Scriptures The Cross And The Power Of God:

The Scriptures, the Cross and the Power of God Tom Wright, 2006-01-01 This collection of nine meditations from renowned biblical scholar and Anglican Bishop Tom Wright carries Holy Week from its solemn beginnings to the dramatic conclusion on Good Friday and Easter I hope that these addresses Wright says in his preface will contribute both to the enriched understanding and also to the empowered living out of the vital and inexhaustible events at the heart of Christian faith The writings for Palm Sunday through Maundy Thursday morning as well as the Easter Vigil focus on texts from the Gospel of Matthew Maundy Thursday evening Good Friday and Easter morning focus on texts from the Gospel of John

Activating the Power of the Cross Tony Evans, 2012-12-19 You've got to activate the power to experience the power What would happen if our phones and computers ran out of power and couldn't be recharged They would still have everything necessary to provide us with what we use them for but without power they'd be useless There is something more powerful than the technology we use each day And it has an even greater capacity to positively impact and enrich our lives in every way Yet it is an untapped frequently inactivated resource That something is the cross In this book Dr Tony Evans will help you understand how to activate the power of the cross gaining access to all of the benefits blessings and power contained within it and through it so that you can live the empowered and victorious life God intended Understanding the Cross,

The Faith, the Cross, the Gospel, and the Worship of God Arvil Jones, 2008-06 This book is different from most other books of the same genre It simply takes another approach at expounding upon these great Biblical themes The author has taken the letters of each theme and has built a chapter or chapters upon each letter The author simply believes that there is something else to be said than what has been said so far about The Christian Faith the faith which was once delivered unto the saints May God bless each reader who reads these few pages Dr Jones was born in the small Southeastern Kentucky community of Girdler He is the youngest of fourteen children seven boys and seven girls He and his wife Carolyn now reside in Hamilton OH Dr Jones has earned a Masters degree in Theology and a Doctorate in Religion having held five pastorates in over thirty years of ministry This present work is his fourth book *The Wiersbe Bible Commentary: New Testament*, Whether you are a pastor teacher or layperson now you can study the Bible in easy to read sections that emphasize personal application as well as biblical meaning Developed from Dr Wiersbe's popular Be series of Bible study books this commentary carefully unpacks all of the New Testament The Wiersbe Bible Commentary New Testament offers you Dr Wiersbe's trustworthy insights on the entire New Testament's New Biblical images maps and charts Introductions and outlines for each book of the Bible Clear readable text that's free of academic jargon Let one of the most beloved and respected Bible teachers of our time guide you verse by verse through the Scriptures It's the trusted reference you'll love to read *Christ in All the Scriptures* A. M. Hodgkin, 1922 The Kingdom of God and the Glory of the Cross Patrick Schreiner, 2018-03-15 The kingdom of heaven is like a grain of mustard seed that a man took and sowed in his field It is the smallest of all seeds but

when it has grown it is larger than all the garden plants and becomes a tree so that the birds of the air come and make nests in its branches Matthew 13 31 32 When Jesus began his ministry he announced that the kingdom of God was at hand But many modern day Christians don't really understand what the kingdom of God is or how it relates to the message of the gospel Defining kingdom as the King's power over the King's people in the King's place Patrick Schreiner investigates the key events prophecies and passages of Scripture that highlight the important theme of kingdom across the storyline of the Bible helping readers see how the mission of Jesus and the coming of the kingdom fit together Part of the Short Studies in Biblical Theology series **Mark: Jimmy Swaggart Bible Commentary** Jimmy Swaggart, 2006 MARK BIBLE

COMMENTARY After nearly 40 years of full time ministry Brother Swaggart published his first commentary on the book of Genesis that was later described as the most helpful Bible commentary ever published It would take nearly 20 years to complete the entire commentary series from Genesis to Revelation True to Pentecostal theology the Jimmy Swaggart Commentary collection leads its readers chapter by chapter to a better understanding of the Bible Rather than providing notes on every Bible verse these commentaries focus on the salient verses of each chapter to offer the reader a condensed synopsis of what the Holy Spirit intended Where most relevant cultural and historical references are also included along with explanations of the allegories types and symbolisms used in the Bible to add depth and dimension for students of the Holy Scriptures Yet what seems to separate this work from all other commentaries are the biblical applications made to present day circumstances facing every believer Printed on high quality paper and bound with a beautiful hardback cover this unique reference will be cherished by anyone who loves to study the Word of God *Walk of Faith* Clayborn Jones, 2023-01-25 The Walk of Faith workbook is an intrusive and intense twelve step process It requires the user to question their faith and religious practice The user must examine and challenge their beliefs in order to complete the work This is between the user and God We must learn to wrestle with God one on one in private The end result is a true walk of faith Afterward we will be able to say Did not our hearts burn within as we walked with Him along the way **Purposes of the Cross** Dr. Apostle Emmanuel Adebisi, 2013-03 As the guests at the marriage feast at Canaan desired and preferred the new wine provided by Christ to the old they were served at first so a genuine and converted believer desires the new life above the old having compared the easy yoke and the light burden of his Saviour in comparison to the hard yoke and grievous burden of sin the world and the Devil he were under in times past The new life must never be lived out in an old fashion or mentality perception and practices or else we are saved but not delivered from sin which is more or else like we are not saved at all I will give them a new heart says the Lord The new heart is for a new life therefore if any man be in Christ he is a new creature old things are passed away behold all things are become new 2 Cor 5 17 **Amplified Cross-Reference Bible**

Sancken,2016-04-21 It has never been easy to preach about the cross and resurrection of Jesus but difficulties today are particularly challenging Hearers ask tough questions of the church and the Christian faith and they are not satisfied by formulaic answers People are often suspicious of doctrine and are attracted to a broad but vague or pluralistic spirituality rather than the classical claims of Christianity In this climate preachers often see preaching on the central events of the Christian story the crucifixion and resurrection as more of a problem than a possibility more of a burden than a joy They wonder not only how to preach the old old story of cross and resurrection but whether they should preach these themes at all This book addresses these concerns and shows preachers how to preach the cross and resurrection in fresh culturally relevant ways that deepen Christian discipleship Each chapter shows the relevance of preaching the cross for addressing a particular congregational concern What has ironically become a stumbling block in the pulpit the stone that preachers often reject preaching on the cross and resurrection of Jesus can serve as the cornerstone for building up the congregation for discipleship in our world *The Messenger of the Cross* Watchman Nee,1980-12-01 Watchman Nee s thesis in this book is that Christ came to mankind by way of the cross and only by this same way can we know Him At the source of all spiritual things he says stands the cross *From the Cross; or, Fullness of salvation and blessing in Christ, scripture lessons* lady Beaujolois Eleanora K. How Does God Talk to Us? Frank Hofmann,2021-12-17 How does God talk to us The image of the speaking God offers a profound insight into the nature of communication The idea of the God s Word runs like a red thread through the entire Bible Few theologians however have interpreted the concept Word of God as a linguistic phenomenon but Augustine Luther and Barth are among those who have What sets this study apart from others is its emphasis on the aspects of semiotics Augustine semantics Luther and pragmatics Barth Hofmann then places these three theologians in the context of the linguistic analytical philosophy of Ludwig Wittgenstein Ian Ramsey and John L Austin This work carries forward the dialogue between theology and modern philosophy of language while at the same time opening up the Word of God for human reality It also touches on the fields of the doctrine of God and Christology attempting nothing less than a comprehensive language theory of the Word of God
