Frost, 2007-12-28 Few historical relics have exerted such a hold on our imaginations as the mummy In 1834 Thomas J Pettigrew s *A History of Egyptian Mummies* was the first scholarly work wholly devoted to the subject providing for its time a remarkable analysis of the different mummification techniques used by the ancient embalmers Such volumes of serious nonfiction have been supplemented over the years by additional works both scholarly and otherwise as well as works of fiction that incorporate and expand upon mummy lore Indeed the popular concept of the mummy as a malevolent monster dates back to the nineteenth century when stories about mummies rising from the dead to terrify the living first captured the imagination of the reading public and set the revived corpse on the path to becoming a major horror icon In *The Essential Guide to Mummy Literature* Brian J Frost provides the first in depth survey and bibliography of works of fiction featuring mummies In this comprehensive volume Frost traces the development of the mummy story paying particular attention to works by Victorian authors and pulp fiction writers as well as stories from the American pulp magazines The annotated bibliography provides synopses of all the key works of fiction in the mummy canon as well as others not so well known Full publication details for each entry with plot summaries of more than 500 works of fiction and abridged descriptions of 250 nonfiction books are provided Additionally a filmography is included along with listings of young adult novels children s storybooks and reference works for both adults and children Well organized and comprehensive *The Essential Guide to Mummy Literature* will appeal to devotees of the horror genre and students of popular literature as well as researchers and librarians *Canadian Book Review Annual*, 1990 [The Decoration on the Cult Chapel Walls of the Old Kingdom Tombs at Giza](#) L.H. Roeten, 2014-01-09 In *The Decoration on the Cult Chapel Walls of the Old Kingdom Tombs at*

Giza Leo Roeten presents a method that evaluates the degree of interaction between the various decoration themes that are placed on the western wall of the cult chapels at the tombs of Giza. Diagrams resulting from that method show that during the 5th dynasty the focus of the mode of food supply for the ka of the deceased changed from primarily active to primarily magical. On the other walls of the chapel this change not only led to the loss of some secondary cultic functions like the inviting and guiding functions but also to an increasing focus on scenes from the daily life of the tomb owner.

The Pharaoh's Treasure John Gaudet, 2018-10-02 For our entire history humans have always searched for new ways to share information. This innate compulsion led to the origin of writing on the rock walls of caves and coffin lids or carving on tablets. But it was with the advent of papyrus paper when the ability to record and transmit information exploded, allowing for an exchanging of ideas from the banks of the Nile throughout the Mediterranean and the civilized world for the first time in human history. In *The Pharaoh's Treasure* John Gaudet looks at this pivotal transition to papyrus paper, which would become the most commonly used information medium in the world for more than 4,000 years. Far from fragile, papyrus paper is an especially durable writing surface; papyrus books and documents in ancient and medieval times had a usable life of hundreds of years, and this durability has allowed items like the famous Nag Hammadi codices from the third and fourth century to survive.
