Scrap Craft For Youth Groups:

Scrap Craft for Youth Groups Gerry Fleming, 1969 **Teen Craft Projects 2** Tina Coleman, Peggine Llanes, 2013-06-18

From the authors of the enormously popular Hipster Librarian's Guide to Teen Craft Projects comes an all new selection of innovative ideas. These projects have been chosen especially to engage tweens and teens and have been field tested by YA librarian Amy Alessio's Teen Corps students in grades 6-12 at the Schaumburg Township IL Public Library. For maximum fun this book includes a variety of crafts that make use of recycled and repurposed materials. Lists the tools and equipment needed for each project followed by step by step instructions and photographs. Assigns a difficulty level, ideal group size and suggests a timeframe for each activity. Offers several quick fire options to fit crafting into shorter time slots. With numerous projects easy enough to be assembled in the library either by groups or someone working alone, this book will get YA librarians, educators and their students whipping up creative crafts in no time.

Group Work Nano McCaughan, 2021-11-07. Group work is central to social work whether it be work with individuals and families, residential care, community work, management or social work education. Despite however the upsurge of interest in this aspect of social work method at the time, *Group Work: Learning and Practice* originally published in 1978 represented the first attempt at providing an up to date and carefully integrated source book for students in the form of a series of mainly original and British papers on social group work. Its knowledge base, the possible varieties of practice settings and objectives and its implications for social work education and training models. For new directions in social work education suggested that the small group was to become the core system around which much future social work teaching would be based. The main concern of this new National Institute for Social Work reader, the development and demonstration of intervention skills in practice would be particularly relevant. The book draws attention to the opportunities for work with groups in the community, in residential institutions and with families where the emphasis was rapidly shifting towards the need for greater understanding and use of the small group dimension. *Group Work: Learning and Practice* would
