King,2022-02-15 As seen on The Today Show When she was fifteen years old Leslie King ran away from an abusive home looking for a better life and longing for real love What she found instead was a man who wooed her just long enough to trap her in a life of prostitution She became one of the many thousands of trafficked individuals in the United States a number that continues to rise in the biggest cities and in the most idyllic towns As is true for so many in similar situations life was nothing but brokenness and pain for Leslie After years of hopelessness she finally decided to take her own life And then God spoke With

his promise that he was with her and had mighty things for her to accomplish ringing in her ears she got off the streets got clean and got to work on the mission to which he'd called her Now Leslie is a passionate and heroic advocate for other trafficked women and teenage girls in her community and across the country More than a gritty no holds barred deliverance story When Angels Fight includes powerful advice from Leslie and those she's encountered in her work police officers judges and other advocates and activists She also shows you what YOU can do to make a real difference in your own community Her call from God includes marshaling others to the cause and equipping them to fight alongside her and the angels who battle for God's children just as they once fought for her
