Sea Dangers The Affair Of The Somers:

Sea Dangers Philip James McFarland, 1985 **A Call to the Sea** Claude G. Berube, John A. Rodgaard, 2005 The U S Navy's real life Jack Aubrey *Sailing the Graveyard Sea* Richard Snow, 2024-12-03 On December 16 1842 the US brig of war Somers dropped anchor in Brooklyn Harbor at the end of a cruise intended to teach a group of adolescents the rudiments of naval life But this seemingly harmless exercise ended in catastrophe Commander Alexander Slidell Mackenzie came ashore saying he had narrowly prevented a mutiny that would have left him and his officers dead Some of the thwarted mutineers were being held under guard but three had been hanged Boatswain's Mate Samuel Cromwell Seaman Elisha Small and Acting Midshipman Philip Spencer whose father was the secretary of war John Spencer Eighteen year old Philip Spencer according to Mackenzie had been the ringleader who encouraged the crew to seize the ship and become pirates raping and pillaging their way across the old Spanish Main And while the young man might have been a rebel fascinated by pirates it soon became clear the order that condemned the three men had no legal basis And worse that perhaps a mutiny had never really occurred and that the ship might instead have been seized by a creeping hysteria that ended in the sacrifice of three innocents Months of accusations and counteraccusations were followed by a highly public court martial which put Mackenzie on trial for his life and a storm of anti Navy sentiment drew the attention of the leading writers of the day Washington Irving thought Mackenzie a hero James Fenimore Cooper damned him with a ferocity that still stings But some good did come out of it public disgust with Mackenzie's training cruise gave birth to Annapolis the place that within a century would produce the greatest navy the world had ever known Vividly told and filled with tense action based on court martial transcripts Snow's masterly account of this all but forgotten episode is naval history at its finest **Adventures of a Sea Hunter** James Delgado, 2009-07-01 As a Sea Hunter and host with novelist Clive Cussler for the new National Geographic International television series join Delgado as the team searches for discovers and explores among others the wrecks of RMS Carpathia the ship that rescued Titanic's survivors Mary Celeste the infamous ghost ship found sailing alone without a soul aboard in the mid Atlantic in 1872 Vrouw Maria a perfectly preserved Dutch cargo ship of 1771 discovered on the bottom of the Baltic Ocean packed with cargo including crates of long lost Old Masters belonging to Empress Catherine the Great of Russia the lost ships of the Mongol fleet of Kublai Khan that invaded Japan in 1274 and wreck of the USS Mississinewa the first ship sunk by a Japanese suicide submarine in WWII Stories and personalities of the past are interspersed with visits and voyages around the world crossing the Atlantic drifting in a powerless ship at the mercy of gales in the heart of the Pacific and navigating through the fabled Northwest Passage The undeniable thrill of being where history was made make Adventures of a Sea Hunter a highly entertaining personal account of the exploration of the sea and the past that rests beneath the waves

book is intended primarily for literary scholars but cultural and legal historians will also find value in it as will anyone interested in the intersections among law culture and the humanities *Encyclopedia of American Literature of the Sea and Great Lakes* Jill B. Cannons and Codes Alison L. LaCroix, Jonathan S. Masur, Martha C. Nussbaum, Laura Weinrib, 2021-03-02 It can be said that western literature begins with a war story the Iliad and that this is true too of many non Western literary traditions such as the Mahabharata And yet though a profoundly human subject war often appears to be by definition outside the realm of structures such as law and literature When we speak of war we often understand it as incapable of being rendered into rules or words Lawyers struggle to fit the horrors of the battlefield the torture chamber or the makeshift hospital filled with wounded and dying civilians into the framework of legible rules and shared understandings that law assumes and demands In the West's centuries long effort to construct a formal law of war the imperative has been to acknowledge the inhumanity of war while resisting the conclusion that it need therefore be without law Writers in contrast seek to find the human within war an individual story perhaps even a moment of comprehension Law and literature might in this way be said to share imperialist tendencies where war is concerned toward extending their dominion to contain what might be uncontainable Law literature and war are thus all profoundly connected and it is this connection this edited volume aims to explore assembling essays by preeminent scholars to discuss the ways in which literary works can shed light on legal thinking about war and how a deep understanding of law can lead to interpretive insights on literary works Some of the contributions concern the lives of soldiers others focus on civilians living in war zones who are caught up in the conflict still others address themselves to the home front far from the theatre of war By collecting such diverse perspectives the volume aims to illuminate how literature has reflected the totalizing nature of war and the ways in which it distorts law across domains **Truth and Lies in Literature, A Writer's Ten Commandments** Stephen Vizinczey, Published directly by author <http://stephenvizinczey.com> This ebook edition is a revised and expanded version of the printed book including many essays which previously appeared

only in recent foreign language editions I don't usually review older books in this space but I decided to make an exception for this classic book of reviews and essays he is a remarkable writer of enormous personality and skill as this book of essays and his own classic novel *In Praise of Older Women* The Amorous Recollections of Andr s Vajda attests Writers will thrill to read his enabling and energizing Ten Commandments and reviewers would gain much from his own loosely styled criticism so distant and so distinct from what we often read by professional reviewers These are reviews for the ages

thebowedbookshelf.blogspot.com Mr Vizinczey can make us care about his favorite writers like Kleist and Stendhal because the flavor of his own writing makes it apparent without tedious egotism that he himself has experienced the rapture of love and reflected on its immutable meaning In a word he unerringly knows how to find the weight of experience and states it in unflinching aphoristic English Mark Le Fanu The Times London Vizinczey comes on like a pistol packing stranger here to root out corruption and remind us of our ideals He carries the role off with inspired gusto His own essays convey the sheer fun of getting worked up about art Vizinczey's boldness and pugnacity are bracing and can be very funny Ray Sawhill Newsweek The real function of the critic should be to draw the reader to the work of art and that is precisely what Vizinczey one of the greatest critics I have ever encountered does Edwin Howard Memphis Business Journal

Servant of Beauty Anthony C. Wood, 2025-05-13 *Servant of Beauty* Landmarks Love and the Unimagined Life of an Unsung New York Hero is the true story of the interplay between the two all consuming passions of this unheralded civic champion his love of beauty in the public realm that would forever change New York City and his love for a younger man that would forever change Bard Albert Sprague Bard 1866-1963 fought for cities to have the right to protect their beauty propelling him into a David versus Goliath combat with Robert Moses and paving the way after four decades of advocacy for New York City's Landmarks Law 1965 Today the law protects over 37,000 buildings mostly in historic neighborhoods and it has inspired cities across the nation Bard was delighted and disappointed by his two enduring loves one for a troubled younger man the other for the beauty of New York City Persevering against the odds resilient in the face of disappointment and a man who became embroiled in a spy scandal at the same time as he served as a stand in father to three Bard is an uncelebrated renaissance man and civic hero whose story will inspire and inform generations of citizens who continue his battle to preserve the beauty of the places they love
