

Making a Difference (ELC) Award

Hillend Children Centre,
Inverclyde Council

Hillend Children Centre started as a local community clinic, delivering a range of services to children and families including weighing and dental care.

Hope Cottage Nursery,
City of Edinburgh Council

Hope Cottage Nursery's Eco Pledge builds on its wildlife-friendly garden, Forest Schools and recycling mission.

The nursery has pledged to cut down on plastics, cut out microplastics, and decrease artificial ingredients.

West Johnstone Early
Learning & Childcare Centre,
Renfrewshire Council

At West Johnstone Early Learning & Childcare Centre, the forest and outdoor environment is key to supporting and nurturing well-being, learning and curiosity.

Scottish Education Looks Ahead

Anthony Barker

Scottish Education Looks Ahead:

Scottish Education Looks Ahead John Donald Nisbet, 1969 **Scottish Education Looks Ahead** John Donald Nisbet, Gordon Kirk, 1969 The Process of Learning Mathematics L. R. Chapman, 2016-06-06 The Process of Learning Mathematics is a collection of essays from a two term course of intercollegiate lectures for students of B Ed degree This collection starts with two different views on the nature of mathematics One essay discusses the role of intuition in understanding mathematics while another paper expounds on the role of logic This book then discusses the generalization structure and approximations used in teaching mathematics and emphasizes the problems of applied mathematics and technology pertaining to equations of motion mathematical representation of physical phenomena or in relations such as conservation of matter One paper reviews Piaget s studies on the development of children s thinking process noting that teachers should consider the level of thinking the pupil uses when designing his teaching material Another essay deals with how the existing knowledge in a student can affect new kinds of learning through assimilation and accommodation This book then describes the use of symbols and reflective intelligence addressing reflective activities communication and the contribution of symbols This text then discusses computer assisted education and several mathematical teaching or learning experiments This compendium can prove useful for mathematics majors educators school administrators and math teachers

The Scottish Educational Journal , 1920 **The Palgrave Handbook of Teacher Education Research** Ian Menter, 2023-03-24 This handbook presents a timeless comprehensive and up to date resource covering major issues in the field of teacher education research In a global landscape where migration inequality climate change political upheavals and strife continue to be broadly manifest governments and scholars alike are increasingly considering what role education systems can play in achieving stability and managed sustainable economic development With growing awareness that the quality of education is very closely related to the quality of teachers and teaching teacher education has moved into a key position in international debate and discussion This volume brings together transnational perspectives to provide insight and evidence of current policy and practice in the field covering issues such as teacher supply preservice education continuing professional learning leadership development professionalism and identity comparative and policy studies as well as gender equity and social justice *Quangos in Britain* Anthony Barker, 1982-03-11 Scottish education looks ahead, ed. by J. Nisbet XX W. and R. Chambers John Donald Nisbet, *Psychology and the Liberal Consensus* Charles Anderson, L. Travis, 2006-01-01 This volume presents a carefully reasoned rigorous critique of mainline academic psychology From the professional beginnings of their discipline contend the authors American psychologists have made two promises that psychology would be treated as a natural science and that its application to social mainly educational reform would be as effective as that of the more physical sciences to technological change Underlying these promises is the liberal consensus the belief that social problems are to be solved by improvements in educational methods Put to the test during the affluence of

the 1950s and 1960s the years of the liberal consensus these promises were never kept maintain the authors Their provocative study provides a variety of reasons why the goal was unattained and is even unattainable The book will be of interest to psychologists sociologists professional educators and students of social change **Teacher Education Policy and Research** Diane Mayer, 2021-08-05 In this book leading teacher education researchers from Australia Belgium Canada England Finland Hong Kong SAR the Netherlands New Zealand North Ireland Portugal Scotland the USA and Wales examine teacher education policy and research in each of their contexts The book highlights the connections and disconnections between teacher education policy and research It examines contemporary challenges and issues in teacher education including how high quality teacher education is framed how teaching quality is framed and the role of teacher education research It also considers future policy and research possibilities and opportunities for teacher education research equity and preparing teachers for work within contexts of super diversity and early career teaching **The Education of Children and Young People in State Care** Sonia Jackson, Ingrid Hojer, 2017-10-02 Young people who leave care with few or no educational qualifications are at very high risk of social exclusion in adulthood Yet in the past their education has attracted little attention from researchers or professionals Studies by the editors and contributors to this volume show that the educational standards attained by young people in care fall progressively behind those of their peers living with their own families This research based book looks at the educational experiences of children and youths in nine different European countries and Canada It identifies the obstacles that prevent them from realising their aspirations and discusses ways of improving their opportunities How can countries with different traditions welfare regimes and administrative systems learn from each other What needs to be done at national local and individual levels to give children in care equal chances with those living with their families At present a child in public care is five times less likely to go to university than others How can teachers social workers and carers better support their educational attainment and enable more of them to succeed and progress to tertiary education This book was originally published as a special issue of the European Journal of Social Work
