gospel message not only institutionally but personally in the lives of all Christians This return to a countercultural stance will aim to raise the disadvantaged and to secure the future of the global family and its environment **Report** National Library of Ireland,1921 **The Event and Its Terrors** Stuart John McLean,2004 The Event and its Terrors undertakes a critical reimagining of one of the major events of Irish history the Great Famine of the 1840s and of its subsequent legacies Drawing on a wide range of sources past and present it considers the emergence of the Famine as an object of historical knowledge and controversy with reference both to the experience of modernity and to the production of academic and nationalist histories in colonial and post independence Ireland In doing so it explores the possibility of alternative modes of engagement with the past via contemporary eyewitness accounts oral histories literature folklore and present day commemorative events
