American Weasels E. Raymond Hall,2023-09-18 American Weasels by E Raymond Hall Published by Good Press Good Press publishes a wide range of titles that encompasses every genre From well known classics literary fiction and non fiction to forgotten or yet undiscovered gems of world literature we issue the books that need to be read Each Good Press edition has been meticulously edited and formatted to boost readability for all e readers and devices Our goal is to produce eBooks that are user friendly and accessible to everyone in a high quality digital format Ingmar Bergman Geoffrey Macnab,2009-06-17 Ingmar Bergman was the last and arguably the greatest of the old style European auteurs and his influence across all areas of contemporary cinema has continued to be considerable since his death in July 2007 Drawing on interviews with collaborators and original research this book puts Bergman s career into the context of his life and offers a new and revealing portrait of this great filmmaker Geoffrey Macnab explores the often painfully autobiographical nature of

his work while also looking in detail at Bergman as a craftsman He considers Bergman s working relationship with his actors especially the actresses he helped make into international stars his passion for theatre literature and classical music and his obsession with death and cruelty The book traces his traumatic childhood asking how his experiences growing up as the son of a strict Lutheran pastor fed into his later writing and filmmaking It also looks at his political life chronicling his teenage flirtation with Nazism his bitter spat in the mid 70s with the Swedish authorities over his tax affairs and his often vexed relationship with his fellow Swedes Geoffrey Macnab also considers how Bergman's work was financed and distributed his relationship with US agents and how close he came to working in Hollywood When I was 10 years old I received my first rattling film projector with its chimney and lamp which went round and round I found it both mystifying and fascinating Ingmar Bergman Ingmar Bergman at the Crossroads Maaret Koskinen, Louise Wallenberg, 2022-11-17 This collection offers new and insightful perspectives on Ingmar Bergman's work as a film and theatre director as well as writer of fiction Ingmar Bergman's rich legacy as a film director and writer of classics such as The Seventh Seal Scenes From a Marriage and Fanny and Alexander has attracted scholars not only in film studies but also of literature theater gender philosophy religion sociology musicology and more Less known however is Bergman from the perspective of production studies including all the choices practices and routines involved in what goes on behind the scenes For instance what about Bergman's collaborations and conflicts with film producers What about his work with musicians at the opera technicians in the television studio and actors on the film set What about Bergman and MeToo In order to throw light on these issues art practitioners such as film directors Ang Lee and Margarethe von Trotta film and opera director Atom Egovan and film producer and screenwriter James Schamus are brought together with academics such as philosopher and film scholar Paisley Livingston musicologist Alexis Luko and playwright and performance studies scholar Allan Havis to discuss Bergman s work from their unique perspectives In addition Ingmar Bergman at the Crossroads provides for the first time in depth interviews with Bergman's longtime collaborators Katinka Farag and M ns Reutersw'rd who both have first hand experience of working intimately as producers in film and television with Bergman covering more than 5 decades In an open exchange between individual and institutional perspectives this book bridges the often rigid boundaries between theoreticians and practitioners in turn pointing Bergman's studies in new directions **Ingmar Bergman** Erik Hedling, 2021-09-14 This unique collection focuses on the work of legendary Swedish filmmaker Ingmar Bergman Written in the wake of the centenary of Bergman s birth in 2018 the volume aims to combine new approaches to Bergman's films and writings with more traditional analyses Established themes such as Bergman's interest in philosophy and psychology are addressed but also less familiar topics notably his relationship with Hollywood and his elaborate use of film music and autobiographical writing that characterised his later work There are new analyses of aspects of Bergman's most famous films including Smiles of a Summer Night and Fanny and Alexander but also insightful readings of lesser known works such as Saraband and Sawdust and Tinsel
