Sea and Sardinia D. H. D. H. Lawrence, 2013-09-16 Comes over one an absolute necessity to move And what is more to move in some particular direction A double necessity then to get on the move and to know whither Why can't one sit still Here in Sicily it is so pleasant the sunny Ionian sea the changing jewel of Calabria like a fire opal moved in the light Italy and the panorama of Christmas clouds night with the dog star laying a long luminous gleam across the sea as if baying at us Orion marching above how the dog star Sirius looks at one looks at one he is the hound of heaven green glamorous and fierce and then oh regal evening star hung westward flaring over the jagged dark precipices of tall Sicily then Etna that wicked witch resting her thick white snow under heaven and slowly slowly rolling her orange coloured smoke They called her the Pillar of Heaven the Greeks It seems wrong at first for she trails up in a long magical flexible line from the sea's edge to her blunt cone and does not seem tall She seems rather low under heaven But as one knows her better oh awe and wizardy Remote under heaven aloof so near yet never with us The painters try to paint her and the photographers to photograph her in vain Because why Because the near ridges with their olives and white houses these are with us Because the river bed and Naxos under the lemon groves Greek Naxos deep under dark leaved many fruited lemon groves Etna's skirts and skirt bottoms these still are our world our own world Even the high villages among the oaks on Etna But Etna herself Etna of the snow and secret changing winds she is beyond a crystal wall When I look at her low white witch like under heaven slowly rolling her orange smoke and giving sometimes a breath of rose red flame then I must look away from earth into the ether into the low empyrean

Lawrence,2014-12-03 For many of us DH Lawrence was a schoolboy hero Who can forget sniggering in class at the mention of Women In Love or Lady Chatterley s Lover Lawrence was a talented if nomadic writer whose novels were passionately received suppressed at times and generally at odds with Establishment values This of course did not deter him At his death in 1930 at the young age of 44 he was more often thought of as a pornographer but in the ensuing years he has come to be more rightly regarded as one of the most imaginative writers these shores have produced As well as his novels he was also a masterful poet he wrote over 800 of them a travel writer as well as an author of many classic short stories Here we publish his travel writings Sea and Sardinia Once again Lawrence shows his hand as a brilliant writer Delving into the landscapes and peeling them back to reveal the inner heart Sea and Sardinia D.
