Fault, Responsibility, and Administrative Law in Late Babylonian Legal Texts F. Rachel Magdalene, Cornelia Wunsch, Bruce Wells, 2019-10-23 This book presents a reassessment of the governmental systems of the Late Babylonian period specifically those of the Neo Babylonian and early Persian empires and provides evidence demonstrating that these are among the first to have developed an early form of administrative law The present study revolves around a particular expression that in its most common form reads *u a arri i addad* and can be translated as he will be guilty of an offense against the king The authors analyze ninety six documents thirty two of which have not been previously published discussing each text in detail including the syntax of this clause and its legal consequences which involve the delegation of responsibility in an administrative context Placing these documents in their historical and institutional contexts and drawing from the theories of Max Weber and S N Eisenstadt the authors aim to show that the administrative bureaucracy underlying these documents was a more complex systematized and rational system than has previously been recognized Accompanied by extensive indexes as well as transcriptions and translations of each text analyzed here this book breaks new ground in the study of ancient legal systems **Scottish Feminist Judgments** Sharon Cowan, Chloë Kennedy, Vanessa E Munro, 2019-12-12 An innovative collaboration between academics practitioners activists and artists this timely and provocative book rewrites 16 significant Scots law cases spanning a range of substantive topics from a feminist perspective Exposing power politics and partiality feminist judges provide alternative accounts that bring gender equity concerns to the fore whilst remaining bound by the facts and legal authorities encountered by the original court Paying particular attention to Scotland's distinctive national identity fluctuating experiences of political sovereignty and unique legal traditions and institutions this book contributes in a distinctive register to the emerging dialogue amongst feminist judgment projects across the globe Its

judgments address concerns not only about gender equality but also about the interplay between gender class national identity and citizenship in contemporary Scotland The book also showcases unique contributions from leading artists which provoked by the enterprise of feminist judging or by individual cases offer a visceral and affective engagement with the legal The book will be of interest to academics practitioners and students of Scots law policy makers as well as to scholars of feminist and critical theory and law and gender internationally
