

Scoundrel's Captive

JOANN DE LAZZARI

Scoundrels Captive

Henry A... Stern

Scoundrels Captive:

Scoundrel's Captive JoAnn DeLazzari, 1991 A Republic of Scoundrels David Head, Timothy C. Hemmis, 2023-12-05 The Founding Fathers are often revered as American saints here are the stories of those Founders who were schemers and scoundrels vying for their own interests ahead of the nation's We now have a clear-eyed understanding of Founding Fathers such as George Washington Benjamin Franklin Thomas Jefferson and Alexander Hamilton even so they are often considered American saints revered for their wisdom and self-sacrificing service to the nation However within the Founding Generation lurked many unscrupulous figures men who violated the era's expectation of public virtue and advanced their own interests at the expense of others They were turncoats and traitors opportunists and con artists spies and foreign intriguers Some of their names are well known Benedict Arnold and Aaron Burr Others are less notorious now but were no less threatening There was Charles Lee the Continental Army general who offered to tell the British how to defeat the Americans and James Wilkinson who served fifteen years as a commanding general in the US Army despite rumors that he spied for Spain and conspired with traitors The early years of the republic were full of self-interested individuals sometimes succeeding in their plots sometimes failing but always shaping the young nation A Republic of Scoundrels seeks to re-examine the Founding Generation and replace the hagiography of the Founding Fathers with something more realistic a picture that embraces the many facets of our nation's origins *The Captive Missionary* Henry A... Stern, 1868 **Captives and Corsairs** Gillian Weiss, 2011-03-11 *Captives and Corsairs* uncovers a forgotten story in the history of relations between the West and Islam three centuries of Muslim corsair raids on French ships and shores and the resulting captivity of tens of thousands of French subjects and citizens in North Africa Through an analysis of archival materials writings and images produced by contemporaries the book fundamentally revises our picture of France's emergence as a nation and a colonial power presenting the Mediterranean as an essential vantage point for studying the rise of France It reveals how efforts to liberate slaves from North Africa shaped France's perceptions of the Muslim world and of their own Frenchness From around 1550 to 1830 freeing these captives evolved from an expression of Christian charity to a method of state building and eventually to a rationale for imperial expansion *Captives and Corsairs* thus advances new arguments about the fluid nature of slavery and firmly links captive redemption to state formation and in turn to the still vital ideology of liberatory conquest The Captive's Quest for Freedom R. J. M. Blackett, 2018-01-25 This magisterial study ten years in the making by one of the field's most distinguished historians will be the first to explore the impact fugitive slaves had on the politics of the critical decade leading up to the Civil War Through the close reading of diverse sources ranging from government documents to personal accounts Richard J M Blackett traces the decisions of slaves to escape the actions of those who assisted them the many ways black communities responded to the capture of fugitive slaves and how local laws either buttressed or undermined enforcement of the federal law Every effort to enforce the law in northern communities produced levels of subversion that

generated national debate so much so that on the eve of secession many in the South looking back on the decade could argue that the law had been effectively subverted by those individuals and states who assisted fleeing slaves

Captives of Liberty T. Cole Jones, 2019-10-18 Contrary to popular belief the American Revolutionary War was not a limited and restrained struggle for political self determination From the onset of hostilities British authorities viewed their American foes as traitors to be punished and British abuse of American prisoners both tacitly condoned and at times officially sanctioned proliferated Meanwhile more than seventeen thousand British and allied soldiers fell into American hands during the Revolution For a fledgling nation that could barely afford to keep an army in the field the issue of how to manage prisoners of war was daunting Captives of Liberty examines how America's founding generation grappled with the problems posed by prisoners of war and how this influenced the wider social and political legacies of the Revolution When the struggle began according to T Cole Jones revolutionary leadership strove to conduct the war according to the prevailing European customs of military conduct which emphasized restricting violence to the battlefield and treating prisoners humanely However this vision of restrained war did not last long As the British denied customary protections to their American captives the revolutionary leadership wasted no time in capitalizing on the prisoners ordeals for propagandistic purposes Enraged ordinary Americans began to demand vengeance and they viewed British soldiers and their German and Native American auxiliaries as appropriate targets This cycle of violence spiraled out of control transforming the struggle for colonial independence into a revolutionary war In illuminating this history Jones contends that the violence of the Revolutionary War had a profound impact on the character and consequences of the American Revolution Captives of Liberty not only provides the first comprehensive analysis of revolutionary American treatment of enemy prisoners but also reveals the relationship between America's political revolution and the war waged to secure it

The Kitchen Witch Annette Blair, 2018-11-13 Is she a good witch or a bad witch With a flip of her long silky hair a flash of her topaz eyes and the shake of a stick rumored witch Melody Seabright has cast a spell on single dad Logan Kilgarven What else can explain what's happening to him Logan a television producer can't seem to concentrate on anything since he met his enchanting new downstairs neighbor Logan hopes she is bad very bad When Logan agrees to help Melody find a job at his TV station he never expects the culinary challenged siren to land her own cooking show Her charisma keeps things bubbling on the set and behind the scenes things are starting to steam up between them Logan knows he can't resist her charms but is there more to their attraction than is apparent on the surface If only he had a crystal ball to show him

Fangs for the Memories Annette Blair, 2018-11-13 On the run from the mob Bronte McBride and her twelve year old nephew Zachary need the kind of protection that only the mysterious and handsome Darkwyn a former Scottish warrior turned dragon turned man again can offer Marked for termination as a result of their separate dreadful pasts will Darkwyn and his perceived heart mate find the freedom to explore their initial attraction Or will his mortal enemy and her syndicate family secrets merge to destroy them all
