International Journal of Religious Education, 1929 **Decision Making and the Bible** H. Edward Everding, Dana W. Wilbanks, 1975 **The Presbyterian Pendulum** Mark J. Englund-Krieger, 2010-02-01 The Presbyterian Pendulum is a study in mainline Protestant social ethics with a focus on the Presbyterian Church USA. This book is written for the church with the hope that it will provide theological foundation and spiritual encouragement for our efforts to find unity despite the diversity of convictions and perspectives in our midst. This is a historical study of the significant social and political issues to which the church responded throughout the twentieth century. With a foundation in solid historical research, this book offers the compelling thesis that the Presbyterian Church is at its best when the wild diversity of worldviews, theological perspectives and convictions are encouraged. Even more, the book offers the spiritually rich thesis that it is in this wild diversity, not despite of it, that the providence of God is seen and known. What is unique and compelling about this study is the guiding metaphor of the pendulum swinging. The vast difference of opinion in the church around social issues has historically always been true, is necessary today, and itself points to a deeper truth about God's sustaining providence. The church must discern and hold onto that deeper truth. We must let the pendulum swing. It is my hope that this book will be an encouragement for the church even as we continue to be mired in deep conflict.

In this collection, Stephen Hand takes a critical look at the prevailing trends and movements in theology and culture today, from Neo-Modernism to Secularism to Integrism. Communities of Restoration Thomas Noakes-Duncan, 2017-10-19 By bringing together the insights of ecclesial ethics an approach that emphasizes the distinctive nature of the church as the community that forms its mind and character after its reading of Scripture with the theory and practice of restorative justice a way of conceiving justice making that emerged from the Mennonite Anabaptist tradition this book shows why a theological account of the theory and practice of restorative justice is fruitful for articulating and clarifying the witness of the church especially when faced with conflict or wrongdoing This can help extend the church s imagination as to how it might better become God s community of restoration as it reflects on the ways in which the justice of God is taking shape in its own community How does an ecclesial context shape the theological apprehension and praxis of justice This question orientates the book In particular it asks how in view of its members having

been admitted into God's restoring justice in Christ the church might embody in the world this same justice of restoring right relationships. While Christian reflection on the nature of justice has tended to favour a judicial and retributive conception of justice it will be argued that the biblical understanding of the justice of God is best understood as a saving liberating and restorative justice. It is this restorative conception that ought to guide the community that reads Scripture so that it might be embodied in life.

To Do Justice Rebecca Todd Peters, Elizabeth L. Hinson-Hasty, 2008-01-01 Encouraging Christians to call for public policies that benefit those most vulnerable in our nation To Do Justice offers tools for studying complex domestic social problems such as Social Security immigration the environment and public education and serves as a guidebook to becoming involved in social action. Rooted in Christian tradition each essay analyzes a contemporary problem from social biblical and theological perspectives before providing directions for public policy. These engaged ethicists from across the mainline denominations provide concrete examples of how progressive minded Christians can work for justice in response to these moral dilemmas. With discussion questions in each chapter this book is an excellent resource for classrooms both in colleges and in churches.
