Scottish Capital On The American Credit Frontier

Mira WILKINS, Mira Wilkins

Scottish Capital On The American Credit Frontier:

Scottish Capital on the American Credit Frontier William Gerald Kerr, 1976 This is an unusual frontier epic chronicling the West of credits and debits collateral and interest Capital was one of the most needed commodities in Texas and the West and Scottish financiers provided vital and massive amounts W G Kerr brings to this economic history a voluminous knowledge of Anglo Scottish financial activities in the U S capturing the capital cattle and properties and the men who owned and managed them

The History of Foreign Investment in the United States to 1914 Mira Wilkins, 1989 From the colonial era to 1914 America was a debtor nation in international accounts owing more to foreigners than foreigners owed to us By 1914 it was the world's largest debtor nation Mira Wilkins provides the first complete history of foreign investment in the United States during that period The book shows why the United States was attractive to foreign investors and traces the changing role of foreign capital in the nation's development covering both portfolio and direct investment The immense new wave of foreign investment in the United States today and our return to the status of a debtor nation once again the world's largest debtor nation makes this strong exposition far more than just historically interesting Wilkins reviews foreign portfolio investments in government securities federal state and local and in corporate stocks and bonds as well as foreign direct investments in land and real estate manufacturing plants and even such service sector activities as accounting insurance banking and mortgage lending She finds that between 1776 and 1875 public sector securities principally federal and state securities drew in the most long term foreign investment whereas from 1875 to 1914 the private sector was the main attraction The construction of the American railroad system called on vast portfolio investments from abroad there was also sizable direct investment in mining cattle ranching the oil industry the chemical industry flour production and breweries as well as the production of rayon thread and even submarines In addition there were foreign stakes in making automobile and electrical and nonelectrical machinery America became the leading industrial country of the world at the very time when it was a debtor nation in world accounts

Scots in the North American West, 1790-1917 Ferenc Morton Szasz, 2000 Scots trappers dominated the fur trade often proving more loyal to clan than to trading company or nation Relying on centuries of experience raising livestock for British markets Scottish investors and managers became highly visible in the post Civil War western cattle industry with thriving outfits such as the Swan Land and Cattle Company in Wyoming They introduced new breeds to western ranching such as the Aberdeen Angus that remain popular today Similarly Scots herders dominated the western sheep industry running herds of over 100 000 animals Andrew Little's sheep ranch in Idaho was so famous that a letter addressed simply Andy Little USA found its intended recipient

The Investment Frontier John Denis Haeger, 1981-06-30 The American West did not grow in isolation from the East On the contrary New York financiers and other eastern entrepreneurs were crucial to America's western economic development providing the necessary capital and expertise to transform the West into a productive part of the nation's economy This thesis is powerfully demonstrated by John

Denis Haeger in this study concerning the Old Northwest the present day states of Ohio Michigan Indiana Illinois and Wisconsin during the years 1815 1840 The result of years of research in manuscript collections and government documents the book provides a comprehensive picture of early land speculators examining their investments in farm lands town lots banks and transportation improvements as well as their influence on western businessmen and institutions It also explores their political and economic affairs on the East Coast since these matters dramatically affected the scope of their western investments Historians generalizations about nonresident investors or eastern speculators have previously assumed a common type and business method when in fact easterners possessed varying economic goals and utilized different business strategies To demonstrate this Haeger compares and contrasts the promoter Charles Butler and the conservative speculators Isaac and Arthur Bronson key figures among New York s financial elite whose careers and strategies are for the first time described in detail The activities of these investment pioneers whose every move was calculated to return profits challenge the traditional images of westward expansion as a largely unplanned and spontaneous movement of people and capital

Anglos and Mexicans in the Making of Texas, 1836-1986 David Montejano, 2010-07-05 A benchmark publication A meticulously documented work that provides an alternative interpretation and revisionist view of Mexican Anglo relations IMR International Migration Review Winner Frederick Jackson Turner Award Organization of American Historians American Historical Association Pacific Branch Book Award Texas Institute of Letters Friends of The Dallas Public Library Award Texas Historical Commission T R Fehrenbach Award Best Ethnic Minority and Women s History Publication Here is a different kind of history an interpretive history that outlines the connections between the past and the present while maintaining a focus on Mexican Anglo relations This book reconstructs a history of Mexican Anglo relations in Texas since the Alamo while asking this history some sociology questions about ethnicity social change and society itself In one sense it can be described as a southwestern history about nation building economic development and ethnic relations In a more comparative manner the history points to the familiar experience of conflict and accommodation between distinct societies and peoples throughout the world Organized to describe the sequence of class orders and the corresponding change in Mexican Anglo relations it is divided into four periods which are referred to as incorporation reconstruction segregation and integration The success of this award winning book is in its honesty scholarly objectivity and daring in the sense that it debunks the old Texas nationalism that sought to create anti Mexican attitudes both in Texas and the Greater Southwest Colonial Latin American Historical Review An outstanding contribution to U S Southwest studies Chicano history and race relations A seminal book Hispanic American Historical Review **Theodore Roosevelt, Naturalist in the Arena** Char Miller, Clay S. Jenkinson, 2020-03-01 Theodore Roosevelt s scientific curiosity and love of the outdoors proved a defining force throughout his hectic life as a rancher and explorer police commissioner and governor of New York vice president and president of the United States Conservation and natural history were parts of a whole for this driven charismatic public servant and Roosevelt

approached the natural world with joy and a passionate engagement Drawing on an array of approaches biographical ecological and environmental literary and political Theodore Roosevelt Naturalist in the Arena analyzes this energetic man s manifold encounters with the great outdoors George Bird Grinnell Gifford Pinchot John Muir and William Hornaday were among the many conservationists with whom Roosevelt corresponded collaborated hiked and governed and in turn inspired Together Roosevelt and his contemporaries developed a progressive argument for the conservation of natural resources as a way to construct a more democratic nation state This legacy also comes with some troubling domestic and global implications as Roosevelt fused his call for the conservation of resources natural and human domestically and internationally with a deep seated conviction that some were more fit than others to control the world and define its future **Texas**

Women and Ranching Deborah M. Liles,Cecilia Gutierrez Venable,2019-01-24 Winner 2020 Liz Carpenter Award For Best Book on the History of Women The realm of ranching history has long been dominated by men from tales tall or true of cowboys and cattlemen to a century s worth of male writers and historians who have been the primary chroniclers of Texas history As women s history has increasingly gained a foothold not only as a field worthy of study but as a bold and innovative way of understanding the past new generations of scholars are rethinking the once familiar settings of the past In doing so they reveal that women not only exercised agency in otherwise constrained environments but were also integral to the ranching heritage that so many Texans hold dear Texas Women and Ranching On the Range at the Rodeo and in Their Communities explores a variety of roles women played on the western ranch The essays here cover a range of topics from early Tejana businesswomen and Anglo philanthropists to rodeos and fence cutting range wars The names of some of the women featured may be familiar to those who know Texas ranching history Alice East and Frances Kallison for example Others came from less well known or wealthy families In every case they proved themselves to be resourceful women and unique individuals who survived by their own wits in cattle country This book is a major contribution to several fields Texas history western history and women s history that are at last beginning to converge **The Free-standing Company in the**

World Economy, 1830-1996 Mira Wilkins,Harm G. Schröter,1998 Free standing companies are a special type of multinational enterprise that proliferated in the late nineteenth and early twentieth centuries some persisted into later years few remain today Many were headquartered in the United Kingdom but important free standing companies had headquarters in the other capital rich nations This book explores the history of the free standing company the theoretical implications of the concept comparisons with the American model multinational enterprise the validity of the concept and its contribution to the understanding of modern economic history Leading international scholars economists and historians provide evidence on and analysis of the operations of free standing companies in different parts of the world This is the first book on the much discussed topic of free standing companies The volume will provide a rich quarry for those interested in world economic history regional and national economic histories in the spread of international business and in the different forms that

multinational enterprises take through time **Foreign Banks and Global Finance in Modern China** Ghassan Moazzin, 2022-07-07 Explores how foreign banks financially connected modern China to international capital markets and the global economy *The History of Foreign Investment in the United States, 1914-1945* Mira WILKINS, Mira Wilkins, 2009-06-30 Mira Wilkins the foremost authority on foreign investment in the United States continues her magisterial history in a work covering the critical years 1914-1945 Wilkins includes all long term inward foreign investments both portfolio by individuals and institutions and direct by multinationals across such enterprises as chemicals and pharmaceuticals textiles insurance banks and mortgage providers other service sector companies and mining and oil industries She traces the complex course of inward investments presents the experiences of the investors and examines the political and economic conditions particularly the range of public policies that affected foreign investments She also offers valuable discussions on the intricate cross investments of inward and outward involvements and the legal precedents that had long term consequences on foreign investment At the start of World War I the United States was a debtor nation By the end of World War II it was a creditor nation with the strongest economy in the world Integrating economic business technological legal and diplomatic history this comprehensive study is essential to understanding the internationalization of the American economy as well as broader global trends

Scottish Capital On The American Credit Frontier Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Scottish Capital On The American Credit Frontier free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Scottish Capital On The American Credit Frontier free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to

download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Scottish Capital On The American Credit Frontier free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Scottish Capital On The American Credit Frontier. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Scottish Capital On The American Credit Frontier any PDF files. With these platforms, the world of PDF downloads is just a click away.
