Tarbell's Teacher's Guide to the International Bible Lessons for Christian Teaching of the Uniform Course Martha Tarbell,1910 **Learning Lessons From Waco** Jayne Seminare Docherty,2001-11-01 Heated debates about what really happened in Waco are a recurring public drama Yet little or no attention has been given to the work of the negotiators who talked with the Branch Davidians In this important book Jayne Seminare Docherty utilizes largely unexplored sources of data to explain why fifty one days of negotiations by federal officials failed to get all of the Branch Davidians to exit the compound Learning Lessons from Waco applies a theory of worldview conflicts to the more than 12 000 pages of the negotiation transcripts from Waco Through perceptive analysis of the situation Docherty offers a fresh perspective on the activities of law enforcement agents She shows how the Waco conflict resulted from a collision of two distinct worldviews the FBI s and the

Davidians and their divergent notions of reality By exploring the failures of the negotiations she also urges a better understanding of encounters between rising religious movements and dominant social institutions Finally the resulting model is applicable to other conflict resolution processes such as mediation and facilitated problem solving     *25 Icons of Peace in the Qur'an* Mary Saad Assel,2010-03-19 The prophets in the Quran condemn war hatred and disparity and advocate the belief in Gods oneness and His call for peace among mankind Assel successfully captures the minds of readers by giving them the opportunity to analyze and compare the stories of the prophets in the Quran with those of the prophets from the Old and New Testaments She brings together the validated interpretations of both Sunni and Shia schools of thought in order to sustain objectivity and allow room for comparison and interpretation Islam is an important force of solidarity and unity among mankind It is the ultimate triumph to Muslims who perceive it to be the final test to a peace seeking democratic society that denounces the dominant forces that are conspiring against it This book is a valuable reference and text for students professionals scholars and all who are interested in learning about Islam without having to read the entire Quran It brings to the forefront the belief that Islam is truly a religion of peace It was the death of her thirty three year old son Mazen and her search for spiritual and emotional peace that inspired her to write this book     **A course of Sunday school lessons on the gospel in the Old Testament** John Watson,1886     **Lessons on islamic doctrine** Muğtabā Mūsawī Lārī,1989\*
