# Scripture And Ethics Twentieth Century Portraits

**Jeffrey Siker**

## **Scripture And Ethics Twentieth Century Portraits:**

**Scripture and Ethics** Jeffrey Siker, 1996-12-19 How should the Bible be used in Christian ethics Although this question has been addressed many times little attention has gone to how the Bible actually has functioned in constructing theological ethics In this book Siker describes and analyzes the Bible s various uses in the theology and ethics of eight of the twentieth century s most important and influential Christian theologians Reinhold Niebuhr H Richard Niebuhr Bernhard Haring Paul Ramsey Stanley Hauerwas Gustavo Gutierrez James Cone and Rosemary Radford Ruether Of each author Siker asks five related questions which biblical texts does the author in fact use in what ways are the texts used how does the author envision the authority of the Bible what kind of hermeneutic does the author employ and what has each author s approach to the Bible yielded in terms of Christian ethics Siker ends each chapter with a critical evaluation of the various problems and prospects for the author s use of Scripture and concludes the study with a comparison and contrast of the authors respective appropriations of the Sermon on the Mount

Scripture and Ethics Jeffrey S. Siker, 2023 *Scripture and Ethics* Jeffrey S. Siker, 1997 Siker brings together the history of biblical interpretation and the study of uses of the Bible in Christian ethics to examine how the Bible has actually been used in Christian theological ethics and in the process profiling eight influential twentieth century theologians

A History of Catholic Moral Theology in the Twentieth Century James F.

Keenan, 2010-01-17 This is an historical survey of 20th Century Roman Catholic Theological Ethics also known as moral theology The thesis is that only through historical investigation can we really understand how the most conservative and negative field in Catholic theology at the beginning of the 20th could become by the end of the 20th century the most innovative one The 20th century begins with moral manuals being translated into the vernacular After examining the manuals of Thomas Slater and Henry Davis Keenan then turns to three works and a crowning synthesis of innovation all developed before during and soon after the Second World War The first by Odon Lottin asks whether moral theology is adequately historical Fritz Tillmann asks whether it s adequately biblical and Gerard Gilleman whether it s adequately spiritual Bernard Haering integrates these contributions into his Law of Christ Of course people like Gerald Kelly and John Ford in the US are like a few moralists elsewhere classical gate keepers censoring innovation But with Humanae vitae and successive encyclicals bishops and popes reject the direction of moral theologians At the same time moral theologians like Josef Fuchs ask whether the locus of moral truth is in continuous universal teachings of the magisterium or in the moral judgment of the informed conscience In their move toward a deeper appreciation of their field as forming consciences they turn more deeply to local experience where they continue their work of innovation Each continent subsequently gives rise to their own respondents In Europe they speak of autonomy and personalism in Latin America liberation theology in North America Feminism and Black Catholic theology and in Asia and Africa a deep post colonial interculturatism At the end I assert that in its nature theological ethics is historical and innovative seeking moral truth for the conscience by looking to

speak crossculturally

**Biblical Ethics in the 21st Century: Developments, Emerging Consensus, and Future**

**Directions** Lúcas Chan, SJ; foreword by James F. Keenan, SJ, 2013 Reviews and critiques the major attempts at biblical ethics over the past twenty years by both biblical theologians and theological ethicists focusing on New Testament ethics as an illustration

*An Annotated Guide to Biblical Resources for Ministry* David R. Bauer, 2011-04-01 David Bauer's *Annotated Guide to Biblical Resources for Ministry* is without doubt the most complete and up to date practical bibliographic compendium on the Bible now available All interpreters of Scripture pastors and teachers will find the information provided here useful and accessible Especially valuable are the annotations of selected books which offer careful and informed judgments about the usefulness of the works and provide succinct but informative and accurate descriptions and evaluations of each book While Bauer is a New Testament teacher his choices and assessments in the Old Testament bibliography are as good as any Old Testament scholar could produce I do not know of any comparable work for pastors and teachers Patrick D Miller Charles T Haley Professor of Old Testament Theology Princeton Theological Seminary This is one of those rare bibliographic guides that every student of religion seminarian and minister will want to have on his or her bookshelf The focus of this guide is on biblical studies It contains entries on 2 200 books written by 1 300 scholars Annotations describe and evaluate books that are highly recommended Virtually every topic in biblical studies is noted commentaries on each book of the Bible biblical histories theologies and ethics books on the canon archaeology early Judaism and interpretive methods and technical books such as grammars concordances Bible dictionaries and atlases The great strength of this guide is not only that it provides the reader with a wealth of information but also that the format it follows is eminently reader friendly The Guide is invaluable for assisting the student seminarian or minister in building a personal library I highly recommend it Jack Dean Kingsbury Professor Emeritus of Biblical Theology Union Theological Seminary in Virginia This book provides pastors and church workers with a map for navigating the maze of biblical studies It offers an extensive list of resources with helpful comments and recommendations that help readers discover which books will be of most interest to them The consistent focus is on volumes that are attentive to faith concerns and thus most promising for use within faith communities A valuable tool for any minister or church worker committed to taking the Bible seriously Mark Allan Powell Professor of New Testament Trinity Lutheran Seminary

**Essential Bible Study Tools for Ministry** Professor David R. Bauer, 2014-03-18 This up to date highly selective bibliography is designed to acquaint students and ministers with major works significant publishers and prominent scholars in biblical studies It is the perfect guide for beginning a research project or building a ministerial library References are included based on the following considerations 1 usefulness for the theological interpretation of the Bible within the context of the faith of the church 2 significance in the history of interpretation and 3 representation of evangelical and especially evangelical Wesleyan scholarship

*Beyond Virtue Ethics* Stephen M. Meawad, 2023 This book develops a contemporary model of spiritual struggle aimed at perpetual ascent to and in God Spiritual struggle in this project which

ultimately shifts the emphasis from virtue's acquisition to its pursuit is defined as the exertion of effort in all conceivable dimensions physical emotional psychological intellectual and spiritual with intent to attain a semblance of knowledge of and intimacy with Jesus Christ in community for God and for others Gregory of Nyssa's theory of epektasis assumes a basic three-tiered conception of perpetual ascent beginning with purification and detachment from fleshly passions strengthening the soul by increasing in similitude to God and ending with unity with God that is with inexpressible and transformative experience of God God the infinite the Good and the Paragon of virtue functions as the orienting principle of this perpetual ascent mitigating the issues of the unity of the virtues and the self-centeredness and self-effacement of virtue This book goes on to provide two of many potential concrete instantiations of this suggested model The first is the application of this model to the body which in turn will have implications for contemporary sexual ethics The second is a reintegration of ethics and Scripture through the contemporary application of an ancient Patristic *lectio divina*

*A Royal Priesthood?: The Use of the Bible Ethically and Politically* Zondervan, 2022-03-01 Since September 11 2001 we are intensely aware of the need for political wisdom Can Scripture help us in this respect Yes but not simplistically In an exhilarating dialogue with Oliver O'Donovan a team of international scholars look in detail in this book at biblical interpretation as we make the journey from what God said to Abraham as it were to how to respond to the political challenges of today Such exploration is essential if the church is to become a royal priesthood today Craig Bartholomew Contributors include Oliver O'Donovan respondent to 14 chapters Gilbert Meilaender Christopher Rowland Bernd Wannenwetsch N.T. Wright A Royal Priesthood is the third volume from the Scripture and Hermeneutics Seminar This annual gathering of Christian scholars from various disciplines was established in 1998 and aims to reassess the discipline of biblical studies from the foundations up and forge creative new ways for reopening the Bible in our cultures Any attempt to open the Book in new and fresh ways for our cultures at the start of the third millennium must explore how to read the Bible ethically and politically This volume looks at the obstacles to such a process and in dialogue with Oliver O'Donovan's creative work in this regard looks in detail at how to read different parts of the Bible for ethics and politics A unique element of the book is Oliver O'Donovan's 14 responses to individual chapters Volume 1 *Renewing Biblical Interpretation* and Volume 2 *After Pentecost* are also published by Paternoster Press and Zondervan

**Chosen Nation** Braden P. Anderson, 2012-01-05 Christian teaching and modern sensibilities both eschew nationalism as an extreme fanatical form of patriotism an excessive or disordered form of an otherwise healthy and proper national identity But what if the problem of nationalism is something much more fundamental What if nationalism is actually the process leading to national identity in the first place And what happens when this process entails selectively appropriating and reinterpreting the Christian tradition for the sake of the envisioned nation This book takes up these questions within the context of American Christian nationalism Here the process of interweaving the Christian narrative with American history and myth is examined in depth through a thorough engagement with scholarship on nationalism and within

a framework shaped by contemporary theopolitical studies and the biblical narrative The study aims to discern how the Christian Scriptures and theological tradition have been used by Christians themselves to further what amounts to an alternative gospel In so doing this book charts a path for the church to evaluate itself honestly in light of Christ s lordship repent and learn to tell its story more truly

This is likewise one of the factors by obtaining the soft documents of this **Scripture And Ethics Twentieth Century Portraits** by online. You might not require more mature to spend to go to the book establishment as well as search for them. In some cases, you likewise get not discover the message Scripture And Ethics Twentieth Century Portraits that you are looking for. It will agreed squander the time.

However below, subsequently you visit this web page, it will be so completely easy to get as without difficulty as download guide Scripture And Ethics Twentieth Century Portraits

It will not say you will many epoch as we tell before. You can attain it while appear in something else at house and even in your workplace. as a result easy! So, are you question?
