Scott Turow:

One L Scott Turow, 2010-08-03 *One L* Scott Turow's journal of his first year at law school and a best seller when it was first published in 1977 has gone on to become a virtual bible for prospective law students. Not only does it introduce with remarkable clarity the ideas and issues that are the stuff of legal education, it brings alive the anxiety and competitiveness with others and even more with oneself that set the tone in this crucible of character building. Each September a new crop of students enter Harvard Law School to begin an intense, often grueling, sometimes harrowing year of introduction to the law. Turow's group of *One L*s are fresh, bright, ambitious, and more than a little daunting. Even more impressive are the faculty. Will the *One L*s survive? Will they excel? Will they make the *Law Review*, the outward and visible sign of success in this ultra-conservative microcosm? With remarkable insight into both his fellows and himself, Turow leads us through the ups and downs, the small triumphs and tragedies of the year in an absorbing and thought-provoking narrative that teaches the reader not only about law school and the law but about the human beings who make them what they are. In the new afterword for this edition of *One L*, the author looks back on law school from the perspective of ten years' work as a lawyer and offers some suggestions for reforming legal education.

Scott Turow Andrew F. Macdonald, Gina Macdonald, 2005-05-30 Scott Turow is a novelist, lawyer, and humanist who has fused his two passions, writing and the law, to create challenging novels that raise significant legal issues and test the justice of present laws. In all of his books, Turow reveals the moral ambiguities that afflict both accuser and accused and challenges his readers to reconsider their preconceived notions of justice. Beginning with *One L*, his first published work about the first year law school experience, Turow continues to capture his readers' imaginations with books such as *Presumed Innocent* and *Burden of Proof*.

The Burden of Proof Scott Turow, 2009-12-28 In *The Burden of Proof*, Scott Turow probes the fascinating and complex character of Alejandro Stern as he tries to uncover the truth about his wife's life. Late one spring afternoon, Alejandro Stern, the brilliant defense lawyer from *Presumed Innocent*, comes home from a business trip to find that Clara, his wife of thirty years, has committed suicide.
