spent in the open and with few nights under roof had enlarged Harry Kenton's frame and had colored his face a deep red. His great ancestor Henry Ware had been very fair and Harry like him became scarlet of cheek under the beat of wind and rain. Had anyone with a discerning eye been there to see he would have called this youth one of the finest types of the South that rode forth so boldly to war. He sat his saddle with the ease and grace that come only of long practice and he controlled his horse with the slightest touch of the rein. The open frank face showed hate of nobody although the soul behind it was devoted without any reserve to the cause for which he fought.

The two principal characters are cousins Harry Kenton, a lad who fights on the Southern side, and Dick Mason who fights on the Northern side. The stories follow their lives throughout the campaigns and battles of the American Civil War between the Northern and Southern states. Harry glanced at him. He was conscious of a certain cold tenacity in Dick's voice. He felt that a veil of antagonism had suddenly been drawn between these two who were the sons of sisters and who had been close comrades all their lives. His heart swelled suddenly. As if by inspiration he saw ahead long and terrible years. The series begins with the First Bull Run and ends at Appomattox, with each story focusing on different perspectives as seen by the two sides.
