Diplomacy and Nation-Building in Africa Mélanie Torrent, 2012-04-11 Cameroon stands as a remarkable example of nation building in the aftermath of European domination Split between the French and British empires after World War I it experienced a unique drive for self determination at the turn of the 1960s culminating in both independence from European power and the re unification of two of its divided territories This book investigates the influence of foreign policy on nation building in West Africa in the context of both the Cold War and European integration Shedding fresh light on the challenges of bridging the political economic and linguistic divide that France and Britain had left Melanie Torrent explores the evolution of a nation charting both Cameroon s importance in Franco British relations and Cameroon s use of bilateral and multilateral diplomacy in asserting its independence This work should be essential reading for students of African studies International Relations and the post colonial world

Regional Balance and National Integration in Cameroon Nchoji Nkwi, B. Nyamnjoh, 2011-09-26 This book presents a series of reflections by Cameroon scholars on a variety of topics associated with regional balance and national integration The different reflections look for answers to some burning questions of the day such as Where are we coming from Where are we going How are we going where we are going Have the different state ideologies offered appropriate solutions to the quest for a strong united stable and prosperous nation state If not what has gone wrong and why What can be done to shape the future and accommodate the aspirations of the men and women of Cameroon and of their progeny The book addresses the issue of national unity and national integration within the context of different political perceptions and visions It examines the merits and demerits of the policy of regional balance of the Ahmadou Ahidjo years 1960 1982 Focus is also on the underlying flaws of this doctrine and philosophy The debate also addresses some critical questions of the national integration policy and practices of Paul Biya President since November 1982 The policy has failed to achieve its stated goals and has ended up in the ethnicisation and polarisation of national life The future of the Cameroon nation state with its rich ethnic and cultural diversity seems to be in jeopardy as internal forces question the management of civil society by leaders who have lost the sense of justice and equity Why are there several voices singing the song of destitution and disappointment with the state Have regionalism and the rhetoric of national integration and balance emerged as untenable politics within a nation state in search of an identity and responsible leadership These are some of the questions and issues Cameroonian and Cameroonist scholars have tried to address in this collection of 28 well researched and outstandingly argued essays

Political Parties and National Integration in Tropical Africa James S. Coleman, Carl G. Rosberg, 2023-04-28 The essays in

this book focus attention on the role of political groups in the new functioning and development of the new African societies and the political systems of which they are a part The authors all recognized authorities have sought to identify and compare the manifestations of the general tendency among the new states of Tropical Africa toward the establishment and consolidation of one party political systems and to examine in the light of this general trend the different dimensions of the problem of integration This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1964 **Political Parties and National Integration in Tropical Africa**

Akinola, 2019-03-08 This book assesses the effectiveness of Nigeria s counterterrorist policies against Boko Haram It takes a critical review of the interventionist strategies adopted by the Nigerian government highlights the motivations behind the choice of strategies and proffers a deeper understanding of the factors responsible for the state s inability thus far to rid the country of terrorism Specifically it evaluates the NACTEST policy framework that guides the Nigerian state s counterterrorist strategies which contains both hard and soft power approaches Adopting historical and case study approaches which put the Nigerian state and occurrences of violent conflict in context it takes cognizance of the politics of ethno religious diversity which reinforce violent conflicts among groups and against the state and reviews the socio economic and political realities that led to the emergence and sustenance of Boko Haram The volume concludes by suggesting practical policy options for combating Boko Haram and other similar armed insurrection This book is appropriate for researchers and students interested in African politics conflict security peace studies terrorism and counterterrorism as well as policy makers and government departments dealing with terrorism and counterterrorism **Political Parties and**

National Integration in Tropical Africa , *The Politics and Policies of Sub-Saharan Africa* Robert A. Dibia, 2001 This book attempts to correct the impression created by Western media that Sub Saharan Africa is in a state of anarchy The text analyzes and shows that while many Sub Saharan African nations are experiencing the worst time of their history others are enjoying their best times Thus the text argues that although some parts of Africa are experiencing crisis the continent is also a fine region of major new experiments in governance peace building and free market transformation programs Finally the text focuses some of its analyses on the colonial legacy economic and ethnic transformation indigenous institutions and other forces that seem to influence the governance of Sub Saharan African nations *Multidisciplinary Issues Surrounding African Diasporas* Onyebadi, Uche T., 2019-10-04 Members of diasporic populations often have a unique dual persona consisting of one s migrant role as a permanent or transient member of a new country and one s role as a citizen of one s home country Like all diaspora the African diaspora is further composed of sub groups of people of a variety of backgrounds

and disciplines such that there is a need for studies that properly encompass and address the African diaspora across a multitude of fields and pedagogies including architecture education and business Multidisciplinary Issues Surrounding African Diasporas is a pivotal reference source that explores the philosophical and epistemological issues regarding the African diaspora identity and navigates these individuals opportunities for professional and academic growth Featuring coverage on a wide range of topics such as higher education cultural engagement and xenophobia this publication is ideally designed for sociologists anthropologists humanities scholars political scientists cultural studies academicians university board members researchers and students

Indian Africa: Minorities of Indian-Pakistani Origin in Eastern Africa

Michel Adam, 2015-10-22 Kenya Uganda and Tanzania have minorities from the Indian sub continent amongst their population The East African Indians mostly reside in the main cities particularly Nairobi Dar es Salaam Zanzibar Mombasa Kampala they can also be found in smaller urban centres and in the remotest of rural townships They play a leading social and economic role as they work in business manufacturing and the service industry and make up a large proportion of the liberal professions They are divided into multiple socio religions communities but united in a mutual feeling of meta cultural identity This book aims at painting a broad picture of the communities of Indian origin in East Africa striving to include changes that have occurred since the end of the 1980s The different contributions explore questions of race and citizenship national loyalties and cosmopolitan identities local attachment and transnational networks Drawing upon anthropology history sociology and demography Indian Africa depicts a multifaceted population and analyses how the past and the present shape their sense of belonging their relations with others their professional and political engagement This book is a must read for contemporary researchers students policy practitioners as well as the general reader

Short-cut to Decay Terje Tvedt, 1994 The Sudan can demonstrate that while there is no short cut to progress there is one to decay and misery After eleven years of peace the second civil war has now lasted for more than ten years Regional ethnic and religious conflicts are intensifying all over the country The economy is in shambles while a small lite is enriching itself

The Geography of

Tropical African Development A. M. O'Connor, 2014-06-28 This best selling textbook focuses on the changes in geographical patterns that have taken place in recent years i e on the geographical pattern of recent and current economic change The area covered includes the countries lying between the limits of the Tropic of Cancer and the Tropic of Capricorn In this second edition substantial changes have been made in every chapter in order to keep up to date in respect of both the geographical pattern of development and prevailing attitudes towards it The discussion is still largely confined to the twenty year period between 1956 and 1976 and to the economic component of development
