

The background of the entire image is a stylized, painterly illustration of an art gallery. On the left, a person in a dark coat stands with their back to the viewer, looking at a large artwork on the wall. This artwork depicts a glowing blue DNA double helix structure against a dark background. To the right of this, two more framed artworks are visible on the wall. The top one shows a classical-style face, and the bottom one shows a dark, abstract scene. The floor is a light tan color, and the walls are a neutral tone. The overall lighting is soft, with some blue and white brushstrokes visible in the upper and lower portions of the image, suggesting a modern or experimental art space.
