Allison, 2011-04-08 Culloden was the last battle on British soil It marked the end of clan culture and was the harbinger of the Highland Clearances It ensured the inevitability of the American Revolution and increased the outpouring of Scots across the globe It is the only battle that British Army regiments are not permitted to include in their battle honours the only battle that Bonnie Prince Charlie ever lost and the only battle that the Duke of Cumberland ever won Culloden is a battlefield a graveyard and an iconic site that draws people from all parts of the world And as they come they bring with them their stories and their father s father s stories These stories tell of civil war of love of the unexpected and even of the supernatural They are peopled by the second sighted by clan chiefs and by others who have kept family secrets for centuries The battlefield is a poignant location resonant with past deeds and emotive memories These Culloden tales are offered as a unique record to the power of the place **Library Catalog of the Metropolitan Museum of Art, New York** Metropolitan Museum of Art (New York, N.Y.). Library, 1987 **Punishment** Mark Tunick, 1915 What actions should be punished Should plea bargaining be allowed How should sentencing be determined In this original penetrating study Mark Tunick explores not only why society punishes wrongdoing but also how it implements punishment Contending that the theory and practice of punishment are inherently linked Tunick draws on a broad range of thinkers from the radical criticisms of Nietzsche Foucault and some Marxist theorists through the sociological theories of Durkheim and Girard to various philosophical traditions and the law and economics movement He defends punishment against its radical critics and

offers a version of retribution distinct from revenge that holds that we punish not to deter or reform but to mete out just deserts vindicate right and express society's righteous anger Demonstrating first how this theory best accounts for how punishment is carried out he then provides immanent criticism of certain features of our practice that don't accord with the retributive principle Thought provoking and deftly argued Punishment will garner attention and spark debate among political theorists philosophers legal scholars sociologists and criminologists What actions should be punished Should plea bargaining be allowed How should sentencing be determined In this original penetrating study Mark Tunick explores not only why society punishes wrongdoing but also how it implements punishment *Culloden* Paul O'Keeffe, 2021-01-28 Excellent It is a tremendous tale one of the most dramatic in our island's history and O'Keeffe tells it beautifully The Times Charles Edward Stuart's campaign to seize the British throne ended with one of the quickest defeats in history on 16 April 1746 at Culloden his Jacobite army was overpowered in under forty minutes Its brutal repercussions however endured for years its legacy for centuries Paul O'Keeffe follows the Jacobite army from initial victories to calamitous defeat Exploring the battle's aftermath he chronicles the Jacobite prisoners paying for their treason on block and gibbet while those granted the King's mercy suffered the fate of forced labour on plantations in the colonies While Stuart's cause eventually acquired an aura of romanticism the Jacobite Rising remains one of the most bloody and divisive conflicts in British domestic history which resonates to this day Detailed vivid and not for the faint hearted Financial Times Fascinating meticulously researched tremendous Daily Mail Intensely readable and vividly written Neal Ascherson London Review of Books *Library of Congress Catalogs* Library of Congress, 1976 2001 Francis Edward Abernethy, 2001 Contains a sample of the research conducted by members of the Texas Folklore Society at the turn of the millennium as represented at the 1998 1999 and 2000 meetings
