the Irish Perspectives series From the early Christian era Irish missionaries traveled across Europe From the early modern period Irish soldiers served across the world in various European armies and empires And in the modern era Ireland s position on the edge of the Atlantic made Irish emigrants amongst the most visible migrants in an era of mass migration Ranging from Europe to Africa to the Americas and Australia this anthology explores the lives and experiences of Irish educators missionaries soldiers insurgents from those who simply sought a better life overseas to those with little choice in the matter all establishing an Irish presence across the globe as they did so *In Search of Ulster-Scots Land* Barry Vann,2008 Social and religious historians have conducted much research on Scottish colonial migrations to Ulster however there remains historical debate as to whether the Irish Sea in the seventeenth century was an intervening obstacle or a transportation artery Vann presents a geographical perspective on the topic showing that most population flows involving southwest Scotland during the first half of the seventeenth century were directed across the Irish Sea via centuries old sea routes that had allowed for the formation of evolving cultural areas As political or religious motivational factors presented themselves in the last half of that century Vann holds the established social and familial links stretched along those sea routes facilitated chain migration that led to the birth of a Protestant Ulster Scots community Vann also shows how this community constituted itself along religious and institutional rubrics of dissent from the Church of England Church of Scotland and Church of Ireland *The American Presence in Ulster: A Diplomatic History, 1796-1996* American Presence in Ulster Francis M. Carroll,2005-12 Alex Voorman a cerebral thirty year old archaeologist is married to the woman of his dreams a beautiful ambitious botanist named Isabel When Isabel is killed by a reckless driver Alex reluctantly consents to donate her heart Janet Corcoran a young headstrong mother of two and an art teacher at an inner city school in Chicago is sick with heart disease She is on the waiting list for a transplant but her chances are slim She watches the Weather Channel secretly praying for foul weather and car accidents The day Isabel dies Janet gets her wish Flash forward a year Janet sends Alex a letter She d like to learn something about the woman who saved her life But Alex isn t interested in talking to the recipient of his dead wife s heart Since Isabel s accident he s still grief stricken Meanwhile a local blues musician named Jasper the man responsible for Isabel s death attempts to atone for his misdeed Irreplaceable is the story of what happens after the transplant not only to Alex but within the concentric circles of family that spiral outward from him and from Janet Stephen Lovely takes us vividly inside the lives of these characters to reveal their true intentions however misguided and gives us a stunning debut novel of loss and love *Hard Neighbors* Colin G Calloway,John Kimble Jr 1943 Professor of History and Professor of Native American and Indigenous Studies Colin G Calloway,2024-12-02 Colin Calloway offers an intricate portrait of the early American settlers who came to be known as Scotch Irish from their origins on borderlands on one side of the Atlantic to their crucial part in conquering borderlands on the other Hard neighbors as they were called the Scotch Irish were the tip of the spear of white colonial expansion into Indian lands earning a reputation first as Indian killers
