Sea Harrier Over The Falklands:

Sea Harrier Over the Falklands Commander 'Sharkey' Ward, DSC, AFC, RN, 1993-08-05 Sharkey Ward commanded 801 Naval Air Squadron HMS Invincible during the Falkland War of April to June 1982 and was senior Sea Harrier adviser to the command on the tactics direction and progress of the air war. He flew over 60 war missions, achieved three air to air kills and took part in or witnessed a total of ten kills. He was also the leading night pilot and was decorated with the Distinguished Service Cross for gallantry. But what after all could 20 Sea Harriers operating from a flight deck bucketing about in the South Atlantic do against more than 200 Argentine military aircraft flown by pilots who as the raids against the British shipping proved displayed enormous skill and almost suicidal gallantry. The world knows the answer now. What is puzzling therefore is this book's truthful depiction of the attitudes of some senior non flying naval officers and of the RAF towards the men and indeed the machine that made possible the victory in the Falklands. This first hand account charts in detail the naval pilots journey to the South Atlantic and how they took on and triumphantly conquered the challenges they faced. It is a dramatic story leavened with accounts of the air to air fighting and of life in a squadron at sea and on a war footing. But it is also a tale of inter Service rivalry, bureaucratic interference and the less than generous attitudes of a number of senior commanders who should certainly have known better. Indeed some of them might even have lost the war through a lack of understanding of air warfare. The author attempts to put the record straight. Sea Harrier Over the Falklands Nigel David Ward, 2003

Sea Harrier Over the Falklands Sharkey Ward, 2000 Sharkey Ward commanded 801 Naval Air Squadron HMS Invincible was senior Sea Harrier adviser to the Command, flew over sixty missions and was awarded DSC. Yet had he followed all his instructions to the letter Britain might well have lost the Falklands War. His dramatic first hand story of the air war in the South Atlantic is also an extraordinary outspoken account of inter Service rivalries, bureaucratic interference and dangerous ignorance of the realities of air combat among many senior commanders. As Sharkey Ward reveals the 801 pilots were fighting not just the enemy, exhaustion and the hostile weather but also the prejudice and ignorance of their own side. **Hostile Skies** David Morgan, 2012-09-06 The gripping personal story of a Falklands Fighter Ace. David Morgan, RAF officer and poet relives his experiences during the Falklands War in this vivid memoir. On secondment to the Royal Navy when the Argentine invasion of the Falklands began and personally credited with shooting down two Argentine Skyhawks as well as enemy helicopters. Morgan was later awarded the Distinguished Service Cross. Here he recounts his involvement in the first British air strike against Argentine positions around Port Stanley and describes being first on the scene when enemy jets bombed the landing ships SIR TRISTRAM and SIR GALAHAD. Including the author's heartfelt letters sent back to England to close family and friends. **HOSTILE SKIES** dramatically recalls what it was really like to fight live and love during the Falklands War. *A Companion to the Falklands War* Gregory Fremont-Barnes, Julian Thompson, 2017-03-02 The Falklands War is a story of occupation, fierce air battles, heavy naval losses and bitter encounters between ground forces.

The Falklands War Gordon Ramsey,2009-03-30 In 1982 Argentina rashly gambled that a full scale invasion of the Falkland Islands ownership of which had been disputed with Great Britain for over a century would put an end to years of political wrangling However Britain s response was to immediately dispatch a task force to recover the islands by force if necessary The conflict which followed a formal declaration of war was never given lasted ten weeks from Argentine invasion to British liberation the white heat of battle using 20th century technology contrasting with bitter hand to hand bayonet fighting in inhospitable conditions Eyewitness accounts by the participants of both sides and islanders leave us in no doubt as to the ferocity of the combat on land sea and in the air Comparison photography in color of all the battlefields the crash sites of the aircraft shot down the relics and the remains together with portraits of those who lost their lives and the battlefield memorials serve as a graphic testimony to their endeavors 25 years after the battle A Roll of Honour lists the casualties of both sides and for the first time the graves of all the British fallen both on the islands and in the United Kingdom have been visited and photographed as a lasting record of all those who made the supreme sacrifice
