since studies on the role of Turkey remain comparatively underexplored Selahattin İlkmen a Turk is the only Muslim diplomat who thus far has been designated as Righteous among the Nations by the Yad Vashem the Holocaust Martyrs and Heroes Authority in Jerusalem for saving at his own risk the lives of 42 Jews in Rhodes from the Nazis in 1944 Thus momentarily thrust into prominence he excites a certain curiosity However current scholarship has failed to reveal a single monograph or even an article in periodical literature on him Neither Turk nor Westerner has devoted more than a few pages to his exploits References to him in other sources are slight and fall short of explaining a satisfactory explanation of his deeds The remarkable story of İlkmen is an important but little known aspect of Turkish history in the Second World War period He is an individual who has not received the attention he deserves This book serves to fill this historiographical void It draws on the previously unused files of the Turkish Ministry of Foreign Affairs the Yad Vashem Archives and available primary and secondary sources in Turkish English and French The Geodynamics of the Aegean and Anatolia Tuncay Taymaz,Yücel Yilmaz,Yildirim Dilek,2007 This book contains current results and ideas regarding the geodynamics of the Aegean and Anatolia *Moon Greek Islands & Athens* Moon Travel Guides,Sarah Souli,2020-04-07 Soak up the sun dance till dawn hike through wild forests or explore Greek history Escape to the Mediterranean with Moon Greek Islands Athens Choose the right
